SALISBURY, N. C., APR. 10th, 1912

CITIZENS OF MORGAN WANT TO VOTE ON COURT HOUSE PROPOSITION.

April 6—We have some fine
weather along now, and the
farmers can prepare for planting
corn.

Moses L. Wyatt, who moved
near Ohioa Grove last winter,
visited his old home a few days
ago. He says that he likes his
new home fine. Mr. Wyatt has
sold the place he moved from to
Jarvis Morgan.

Stokes Bros., Parker & Hinson
have finished sawing for Rich
Morgan. They expect to move
in a few weeks.

Luther Cauble of near Dunn's
Mountain visited near Panther
Creek last Sunday evening.

Miss Minnie Morgan who has
been attending the Normal school
at Albemarle has returned home.

There was a social party at
Rich Morgan's recently.

There will be preaching services
at Wyatt's Grove the second
Sunday.

Edgar J. Canup and Miss Eva
Jane Shepherd were united in the
holy bonds of matrimony Wed-
nesday evening, March 27th, at
the Lutheran parsonage, Rev.
Buok officiating. We wish for
them much joy and happiness
through life.

There was a belling in our com-
munity last Saturday night.

Harvey Morgan visited Pool-
town last Sunday. Guess he
sure must mean business, Hal
Hal!

I guess Aunt Patsy has not
seen the automobile from the
Yadkin Valley yet, but I guess
she has seen the little mule.

Since the recent heavy rains
the Bringle's Ferry road needs
work very bad.

I think that if it were put to a
vote that the majority of the
voters of Morgan township would
vote to spend that \$125,000 on
the public roads rather than on a
fancy court house as the county
commissioners propose to do. Of
these so-called commissioners
had to go through the mud that
the people of Morgan township
have to go through in order to
get to market they would think
about better roads instead of
building a fancy court house. The
court house that we have now is
large enough to hold court in six
times a week. Better leave it to
a vote in November and the people
of Morgan township will say
what they want. ANONYMOUS.

April 1.—The farmers are an-
xiously waiting for it to get dry
enough to plow: all think they
are behind with their work.

The readers of this paper will
be pleased to learn that there
is at least one drugged disease
that science has been able to cure
to all its stages, and that is Cat-
arrh. Hall's Catarrh Cure is
the only positive cure now known
to the medical fraternity. Cat-
arrh being a constitutional dis-
ease, requires a constitutional
treatment. Hall's Catarrh is
taken internally, acting directly
upon the blood and mucous sur-
faces of the system, whereby de-
stroying the foundation of the
disease, and giving the patient
strength by building up the con-
stitution and assisting nature in
doing its work. The proprietors
have so much faith in its curative
powers that they offer One Hun-
dred Dollars for any case that it
fails to cure. Send for list of

HOW TO PRESERVE YOUTH AND BEAUTY.

One great secret of youth and beauty for the young woman or the mother is
the proper understanding of her womanly system and well-being. Every woman,
young or old, should know herself and her physical make up. A good way to
acquire this knowledge is to get a good doctor book, such for instance, as "The
People's Common Sense Medical Adviser," by R. V. Pierce, M. D., which can
readily be procured by sending thirty-one cents for cloth-bound copy, addressing
Dr. Pierce, at Buffalo, N. Y.
The womanly system is a delicate machine which can only be compared to the
intricate mechanism of a beautiful watch which will keep in good running order only
with good care and the proper oiling at the right time, so that the delicate mech-
anism may not be worn out. Very many times young women
get old or run down before their time through ignorance and
the improper handling of this human mechanism. Mental
depression, a confused head, headache, or hot
flashes and many symptoms of derangement of the womanly
system can be avoided by a proper understanding of what to
do, in these trying times that come to all women.
