### For Fourteen Years Restored To Health by Lydia E. Pinkham's Vegetable Compound.

Elgin, Ill.—"After fourteen years of suffering everything from female complaints, I am at last restored to health. I employed the best doctors and even went to the hospital for treatment, and was told there was no help for me. But while taking Lydia E. Pinkham's Vegetable Compound I began to improve and I continued its use until I was made well."  
—Mrs. HENRY LEISEBERG, 743 Adams St.

Kearneyville, W. Va.—"I feel it my duty to write and say what Lydia E. Pinkham's Vegetable Compound has done for me. I suffered from female weakness and at times felt so miserable I could hardly endure being on my feet. After taking Lydia E. Pinkham's Vegetable Compound and following your special directions, my trouble is gone. Words fail to express my thankfulness. I recommend your medicine to all my friends."  
—Mrs. G. B. WHITTINGTON.

The above are only two of the thousands of grateful letters which are constantly being received by the Pinkham Medicine Company of Lynn, Mass., which show clearly what great things Lydia E. Pinkham's Vegetable Compound does for those who suffer from woman's ills. If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

### TOSSED LIKE GRAIN SACKS.

### The Lifeboats Were Three Feet Away From the Steamer's Side.

Washington, April 26.—Members of the senate committee of inquiry into the Titanic's disaster who examined individually the British sailors and stewards of the Titanic crew, gathered this morning in Chairman Smith's office to prepare a report of their investigations for the full committee.

Only a few members of the crew could be found who shed light on the occurrences of the fatal night, other than had been exacted from surviving passengers during the previous committee hearing.

One of the most stirring recollections was from F. O. Evans, of the Titanic's crew. Evans told Senator Smith it was necessary for the women and children on the sinking Titanic to jump a 8-foot chasm from the deck of the lifeboats. To these methods of loading the lifeboats, Evans attributed a large loss of life among the women and children. Evans said when boats were swung out they were at least 3 feet from the steamer's deck, which was 70 feet above the sea. The height was so terrifying the women refused to attempt to jump. Several were thrown bodily across the gap. One was propelled with such force she went over the far side of the boat and was saved from plunging into the sea only by her shoes, which caught in an oarlock. Evans said: "The babies and children were tossed into the boats like sacks of grain; there was no other way."

Samuel S. Hemming, a seaman, said he was asleep when the ship struck, and after he looked out went back to bed. A storekeeper did likewise. Later a boatswain came and said, "Turn out, you fellows, you haven't a half hour to live; that is from Mr. Andrews keep it to yourselves and let no one know."

Andrews, Hemming said, was of the firm of Harland & Wolff, builders of the ship.

Washington, April 26.—A statement that the captain of the liner Californian refused to go to the Titanic's aid, although only a few miles away, was filed by Ernest Gill, the Californian's wireless operator, with the senate

committee. Gill said distress rockets were plainly visible from the Californian deck, and must have been visible to both the bridge and the lookout. He tried to organize a committee of the crew to go to the captain and protest against his course, but he said the men "were afraid they'd lose their jobs."

Captain Lord, of the Californian, denied Gill's statement. "I saw a ship, which I took to be the Titanic," said Gill, after being sworn, "sometimes before midnight. She was about 10 miles away and went past us apparently at full speed. She was a big ship and I saw two tiers of light. The Californian, at the time, was caught in a field of ice, its engines were stopped and she was drifting with the flow."

Gill testified the vessel must have been plainly visible to the bridge and the lookouts, as well as rockets sent up from the vessel. The Californian's captain, he said, paid no attention to the distress signals and refused to get up steam and go to the aid of the stranger. So incensed was the crew. Gill tried to organize a protesting party among the men. He failed because of the timidity of the men.

From the rockets Gill judged the distressed ship was not over 20 miles off. He described the rockets, his description tallying with that given by Fourth Officer Boxhall, of the Titanic, who sent them aloft.

London, April 26.—Survivors of the Titanic crew, returning here on the Lapland, will be subpoenaed to appear before a court of inquiry when the vessel arrives at Plymouth tomorrow. The court, headed by Lord Morsey, will commence an investigation next week.

New York, April 26.—A wireless through the steamer Caldonia and Cape Race from the Mackay Bennett states there have been 40 additional identifications of the recovered Titanic dead. Among others the bodies of Astor and Straus were embalmed.

New York, April 26.—The White Star Line expect the Mackay Bennett to reach Halifax late tomorrow.

Halifax, April 26.—The body of C. M. Hayes, president of the Grand Trunk Railroad, was added to the list of identified dead, picked up near the scene of the Titanic disaster, according to a wireless from the cableship Minia.

### STOMACH TROUBLES

Cured by Vinol—Here is Proof Seymour, Ind.—"I was troubled with a chronic stomach trouble, and five weeks ago it got so bad I had to give up work. I had tried various medicines without relief, and was finally induced to try Vinol. After taking the first bottle I was greatly benefited. Am now on the third bottle and ready to resume work. Am rapidly gaining in weight and strength." Edw. Nieman.

It is the curative medicinal elements of the cods' livers, combined with the strengthening properties of tonic iron contained in Vinol which makes it so successful in restoring perfect digestion and at the same time it builds up the tired, overworked and run-down system. Try a bottle of Vinol with the understanding that your money will be returned if it does not help you.

Uncle Jack Holbrooks, living near China Grove, was united in wedlock to Mrs. Fanny Lowery, of Gaffney, S. C., last Thursday night a week ago at the home of Esquire W. L. Kimball.

Jas. E. Corriher, of near Landis, left for maiden, last Tuesday to attend the meeting of the North Carolina classis. Mr. Corriher represents Mt. Zion congregation.

Prof. P. E. Wright, of China Grove, went over to Mt. Ulla to act as one of the judges in the debate held there last night.

### RESULTS THAT REMAIN.

Are Appreciated by Salisbury People. Thousands who suffer from backache and kidney complaint have tried the remedy after another, finding only temporary benefit. This is discouraging, but there is one kidney medicine that has earned a reputation for lasting results and there is plenty of proof of its merit right here in Salisbury.

Here is the testimony of one who had Doan's Kidney Pills years ago, and makes his testimony even stronger. M. M. Williams, 180 Chestnut St., Salisbury, N. C., says: "The testimonial I gave in 1908, recommending Doan's Kidney Pills still holds good. They are the finest remedy I ever used. I suffered a great deal from backache and pains across my kidneys. Sometimes I had dull headaches and felt tired. I noticed that the kidney secretions were unnatural and I finally went to J. W. McPherson & Co's Drug Store and got Doan's Kidney Pills. After taking the contents of several boxes I felt better in every way. I hope other kidney sufferers will try this excellent remedy."

### SUNDAY SCHOOL EXCURSION.

From Albemarle, N. C. to Charlotte, N. C., Saturday, May 11th, 1912.

This special train will leave Albemarle at 7 a. m. returning leave Charlotte same day at 6:10 p. m. The Sunday School workers of any and all denominations are cordially invited to go with us on this pleasant occasion. We may all enjoy ourselves together, at least one day as one common band of Sunday School workers. No better place could be selected than Charlotte, the Queen City of the South.

The manager has arranged with headquarters of the street car line in Charlotte to have street cars enough to take all of the excursionists to the beautiful lake park that we may all be together as Sunday School workers at which time we will have a live Sunday School man to speak to our excursionists for a very short time, then you will all be at liberty to take in the different parks and scenery and enjoy yourselves. Any one desiring to take in one day of the N. C. syndicate convenes in Charlotte at that time can do so for considerably less than the regular fare. This will also give the lovers of base ball an opportunity to witness the game between the Wilmington and Charlotte teams, which takes place there during the afternoon.

Now we want every minister and Sunday School superintendent to work your schools so as to get a large number of them to go with us that they may be benefited thereby. It is the intention of the manager to find out that day from each school just how many are with us that a record may be made and published.

Remember the date Saturday, May 11th is the date for you to go to Charlotte so we will see you on that train on the morning of the 11th at any station between Albemarle and Glass and go with us.

### What A Cat Can Do.

Wilkesbarre, Pa., April 29.—A pet cat which was owned by Ben Dilley, a bachelor and wealthy hotel-keeper, prevents the distribution of an estate of \$25,164.91. According to terms of Dilley's will, his estate was not to be distributed while his two pet cats were living. Since his death a few years ago one of the cats died, but the other shows signs of reaching an old age.

Former Judge Wheaton and W. S. Bidde, executors of the estate, have an accounting ready to file, and in it they say there is a balance of \$25,164.91. This fund must remain in trust until the cat dies, after which there are several persons to share the estate.

### Waters Rising.

Cairo, Ill., April 29.—Residents of the Cairo drainage district to the north of the city, who returned to their homes last week, believing the danger to be past, were forced to again abandon them tonight by the steadily advancing waters which tonight stand three feet deep in the district.

St. Louis, Mo., April 29.—Flood conditions at this point became disquieting again tonight when the gauge registered 29.5 feet, a rise of 1.4 feet since morning and 2.7 feet in 24 hours. The present stage is within half a foot of the danger mark.

### How The Body Kills Germs.

Germs that get into the body are killed in two ways—by the white corpuscles of the blood, and by a germ-killing substance that is in the blood. Just what this substance is, we do not know. The blood of a healthy person always has some germ-killing substance in it to ward off the attack of disease. The fountain head of life is the stomach. A man who has a weak and impaired stomach and who does not properly digest his food will soon find that his blood has become weak and impoverished, and that his whole body is improperly and insufficiently nourished. To put the body in healthy condition, to feed the system on rich, red blood and throw out the poisons from the body, nothing in the past forty years has excelled Dr. Pierce's Golden Medical Discovery, a pure glyceric extract (without alcohol), of bloodroot, golden seal and Oregon grape root, stone root, mandrake and queen's root with black cherry bark.

My husband was a sufferer from stomach trouble and impure blood," writes Mrs. JAMES H. MARTIN, of Frankfort, Ky. "He had a sore on his face that would form a scab which would dry and drop off in about a month, then another would immediately form. It continued this way for a long time. He tried every remedy that any one would suggest but found no relief. He then tried Dr. Pierce's Golden Medical Discovery which completely cured him. He has stayed cured now for two years, and I recommend this valuable medicine for impurities of the blood."

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules.
