

# THE CAROLINA WATCHMAN

W.M. H. STEWART, Ed. and Prop.  
Published every Tuesday at 120 West  
Innes street.

Entered as second-class matter Jan.  
15th, 1905, at the post office at Salis-  
bury, N. C., under the act of Congress  
of March 3rd, 1879.

SALISBURY, N. C., MAY 22d, 1912

And what became of the me-  
too's?

And the colonel (?) did not  
lead the ticket by a darn sight.

Rev. Clarence V. Richeson, the  
Boston murderer, was electro-  
cuted at 12:17 Tuesday morning.

What became of the court  
house builders? They are at least  
dealing in smaller figures just  
now.

The same thing that makes a  
man a gentleman makes a party  
decent. Some good people do not  
seem to realize this.

And Joseph C., the negro  
school teacher, etc., etc., will  
be much better known by Novem-  
ber than he is now.

Just what is to be thought of a  
man who will deliberately vote  
for candidates known to be en-  
gaged in lawless business in a  
proposition hard to solve. To  
say the least, it is not a creditable  
thing to do.

The colonel (?) knows how to  
raise a tax on dogs and spend the  
people's money, and the people  
are learning how to vote. He  
will certainly have to improve  
on his primary strength or  
hunt a seat away back in the rear.

Returns indicate that Theo.  
Roosevelt obtained a majority  
of the delegates in the Ohio  
primary yesterday. This means  
that President Taft's efforts to  
turn our nation over to the Catho-  
lics is not appreciated and that  
he will fail to get the nomination  
at Chicago. Good!

For lack of space we will give  
only a summary of the vote cast  
in the Democratic primary Sat-  
urday. This summary shows  
conclusively that a league was  
formed between the lawless whis-  
ky clubs and the court house  
ring. With few exceptions those  
who favored the clubs were favored  
by the clubs and the ring so  
far as possible. However some of  
their pets were trimmed down to  
make room for some whom it was  
thought were more likely to win,  
but combinations were especially  
made to keep out dry men who  
were making too much headway  
for the lawless classes' ease. A  
specimen of some of the schemes  
employed is the fact that there  
was about 100 more votes in the  
North Ward box than Democratic  
votes in the precinct, many of  
whom did not enter the primary  
at all.

Those who had no opposition,  
of course had no reason to engage  
in any unfair methods and, we  
suppose did not. Their nomina-  
tion will likely be ratified in the  
convention by acclamation. They  
are:

For judge, Hon. Theo. F.  
Klutz, 2173.  
For sheriff, Jas. H. McKenzie,  
1907.

For senator, A. H. Boyden,  
1655.

There being only 102 electoral  
votes in the county, according to  
the vote for governor in 1908, it  
is likely P. E. Wright will be  
nominated for register of deeds;  
Stable Linn, for county attorney  
and Theo. D. Brown and P. S.  
Carlton for the legislature, that  
is taking it for granted the elec-  
toral vote will be voted according  
to each candidate's strength in  
the various precincts.

The five highest candidates for  
county commissioner as reported  
are:

H. O. Trott, 1688,  
John W. Peeler, 1428,  
P. A. Hartman, 1086,  
W. P. Barber, 889,  
R. B. Baily, 884.

rid of them. Conkey's Lice Pow-

the work quickly. Get a practi-

## THE THIRD TERM RULE.

Can A Man Who has Served Three Terms  
be Considered in the Convention.

On Monday April 9th, 1900, the  
Rowan Democracy in convention  
assembled very wisely pledged  
the party to what is known as a  
third term rule. Up to that time  
men had gone into office and  
managed to manipulate things,  
term after term until death over-  
took them and that seemed the  
only way to get rid of them. The  
men in the ranks got good and  
tired of this manner of holding  
office. Quite a number left the  
party because of it and if such  
resolutions had not been passed  
Rowan would long since have been  
in the Republican column. This  
same thing again seems to threat-  
en the party. If the rule is now  
broken it will be looked upon as  
void and non effective in the  
future and every county officer will  
enter the race each successive  
two years as sure as fate, that  
is if they are elected this fall and  
obtain the opportunity to do so.

THE WATCHMAN thinks the party  
owes it to itself to re-affirm al-  
legiance to the third-term rule  
and make it plain that candidates  
who have served three terms will  
not be considered in future con-  
ventions of the party, also that a  
man who has held one office three  
times cannot be considered should  
he immediately offer for another.  
The resolutions of 1900 follow:  
Whereas, In view of the fact  
that the Democratic voters of  
Rowan county have by their votes  
recorded themselves as being fa-  
vorable to rotation in office, thus  
affirming their opposition to life  
tenure, Be it resolved:  
1st. That the Democrats of  
Rowan county in convention as-  
sembled reaffirm their belief in  
the wisdom and justice of rota-  
tion in office.  
2nd. That it is the sentiment of  
this convention that no county  
officer should be elected to any of-  
fice for more than three consecu-  
tive terms.

### Gudger Wins Out.

Asheville, May 14.—The votes  
cast yesterday for presidential de-  
legates and senatorial strength  
have not been counted but both  
Underwood and Wilson men claim  
a majority. Solicitor Reynolds  
carried Buncombe over Representa-  
tive Gudger by nearly 600, and  
while returns from outlying dis-  
tricts are meager, Gudger must  
have received two-thirds of the  
delegates, at least he claims near-  
ly 200 of the 295. Graham and  
Transylvania have not been heard  
from but have only 19 votes.  
Gudger claims Polk solid, two to  
one in McDowell, 500 majority in  
Haywood, Rutherford almost solid  
and majorities in other coun-  
ties.

### Wilmington Policeman Shot by Negro in Serious Condition.

Wilmington, May 19.—Mount-  
ed Policeman E. J. Thompson,  
who was shot and seriously  
wounded early this morning in an  
alley in the eastern part of the  
city, by a negro, whose identity  
at that time was not known, but  
who has since been arrested, is re-  
garded as in a very precarious  
condition at the hospital, and it  
is said, has small chance of re-  
covery.

Policeman Thompson was called  
to the home of a woman where  
a disturbance was being raised, it  
being alleged that two negroes  
had broken into the house. As  
the policeman approached the  
house one of the men fired at the  
officer, who quickly returned the  
fire. Mr. Thompson was struck  
in the breast, the bullet penetra-  
ting the left lung and imbedded  
itself near the heart.

The negro ran and a fellow  
officer who heard the shooting,  
came up and notified headquar-  
ters.

This morning a negro named  
Beatty was arrested as he was  
about to board an out-going train  
at Hilton bridge. He attempted  
to take the billy and pistol away  
from the officer who arrested him  
and who was forced to shoot him.  
It was found that the negro was  
wounded in the knee from a bullet  
claimed to be from Officer  
Thompson's revolver the night be-  
fore.

Feeling is running high against  
the negro who was taken to jail  
after his wounds were dressed and  
should the officer die it is also-  
gether likely that there would be  
a serious demonstration.

A thousand tongues could not  
express the gratitude of Mrs. J. E.  
Cox, of Joliet, Ill. for her won-  
derful deliverance from an awful  
fate. "Typhoid pneumonia had  
left me with a dreadful cough, she  
writes. "Sometimes I had such  
awful coughing spells I thought I  
would die. I could get no help  
from doctor's treatment or other  
medicines till I used Dr. King's  
New Discovery. But I owe my

Washington, May 9.—Cipriano  
Castro, ex President of Venezuela,  
the man who defied all the world  
powers and turned their ministers  
out of his capital, probably has  
come to the end of his activities.

advice he is lying very ill at Ten-  
eriffe, where he had taken up his

# Before Allowing an Operation

Please Read These Two Letters.

The following letter from Mrs. Orville Rock will prove how unwise  
it is for women to submit to the dangers of a surgical operation when it  
may be avoided by taking Lydia E. Pinkham's Vegetable Compound.  
She was four weeks in the hospital and came home suffering  
worse than before. Then after all that suffering Lydia E. Pink-  
ham's Vegetable Compound restored her health.

HERE IS HER OWN STATEMENT.  
Paw Paw, Mich.—"Two years ago I suffered  
very severely with a displacement—I could not  
be on my feet for a long time. My physician  
treated me for several months without much re-  
lief, and at last sent me to Ann Arbor for an op-  
eration. I was there four weeks and came home  
suffering worse than before. My mother advised  
me to try Lydia E. Pinkham's Vegetable Com-  
pound, and I did. To-day I am well and strong  
and do all my own housework. I owe my health  
to Lydia E. Pinkham's Vegetable Compound and  
advise every woman who is afflicted with any  
female complaint to try it."—Mrs. ORVILLE ROCK,  
R. R. No. 5, Paw Paw, Mich.

"THERE NEVER WAS A WORSE CASE."  
Rockport, Ind.—"There never was a worse case of women's ill  
than mine, and I cannot begin to tell you what I suffered. For over  
two years I was not able to do anything. I was in bed for a month  
and the doctor said nothing but an operation would cure me. My  
father suggested Lydia E. Pinkham's Vegetable Compound; so to  
please him I took it, and I improved wonderfully, so I am able to  
travel, ride horseback, take long rides and never feel any ill effects  
from it. I can only ask other suffering women to give Lydia E. Pink-  
ham's Vegetable Compound a trial before submitting to an operation."  
—Mrs. MARGARET MEREDITH, R. F. D. No. 3, Rockport, Ind.

We will pay a handsome reward to any person who will prove to us  
that these letters are not genuine and truthful—or that either of these  
women were paid in any way for their testimonials, or that the origi-  
nal letter from each did not come to us entirely unsolicited.  
For 30 years Lydia E. Pinkham's Vegetable  
Compound has been the standard remedy for fe-  
male ill. No one sick with woman's ailments  
does justice to herself who will not try this fa-  
mous medicine, made from roots and herbs, it  
has restored so many suffering women to health.  
Write to LYDIA E. PINKHAM MEDICINE CO.  
(CONFIDENTIAL) LYNN, MASS., for advice.  
Your letter will be opened, read and answered  
by a woman and held in strict confidence.

RESULTS THAT REMAIN.  
Are Appreciated by Salisbury People.  
Thousands who suffer from  
backache and kidney complaint  
have tried one remedy after an-  
other, finding only temporary ben-  
efit. This is discouraging, but  
there is one kidney medicine that  
has earned a reputation for last-  
ing results and there is plenty of  
proof of its merit right here in  
Salisbury.

Here is the testimony of one  
who used Doan's Kidney Pills  
years ago, and now makes his tes-  
timony even stronger.  
M. M. Williams, 180 Chestnut  
St., Salisbury, N. C., says:  
"The testimonial I gave in 1908,  
recommending Doan's Kidney  
Pills still holds good. They are  
the finest remedy I ever used I  
suffered a great deal from back-  
ache and pain across my kidneys.  
Sometimes I had dull headaches  
and felt tired. I noticed that the  
kidney secretions were unnatural  
and I finally went to J. W. Mc-  
Pherson & Co.'s Drug Store and  
got Doan's Kidney Pills. After  
taking the contents of several  
boxes I felt better in every way.  
I hope other kidney sufferers will  
try this excellent remedy."

cents Foster-Milburn Co., Buffalo,
