

THE CAROLINA WATCHMAN

SHORT LOCAL ITEMS

M. N. Hoyle has sold his property in Spencer and moved his family to Thomasville.

Engine No. 1218, which engineer Busch was driving when killed at Greensboro recently, has been repaired at Spencer and resumed its run.

The Salisbury Band has taken the fatal step. They have engaged to have a "sacred" concert at Fulton Heights on Sunday. We have yet to see the thing succeed that got the money making on Sunday. The band deserves encouragement in all its efforts except this.

Rev. J. C. Rowe, D. D., presiding elder of the Salisbury district of the M. E. church, left yesterday for a sojourn in the western part of the state and will be absent for several weeks. This is Doctor Rowe's first vacation in 85 years. Dr. Rowe has been presiding elder of the Salisbury district for four years and his many friends regret that he will be missed by the next conference.

A. B. Salubry has accepted an invitation to address the Barrens of Charlotte on Sunday evening, August 11th.

There is to be a meeting at the court house tonight for the purpose of organizing a good roads association.

John Henderlite, the young man who lost a hand last week while about a steam shovel, is improving and will soon be out, but minus his hand.

The Gold Hill Township Sunday School Association will meet at Bethany church, Crosscut, Friday, August 16th. A splendid program has been arranged for the occasion.

The Board of Aldermen contemplate purchasing an auto fire truck for use in connection with the present fire equipment of the city. We doubt the need and the practicability for such a machine, but take it that the aldermen know what they are doing.

The members of the Salisbury Lodge of Elks held their annual barbecue at the fair grounds yesterday afternoon.

A. H. Price, Esq., has let the contract to J. D. Brown for the erection of a \$5,000 residence on West Liberty Street.

An effort is being made to have the aldermen extend the city water to the fair grounds in order that the old fields out that way can be sold for city lots at a good price.

A cottage on South Church street, belonging to J. A. Rendle, was considerably damaged by fire Thursday. It was occupied by Thomas Smith, a portion of whose furniture was also destroyed.

F. L. Robbins and H. O. Daggett have formed a partnership to be known as Robbins & Daggett. They will be the agents of a number of high class manufacturers and will deal in machinery, supplies of all kinds and produce. Their office is to be in the Grubb building.

The city is doing some splendid work on South Ellis Street, the new gas mains recently put down having been lowered, the old four inch water main is being lowered, curbing is being placed on each side and when the grading is complete, tarvia is to be put down. This will make South Ellis one of the finest residential streets in the city.

Home Coming Day at Coddie Creek.
Invitations have been received by a number of Salisburyans to a big home coming celebration which is to be held at Coddie Creek Academy on Wednesday, August 7th. The committee in charge of arrangements is W. F. Smith, Ralph Alexander and J. L. Ross.

Coddie Creek is in the upper end of Cabarrus, where the three counties of Cabarrus, Rowan and Iredell join.

Among the speakers on the program, is F. G. Furr, Esq. of this city who will make an address on "Coddie Creek, Her Farmers and Business Men."

Memorials to Dr. Murdoch Postponed.
The memorial services to the memory of Rev. F. J. Murdoch, D. D., for many years the beloved pastor of St. Luke's Episcopal church in this city, which were set to be held yesterday and today and have been postponed indefinitely on account of the illness in Charlotte of Bishop Joseph B. Cheshire, who is to take a prominent part in the exercises. Three of these services are to be held, one at St. Matthew's Episcopal church in the county, one at St. Paul's, on Chestnut Hill, and one at the old Harrison residence on Chestnut Hill, where the splendid brick structure is to be dedicated as the Murdoch mission house.

These services, when held, will be simple and impressive, and will be attended by many citizens of Salisbury and Spencer, who loved Dr. Murdoch and held him in high esteem.

Salisbury's Chance to Secure a Competitive Railway.

The High Point Enterprise has the following which is of special interest to Salisburyans as the promoters are owners of the street railway, electric and gas plant in this city:

"The W. N. Coler Co., Engineering department of which John Nichol is in charge, today closed the contract for the construction of seven miles of railroad from Denton to High Rock, a station on the Southbound railroad, whereby both Denton and Thomasville get a direct connection with the great Southbound system.

The contract was awarded to C. M. Lane & Co., contractors of Atlanta, the amount of contract being around \$100,000, work to commence in ten days and to be completed by January 1, 1913.

This is a great forward impetus given to our neighbor, Thomasville, who is to be congratulated on securing the new railroad service."

Now if Salisbury would get busy and connect with these roads at High Rock she could easily obtain that which she has wanted and needed for many years, a competitive railway.

Aray Clan to Gather.
Throughout the German, Dutch and Scotch section of central Pennsylvania the great annual gatherings are the family re-unions. The fever has struck Rowan lately and we are glad for many reasons. The gatherings socially are pleasant, you learn to know your own people, the addresses are always helpful, your family pride is increased and you can make it one of the best days of the year.

The Arays are the last to get this good habit. In 1759, Peter Aray, a Scotchman, settled near Union church, five miles east of town, and at this church on Thursday, August 29th, they will gather, picnic, vociferate, organize and generally have a day of good cheer.

The Aray descendants in this state are chiefly in Stanley, Cabarrus, Mecklenburg, Iredell, Catawba and Davidson, and paper notices will be appreciated. The program will be issued later, but it is known that among those who will speak will be Rev. Gilbert T. Rowe and Dr. C. W. Rowe, Charlotte; Mrs. A. M. Fry, Bryson City; Prof. L. H. Rothrock, Salisbury; D. T. Aray, Salisbury; Prof. C. E. Phillips, Hertford, N. C.; H. B. Rowe, Esq., New York.

A Pleasant Day at Salem Church.
The missionary exercises at Salem church in Locke Township, which took place Friday, proved to be a very pleasant affair. Rev. V. Y. Boser of Lexington, and Rev. Kester of Chestnut Hill and Rev. Parker made missionary addresses and the children rendered appropriate exercises. A mission ary quilt was auctioned off and brought \$8.50, J. B. Lingle being the purchaser. At noon a splendid dinner, such as the good people of that neighborhood know how to prepare, was served.

Rev. L. W. Sifford, of Salisbury, Mo., son of Edward Sifford, will preach in Salem Church Sunday, August 11th.

SALISBURY PROOF.

Should Convince Every Salisbury Reader.

The frank statement of a neighbor, telling the merits of a remedy,

Bids you pause and believe. The same endorsement by some stranger far away commands no belief at all. Here's a Salisbury case.

A Salisbury citizen testifies. Road and be convinced. Mrs J. H. Pence, East Liberty and Boundary streets, Salisbury, N. C., says: We have used Doan's Kidney Pills in the family and have found them beneficial. I am always ready to praise this remedy. My little girl suffered from weak kidneys. She had no control over the passage of the secretions. Her health failed and she was in a miserable condition. Finally we gave her Doan's Kidney Pills and they strengthened her kidneys and made her well.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan—and take no other.

SAVED FROM AN OPERATION
How Mrs. Reed of Peoria, Ill., Escaped The Surgeon's Knife.

Peoria, Ill.—"I wish to let every one know what Lydia E. Pinkham's Vegetable Compound has done for me. For two years I suffered. The doctor said I had a tumor and the only remedy was the surgeon's knife. My mother bought me Lydia E. Pinkham's Vegetable Compound, and today I am a well and healthy woman. For months I suffered from inflammation, and your Sensitive Wash relieved me. I am glad to tell anyone what your medicine has done for me. You can use my testimonial in any way you wish, and I will be glad to answer letters."—Mrs. CHRISTINA REED, 105 Mount St., Peoria, Ill.

Mrs. Lynch Also Avoided Operation.
Jessup, Pa.—"After the birth of my fourth child, I had severe organic inflammation. I would have such terrible pains that it did not seem as though I could stand it. This kept up for three months, until two doctors decided that an operation was needed. Then one of my friends recommended Lydia E. Pinkham's Vegetable Compound and after taking it for two months I was a well woman."—Mrs. JOSEPH A. LYNCH, Jessup, Pa.

Women who suffer from female ills should try Lydia E. Pinkham's Vegetable Compound, one of the most successful remedies the world has ever known, before submitting to a surgical operation.
