YOU CAN ALWAYS TELL A CHEAP PIANO BY THE METHODS USED IN SELLING IT

Pianos sold by agents begging to place them in your home on trial or to save storage or forcing them in your home without your consent.

"Coupon Schemes," "Guessing schemes," "Club schemes," "Special Sale schemes," "Introductory Sale schemes," are fake methods pure and simple, for unloading pianos on people who don't realize the difference between a fine piano and a cheap one, and don't know that high-grade pianos are not sold through fake schemes. You had better call on the old reliable firm of Chas. M. Stieff, before buying.
