

THE CAROLINA WATCHMAN.

Published every Wednesday at
120 West Jones Street.

bury, N. C., under the act of Congress
of March 3rd, 1879.

SALISBURY, N. C., Aug. 7th, 1912

A party man is the polite name
for a sewer rat.

If the Democratic party of
Rowan County has committed one
single Democratic act during the
last ten years we cannot recall it.

If Woodrow Wilson is opposed to
the indiscriminate dumping of
foreigners on our shores, so much
the better for Wilson.

The senatorial candidates have
recently been discussing "Who
is a Democrat?" It seems to us
the more important question,
"What is a Democrat?" needs to
be touched on occasionally.

The county commissioners
worked off another piece of dem-
agoguery at this week's meeting.
They refused to do anything for
the farm demonstration work, but
now desire to go on record as fa-
voring it, but merely recommend
it to the next board. In other
words if you are in the mire up to
your chin just stay there till the
next fellow comes along, we will
recommend that he aid you. Yes
we surely do favor the project.
Now stay there, be good and vote
another set of the same kind in-
office this fall.

Well the defeated county com-
missioners have decided now to
have the new court house built of
Rowan granite for \$11,700 addi-
tional. About everybody sup-
posed that was included in the
original agreement and conse-
quently are somewhat surprised to
learn of this additional expense.
Probably this is not all. Who
knows to what other costly addi-
tions their fancy may turn? The
conduct of these commissioners in
the court house matter is the
most outrageous treatment to
which the good people of Rowan
have ever been subjected, not even
the tyranny of reconstruction
carpet baggers dared to do worse.
All respect for the people's wishes
has been cast off, all idea of obe-
dience to the people's right to
be trampled under foot, and little
petty tyranny, usurpation and
abuse of authority, and autoa-
tic demagoguery has been set up
in its place. In short it is a case
of "the people to be damned."
Their conduct toward the people
would put a purse-snatcher to
shame. They have deliberately
and maliciously betrayed the con-
fidence reposed in them by the
people. There is nothing Demo-
cratic about such conduct but the
Democratic party is responsible
for these men's actions and the
only recourse the people have is
to put that party out of business
as were the carpet baggers
put out in the seventies. Decent
people can't belong to a corrupt
party, nor will they be satisfied
with anything less than upright-
ness in office. The good people of
Rowan deserve the best there is
and they should insist upon nothing
less.

Roosevelt and Johnson

Chicago, August 6.—The event
of today which overshadowed the
minor happenings in and around
the convention of Colonel Roose-
velt's National Progressive party
was the speech of the Colonel.
Some delegates feared a clash
over the ruling of the credential
committee which put the steam
roller to Southern negro dele-
gates. The first session of the
convention, however, was smooth
enough, there being practically
no friction, the only matter to
cause apprehension being the
matter above referred to.

Chicago, August 6.—The con-
vention was called to order by
Senator Beveridge at 2:35 central
time. Colonel Roosevelt's speech
being the main feature of the day's
program.

INCREASING COST OF COURT HOUSE.

County Commissioners Laying It on by the
Thousands. Just how many more the
costs are to be added. No one knows.

The board of Rowan county
commissioners held their regular
monthly meeting Monday and
were in session the entire day.
The members present were Chair-
man Beard, Deal, Barber, Mc-
Cannless and Hartman.

Superintendent Carter of chain
gang No. 1, reported 20 convicts
in his squad, 8 white and 17 col-
ored. Superintendent Thompson
of gang No. 2 reported 15 con-
victs, 8 white and 12 colored.

Mrs. Patterson, superintendent
of the county home, reported 15
inmates, 11 white and 4 colored.
Dr. Currie, acting superinten-
dent of health, reported the health
of all the county subjects as be-
ing good.

Sheriff McKenzie reported that
he had collected \$806.61 in taxes
since making his settlement with
the board and that he had col-
lected \$9.68 of 1910 taxes. A. M.
Rice reported that he had collect-
ed \$79.512.79.

It was ordered that a bridge be
built across the Buffalo creek be-
yond Enochville. Superinten-
dent Overcash agreed to raise \$25
for this purpose and Bridge Com-
missioner J. F. Robinson agreed to
build the bridge for this amount.

It was ordered that chain gang
No. 2 work on Ellis street within
the city limits of Salisbury for a
period of two weeks. This is the
streets on which larger gas and
water pipes are now being laid
and which is to be graded and
put down in tarvin.

It was ordered that the Landis
and Cold water road be maintain-
ed by the boardmen for a period
of seven years and that the county
be held blameless for that time in
regard to this road.

The most important matter dis-
posed of by the board was in re-
gard to the court house and it
was ordered that the proposition
of the W. W. King Lumber Co.,
which has the contract to build
the new court house, pay \$5 per
thousand for old brick taken
from the old jail and which may
be allowed used in the new court
house by the architect of the same.
The board also agreed to sell
this company the old lumber from
the old prison, the same to be
used in the erection of scaffold-
ing, sheds and the like. It was
decided by the board to erect the
new court house of Rowan county
granite and that the contract of
the King Lumber Company to
furnish this for \$11,700 addi-
tional to follow the plans and speci-
fications of the architect of the
building, be accepted.

County Surveyor C. M. Miller
was ordered to survey the exten-
sion of the Landis Water road.
The Peeler Grain & Provision
Co. was awarded the contract to
furnish supplies to the convict
camps for the month of August.

The board ordered that the
county pay half of all fees and
cost in cases where parties are
sent to the roads.

The board went on record as
favoring farm demonstration
work and passed a resolution re-
commending the same to the in-
coming board of county com-
missioners.

A petition was read from Capt.
Richard Henderson asking that
the Public Service Company be
required to place its track in the
center of the street on the North
Main street extension. The
same is now laid on the east side
of the same and the petitioners
allege that it is damaging to
property on that side of the
street. It is stated that the
track was put on the side when
the line was built to avoid tear-
ing up the macadam which at
that time had just been put down.
This track is to be lowered and
new ties put in and the petitioners
states that the additional cost to
place it in the center of the street
would be small.

Tax assessors were appointed as
follows:
China Grove, J. B. G. Odnight.
Atwell, J. L. Fleming for the
upper section of the township and
H. H. Overcash for the lower sec-
tion.

Cleveland, William Moore,
Franklin, H. O. Kenerly.
Gold Hill, M. A. Holshouser.
Litcher, J. W. Shanck.
Locke, B. W. Canble.
Morgan, William Poole.
Mt. Ulla, C. E. Barger.
Providence, A. L. Iyerly.
Booth Irish, Columbus Mc-
Cubbins.
Steele, George Houck.
Unity, D. L. Neal.
Salisbury, H. O. Kenerly.

School Re-Union and Picnic.

J. J. Bostian, who has taught
school consecutively for the past
twenty-five years, desires a re-
union of his former pupils and
proposes that all who can meet at
the Lips & Honck gin on Tuesday,
August 20th, with well filled bas-
kets. Prof. R. G. Kizer, county
superintendent of public instruc-
tion, and others, will address the
crowd. Music will be furnished
by a string band. A good time is
expected and everybody is invited.

DEATHS.

Mrs. W. I. Maynard, of Salis-
bury who has been suffering with
pelagra for some months, died at
the home of her mother-in-law, in
Alamance county several days
ago. Her remains were taken
to Greensboro, her old home,
for interment. She leaves a
husband, two children, a
mother, six sisters and three
brothers. She was a splendid
young woman and had made
quite a number of friends while
residing here.

Archie Deal, the 17-year old
son of Mr. and Mrs. E. P. Deal,
of Spencer, who had just returned
from the A. and M. College,
Raleigh, was taken down with
fever and died Sunday night.
The funeral service was held at
the residence of his parents
Monday evening, Rev. Geo. H.
Oxley, pastor of the Spencer
Lutheran church, officiating, and
the interment was in Chestnut
Hill cemetery. The parents, one
sister, Miss Winnie, and four
brothers survive.

Floyd, the infant son of Mr.
and Mrs. Geo. L. Hathcock,
died at the home of Mrs. Walter
Cornelison, on North Main street,
Monday morning. The funeral
was held yesterday. Mrs. Hath-
cock, who is visiting her sister,
Mrs. Cornelison, is very ill and
her death is expected within a
few days.

Elsie Madelyn, daughter of Mr.
and Mrs. J. H. Jones, who live at
527 E. Henderson Street, died
last night from the effects of
cholera infantum. It was just
two days over one year old. The
funeral will take place from the
house this evening and the inter-
ment will be in Chestnut Hill
cemetery.

R. M. Marks, a car inspector in
the employ of the Southern Rail-
way, died quite unexpectedly
Monday night about 11:30 o'clock
falling in the street and expiring
almost immediately. Mr. Marks
was going home, walking down
North Main street, and when in
front of the home of Walter Cor-
nelison, he stepped in the yard
and was invited to come in and
have a seat. He did so, but had
several severe coughing spells and
made several attempts to go
home. He finally got to the gate
when he was attacked with a ter-
rible hemorrhage. He bled con-
siderably, fell on the sidewalk
and died before relief could be
given him. He was about 40
years old and leaves a ten year old
daughter. His wife died last
week and in the house lay the
body of Mrs. Hathcock's child
that had died earlier in the day.
The remains of Mr. Marks were
taken to the home of Daniel
Freez, 424 West Cemetery Street,
from which place the funeral was
conducted this morning, Rev. O.
B. Heller, pastor of the Spencer
and Chestnut Hill Churches, offi-
ciating. The Railway Carmen,
of which he was a member, acted
as pall bearers and the interment
was in Chestnut Hill Cemetery.
He was a son-in-law of Jas M.
Bostian of China Grove.

The Coast Artillery in Camp.

Sunday night the 4th Company
Coast Artillery of Salisbury left
for Fort Caswell and were joined
on route by several other com-
panies. When the six companies of
the Coast Artillery Corps, North
Carolina National Guard, arrived
at Wilmington they went to Fort
Caswell Tuesday for the annual
encampment, which begins im-
mediately upon arrival and continues
for ten days. The companies of
the corps are Charlotte, Salisbury,
Greensboro, Henderson, New
Bern and Wilmington. The bat-
talion is commanded by Lt. Col.
Max L. Barker, of Salisbury.
The corps will work under the di-
rection of the regulars at the fort
and for the first few days of the
camp the regulars will drill the
boys in the handling of the big
guns, etc., but on the last two
days the boys will be expected to
operate the guns themselves in a
way that would prove creditable
to the regulars.

CHRISTIANNIA.

August 5.—The joint-council
of Willenburgh and St. Mark
met in session with and at Chris-
tiana last Sunday and unani-
mously decided to continue the
much desired and valuable ser-
vice of Rev. R. R. Sowers for an-
other year. We think the coun-
cil was very fortunate in being
able to secure the labors of such a
fine preacher.

On the 4th Sunday of August
there will be an interesting occa-
sion, a big time and an all-day
service at St. Luke's Reformed
church near here. Rev. W. H.
Cauley, of Faith, will preach in
the morning and administer the
sacrament of the Lord's Supper.
In the afternoon there will be a
regular children's day service,
and Rev. Cauley and Dr. Traxler
will deliver interesting addresses
on some important subject. All
the Sunday School workers as
well as many friends from the
surrounding churches are cordi-
ally invited.

TRUTHFUL REPORTS.

Salisbury Reads Them With Uncommon
Interest.

A Salisbury citizen tells his ex-
perience in the following state-
ment. No better evidence than
this can be had. The truthful re-
ports of friends and neighbors is
the best proof in the world.
Read and be convinced.

J. O. Williams, 311 N. Long St.
Salisbury, N. C., says: I recom-
mend Doan's Kidney Pills as
highly today as I did in 1908.
My kidneys were disordered and I
suffered from pains through my
back. The use of Doan's Kidney
Pills, procured at J. W. McPherson
& Co's. Drug Store gave me
complete relief.

The above statement must carry
conviction to the mind of every
reader. Don't simply ask for a
kidney remedy—ask distinctly for
Doan's Kidney Pills, the same
that Mr. Williams had—the rem-
edy backed by home testimony.

Mrs. Luther Lyerly, of Granite
Quarry, has been critically ill for
some time and is but little better
at this writing. His many friends
are anxious to see a change for
the better.

One of A. L. S. Fisher's little
boys was seriously scalded some
time since by accident, and while
the child is much better, he is
still suffering considerably from
one of the wounds.

Funeral Preached by a Woman.

The funeral of John S.
Harkey, of Spencer, who was
accidentally killed by a trac-
tion engine running into a
ditch near Spencer June 20th
was preached by Mrs. G. A.
B. Holderby, of East Spencer,
at Friendship, Stanly county,
Sunday afternoon. Mrs.
Holderby is an ordained min-
ister and before her marriage to
Rev. G. A. B. Holderby, pastor
of East Spencer Methodist
church was in the in-
fantant ministry. She is a
preacher of exceptional abili-
ty and it was the request of
the family of the dead man
that she preach the funeral.
It is said that the largest
crowd ever assembled at
Friendship heard the dis-
course Sunday afternoon and
that it was one of the best
sermons ever heard in that
section. A number went
from Spencer to hear the
eulogy.
