### The Rowan County S. C. Convention Wi THE SECRET OF LONG LIFE.

Do not sap the springs of life by neglect of the human mechanism, by allowing accumulation of poisons in the system. An imitation of Nature's method of toring waste of tissue and impoverishment of the blood and nervous strength is to take an alterative glyceric extract (without alcohol) of Golden Seal and O grape root, Bloodroot, Stone and Mandrake root with Cherrybark. Over 40 years grape root, Bloodroot, Stone and Mandrake root with Cherrybark. Over 49 years ago Dr. Pierce gave to the public this remedy, which he called Dr. Pierce's Golden Medical Discovery. He found it would help the blood in taking up the proper ele-ments from food, help the liver into activity, thereby throwing out the poisons from the blood and vitalizing the whole system as well as alloying and soothing a cough. No one ever takes cold unless constipated, or exhausted, and having what we call mal-nutrition, which is attended with impoverished blood

and exhaustion of nerve force. The "Discovery" is an allround tonic which restores tone to the blood, nerves and heart by imitating Nature's methods of restoring waste of tissue, and feeding the nerves, heart and lungs on rich red blood.

"I suffered from pain under my right shoulder blade also a very severe cough," writes MRS. W. DORM, of New Brookland, S. C. to Dr. R. V. Pierce, Buffalo, N. Y. "Had four different doctors and nons did me any good. Some said I had consumption, others said I would have to have an operation. I was bedridden, unable to sit up for six months —and was nothing but a live skeleton. You advised me to take Dr. Pierce's Golden Medical Discovery and Dr. Pierce's Pleasant Pellets. When I had taken one bottle of the 'Discovery' I could alt up for an hour at a time, and when I had taken three bottles I could do my cooking and tend to the children. I took fourteen bottles in all and was then in good health. My weight is now 167 pounds.
