DUNN'S MOUNTAIN.

This section is needing rain badly. Corn and cotton will be out short.

Since we have such a fine road out this way, joy riders come out to our villa nearly every day in their autos.

O. L. Kesler is remodeling his house for his son, Henry, who will move onto Mr. Kesler's farm this fall.

Mrs. M. J. Cauble visited her daughter, Mrs. E. E. Proctor, of Salisbury, last week.

The school committee of Dunn's Mountain School, District No. 8, would be glad to hear from some young man who desires to teach this winter.

Thos. O. Eller, who was indisposed for a few days, we are glad to note is in his usual good spirits.

There must be a lot of building going on some where for there are several wagons that go up our road almost daily loaded with lumber.

We had the pleasure of meeting Brother Lee a few days ago. Had quite a chat with him, but would like to hear from our old haunts via Gold Knob items.

H. F. Morgan paid us a flying visit a few days since. Come again and stay longer.

Our friend J. O. Light ool'ared us a short time ago in Salisbury. Come in said he and lets go up on the skyscraper. Well, we did not fancy going up so many steps but we went. Our friend led us up to an iron cage. We got in and then we began to rise in the world. The higher we got the farther we got from home. We got out at last and looked around.

We have heard of people being looked down on. Well we had the opportunity of looking down on a whole lot of people, on the street. A fine view is to be had of the country for miles around. We have been up some high in our time but that time we went higher than we ever did in Salisbury. Any one wishing to see the world or a part of it just get our friend Carson to pilot you around and enjoy life while you are still living.

A short time since a couple of men drove down our road, (Stokes' Ferry.) They drove a horse that was on its last legs, as will be seen. These men come down the hill at the mountain full tilt. When near C. L. Kesler's one of the men got out and whipped the horse, while the other staid in the buggy and beat. The horse finally moved off in a slow trot, then struck a weary gallop, farther down the men used rocks on the poor beast. Finally they got to Walter Agner's and put the horse up, as it could go no farther. The horse died some time during the night. This seems to us a case for the S. P. A. C. or the grand jury, at any rate these men deserve to be punished for their cruelty to dumb brutes. These men we learn live near the river or across it. Be that as it may, these men deserve their reward.

FAITH.

September 5.—A big nice new up-to-date drug store is being put in shape for business over at Granite Quarry, known as the Brown Drug Co. They have just put in a \$650 fountain. That town is growing as well as Faith.

Some so-called Sanctified preacher has a big tent up at Granite Quarry and is preaching day and night there this week.

Paving block makers continue to come to Faith to make paving blocks.

Several people are sending 15 cents to J. T. Wyatt, Salisbury, N. C., R. F. D. No. 8, for a picture of the Daniel Boone monument that was made like an Indian arrow head and shows eight little children dressed in Indian clothes to represent the Indians. This monument was unveiled before hundreds of people about three years ago in Davidson county, N. C., and is a very interesting picture.

ACKNOWLEDGE IT.

Salisbury Has to Bow to the Inevitable. Scores of Citizens Prove It.

After reading the public statement of this representative citizen of Salisbury given below, you must come to this conclusion: A remedy which proved so beneficial years ago with the kidneys, can naturally be expected to perform the same work in similar cases. Read this:

J. B. Collins, 608 South Church St., Salisbury, N. C., says: I have great faith in Doan's Kidney Pills. I have used them on different occasions for several years. I was a sufferer from weak kidneys and was caused much worry over my condition. I finally began using Doan's Kidney Pills and they strengthened my kidneys and toned up my system. I have no hesitation in recommending this remedy to others. (Statement given January 10, 1908)

RE-ENDORSEMENT.

On March 2, 1912, Mr. Collins added: "I can recommend Doan's Kidney Pills as highly as ever. I am glad to confirm the public statement I gave some years ago praising this remedy."

Remember the name, Doan's, and take no other.

It's Strange

that people of refinement and in many cases people of means are fooled into buying the cheapest kind of pianos at an unreasonably big price considering the grade of the piano, through the practice of misleading schemes.

The time honored firm of

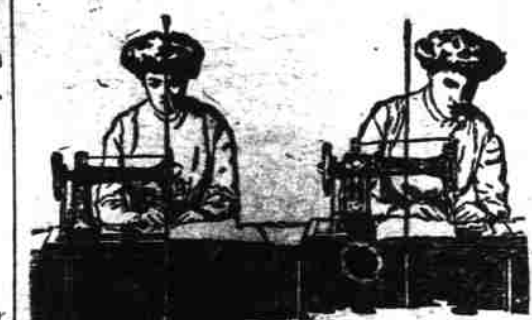

Chas. M. Stieff

has never advocated the sale of cheap pianos nor allowed unbusiness-like methods to enter their business calculated to mislead their patrons.

Our motto is to sell pianos at a price that represents actual value and thereby give the public a square deal.
