

ROYAL BAKING POWDER

Adds Healthful Qualities to the Food

Prof. Prescott, of the University of Michigan, testified before the Pure Food Committee of Congress, that the acid of grapes held highest rank as an article of food and he regarded the results from baking with cream of tartar baking powder as favorable to health.

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, O.

Sold by Druggists, 75¢.

It is no more personal to say a man is a thief than it is to say he is a gentleman. It is a question of veracity.

The blind tigers of the community have got to skido and if the county democracy wants to swing to their tails it is welcome to the job.

In making up your mind how to vote don't forget the court house scandal. Don't forget the Democratic commissioners are now furnishing the granite for this building and that the party they represent is responsible for their conduct and for the laws permitting them to thus fleece the people and spit on their rights.

That court house deal is a stench in the nostrils of all decent people. Every week some fresh evidence comes forth that leads one to believe the entire scheme to have been one to filch dollars from the tax-payers of the county. The Democratic commissioners, without one word of protest on the part of any democratic can-

didate now canvassing the county, have deliberately violated every tenet of Democracy, scoffed at the rights of the people and are growing fat at the flesh pots. Yet with this terrible stench constantly before us men have been going over the county making "good old time Democratic speeches" with no promises of any improvement in conditions. Can the degradation of popular, decent government be greater?

THE WATCHMAN hastens to compliment Judge B. B. Miller of the county court, for ordering warrants for those who have paid the federal tax and are conducting so called social clubs, but in reality blind tigers, in our midst. Here is hoping the Judge will be able to accomplish some real benefit to the community, although he has a single handed fight. If there is a county officer in sympathy with him we are unable to name that man, in fact, the sheriff and solicitor have been so slothful in the performance of their duties, except when there was a fee in sight, and intimate with the keepers of these dives, it would not be surprising to hear of them actually opposing the move. We understand the warrants have not as yet been served and that some delay may be expected.

WHY Clark Will Be Senator

Judge Walter Clark has the best chance to be chosen Senator in the Primary because:

1. He is pledged to earnestly contend for an amendment to the Interstate Commerce Law that will PREVENT the discrimination against North Carolina in freight rates which now costs the farmers and merchants of this State \$10,000,000 a year.
2. He is pledged to contend for and expects to succeed in having returned annually in pensions to Confederate Soldiers and widows for them to spend, the \$5,000,000 which this State is sending as a war contribution to pay pensions to Federal Soldiers.
3. He is pledged to earnestly urge the repeal of the 8 cent tax on tobacco which will give the farmers 8 cents additional on every pound of tobacco they sell which the manufacturer has to take off for Government tax. This will also destroy the Trust by leaving every farmer or neighborhood free to manufacture tobacco. It will save the farmers of North Carolina \$7,000,000 a year.
4. He will advocate Land Banks as in Germany and other countries by which the Government will loan money to the farmers, small merchants, and working men at low rates of interest. The Government now furnishes the National Banks with their money without charging interest. Why should it not furnish the farmers, merchants and working men money at low rate of interest as in Germany?
5. Messrs. Simmons and Kitchin have each served twelve years in Congress and have done nothing about any of these things. They do not even promise to do anything now if elected.
6. He will advocate a graduated income and inheritance tax by which the multimillionaires will contribute heavily to the support of the Government, whereas nothing is now raised from them in that way.

The friends of Judge Walter Clark and his enemies alike, know that he can be relied upon after election to urge these measures as strenuously as he does now.

Vote Your Convictions.

Recently M. C. Quinn, of the Salisbury board of alderman, offered a resolution requiring all the social clubs of the city to give a bond guaranteeing that they would not violate the law. This resolution was tabled by a vote of seven to one, Mr. Quinn being the only one voting for it. This means all but one of our aldermen are willing for the blind tigers to violate the law, notwithstanding they took an oath to see that it was not done. Two of these men who object to the observance of law are candidates for office on the Democratic County ticket. They are J. C. Keeler, who wants to be county treasurer, and H. O. Trotter, who wants to be chairman of the board of county commissioners. What kind of treatment have the people received at the hands of the present chairman of county commissioners? Will a man who does not regard his oath and objects to the enforcement of law do any better? Can the people of Rowan afford to trust their affairs in such hands?

Respectfully request my friends to give me their orders for genuine Rogers Silverware, Christmas goods and useful novelties. I represent one of the largest and most reliable houses in the United States which guarantees all goods. Address me at city postoffice. Will call and show samples. Sincerely, J. N. Stallings p-10-8.

Young Women

Read what Cardui did for Miss Myria Engler, of Faribault, Minn. She says: "Let me tell you how much good Cardui has done me. As a young girl, I always had to suffer so much with all kind of pain. Sometimes, I was so weak that I could hardly stand on my feet. I got a bottle of Cardui, at the drug store, and as soon as I had taken a few doses, I began to feel better. Today, I feel as well as anyone can."

TAKE CARDUI The Woman's Tonic

Are you a woman? Then you are subject to a large number of troubles and irregularities, peculiar to women, which, in time, often lead to more serious trouble. A tonic is needed to help you over the hard places, to relieve weakness, headache, and other unnecessary pains, the signs of weak nerves and over-work.

For a tonic, take Cardui, the woman's tonic. You will never regret it, for it will certainly help you. Ask your druggist about it. He knows. He sells it.
