## THE PRIMARY FOR SENATOR AND HOW IT WORKS

The right of the people of this State to nominate their Senator was demanded and driven through by Judge Walter Clark. He wished his candidacy for that office acted upon by the people instead of leaving it to the machine process of the Legislature. The Primary gives to the majority of the people THEIR RIGHT to name THEIR representative.

The Democratic State Convention ordered two Senatorial Primaries, the first on November 5th and the second on November 26th. A majority (over one-half) of the votes cast is necessary for a nomination. The candidates in the first primary will be Judge Walter Clark, Simmons and Kitchin. If no one of these men receive a majority (over one-half) of the votes cast in the first primary, the second primary will be between the two highest. The lowest man is dropped.

**A VOTE FOR CLARK** is a vote against Simmons and against his receiving a majority in the first primary.

**A VOTE FOR CLARK** is a vote against Kitchin and against his receiving a majority in the first primary.

**A VOTE FOR CLARK** is a vote with A MAJORITY FOR CLARK in the first primary.

**You Can't Waste Your Vote.**

## WOMEN TAKE NOTICE!

A man cannot understand the torture and suffering many women endure uncomplainingly. If the majority of men suffered as much pain and endured with patience the weakening sicknesses that most women do, they would ask for immediate sympathy and look for a quick cure.

Many women have been saved from a life of misery and suffering by turning to the right remedy—Dr. Pierce's Favorite Prescription—a remedy which is safe to take because containing no narcotics, alcohol or injurious ingredients. It is a sterile extract of roots, made with pure glycerin, and first given to the public by that famous specialist in the diseases of women—Dr. R. V. Pierce, of the Invalids' Hotel and Surgical Institute of Buffalo, N. Y.

Mrs. LIZZIE M. HERSBERGER, of Lincoln, Neb., 529 "C" St., says: "I send a testimonial with much pleasure so that some suffering woman may know the true worth of your remedies. I was a great sufferer from female troubles but after taking one bottle of Dr. Pierce's Favorite Prescription, which a friend advised me to take, I found myself very much improved. After taking three more bottles, and using two boxes of Dr. Pierce's Lotion Tablets, I found myself on the road to recovery. I was in poor health for five years but now I am cured. I hope all women suffering from female weakness will give Dr. Pierce's Favorite Prescription a fair trial."

Doctor Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules.

## Like the Coffee of Paris You Can Drink It at Midnight

Try French Market Coffee on your own table—just once. Note its delicious aroma and flavor—its smoothness, its exhilaration. Drink several cups at midnight—compare it with other coffees.

### The Original French Blend

FRENCH Market Coffee is the identical old French blend, brought to New Orleans by immigrants from Paris over a hundred years ago. Tourists and travelers know it. They rarely fail to visit the old French Market, when in New Orleans, to drink cup after cup of the marvelous coffee that has made the French Market world-famous.

Until the establishment of the French Market Mills and the perfecting of the new, air-tight, hermetically-sealed package, genuine French Market Coffee could be had nowhere else.

But now we are able to place this historic blend—this delicious French coffee, in your grocer's hands, ready for your instant call.

### Unlike Ordinary Coffees

WE import direct in original bags the famous Pan-American coffees, including the famous Blue Mountain Coffee of Jamaica, the choice of Guatemala, Caracas and Bogota.

This comes in ships, through warm summer seas. No cold climates affect, injuriously, the delicate coffee

beans. The very choicest product, the fine private-estate grown coffee, is bought by the French Market Mills.

These fine coffees are correctly combined in exactly the right blend and proportion.

It takes almost twice as long to roast French Market Coffee as it does ordinary coffee.

Yet all the flavor and aroma—all the refreshing and stimulating qualities of the coffee—are retained and intensified.

### Packed in Air-Tight Tins

THUS we deliver to your grocer genuine French Market Coffee—this coffee like you get in Paris or Vienna—in all its freshness and unequaled flavor.

### Beware of Imitations

YOU will be offered "French" coffee stated to be "The same as French Market Coffee."

You must be careful to see that the picture of the old French Market, with the name "French Market Coffee," is on the label.

This is the only genuine French Market Coffee.

Try it once and you'll agree "There is only one real old French Market flavor."

"Figure it out for yourself" You carry Fire Insurance—and why? Because of the danger of sudden loss. Because it protects you against this uncertainty, although your buildings may never burn down. Do you protect them against decay—against the weather—against the dead certainty of depreciation resulting from allowing them to go unpainted. Why not? Paint Insurance is worth even more to you than Fire Insurance—yet is often sadly neglected—and you are the loser. MASTIC PAINT for 40 years has proven the "real protector" of buildings. For quality—service—economy—and beauty of finish it has no equal. Ask for color card. Sold by: AREY HARDWARE CO.
