

French Market Coffee

Has Never Been Successfully Imitated

It Cannot Be

COFFEE roasted the ordinary way is only partially roasted, according to French ideals. The French Market Coffee way is the scientific way, producing a perfect roast. Slowly—carefully—the roasting goes on until exactly the right moment arrives. The slow roast reduces about 10 per cent more weight than the ordinary roast. All excess of oil vanishes. Yet the delicate flavor and aroma is there, intensified and enhanced.

Chilled, Ground and Hermetically Sealed

DIRECT from the roasters, the coffee is chilled in a cold-air-blast machine. This chilling closes the pores of the bean, thus preventing a single breath of the entrancing aroma to escape in the vapors.

Quickly—by automatic machinery—this freshly roasted, freshly ground, freshly chilled, delicious coffee is placed in tin cans, and hermetically sealed.

So it comes to your table as perfect as when it left the roasters—untouched by human hands.

Famous for Over a Hundred Years

EVEN when French Market Coffee could be had only in the old French Market at New Orleans, over a hundred years ago, it was celebrated all over the South.

Andrew Jackson, Henry Clay and other famous men of olden times visited the French Market to enjoy the rarely delicious beverage.

But now you all may serve it daily on your own table.

For the rare old French blend has been perpetuated by the French Market Mills, and the hermetically-sealed process places genuine French Market Coffee within the reach of all.

Heavy rains are still falling and indications are that the downfall will continue several days.

Red Cross Christmas Seals.

Do you know the history of the Red Cross Seal, what it is and why it is used?

The seals are decorative stickers used in sealing Christmas packages and letters and money derived from the sale will be used in anti-tuberculosis work. Stamps or seals were first used in Norway and Sweden in 1904. After being sold in the countries for three years, Jacob Riis of New York, induced the Delaware Anti-Tuberculosis Society to combine with the State Red Cross in issuing a tuberculosis stamp. The campaign realized nearly \$8,000 and in 1908 the American Red Cross Society brought out the National Red Cross Stamp. So far nearly a million dollars has been realized. The fundamental principles upon which the seals are sold are two, first: that all money derived from the sale, after expenses have been paid, shall be devoted to anti-tuberculosis work; and second: that the money shall be spent in the locality where it is raised. The American Red Cross acts as a central supply and distribution agency. The state and local agents pay 10 per cent of their receipts which covers cost of printing and distribution of seals. From 75 to 90 per cent, according to local expenses, of the money received from the sale is spent where the seals are sold.

In Wisconsin, the entire support of the state and local work, is derived from the sale of the Red Cross Seals; in Washington, a day camp is supported; in Stockton, Calif., a small sanatorium; in Pittsburg, a large dispensary and in Buffalo, several visiting nurses.

The seals will be placed on sale December 2nd, and may be placed on the back of packages and letters. It is hoped that 800,000 seals will be sold in North Carolina this year. Salisbury will join in with the many other cities in the country in the sale of Red Cross Christmas seals, the proceeds of which go to help fight tuberculosis. Mr. Charles Price has been asked to act as chairman of a committee which will look after handling the seals and she will have associated with her a number of public spirited citizens. Eight hundred thousand of these seals have been shipped into the State and will be sent out by headquarters.

The Blind Tigers in Court.

The cases against G. W. Stacey and Rose Club, which have been postponed several times came up in the county court last week and the defendant, who is blind, through his attorney, pleaded guilty. The defendant threw himself on the mercy of the court and made an appeal for mercy. The Judge placed upon the defendant a fine of \$25 and costs in one case, the costs in another and required bond of \$500 that he would not operate, associate with or have any connection whatever with a whiskey club for 12 months. There is still another case against Stacy which had been appealed, and this will come up at the next term of Rowan Superior Court.

There was a case against the Elm Club attached for selling whiskey, the only witness being William Trexler of the county, who when found guilty several weeks ago for being drunk, designated this party as having sold him the liquor. Judgment in this case was suspended until later, and when the liquor case was called Trexler said his mind being in such condition when he bought it that he did not remember where he got it. Judge Miller placed a fine of \$100 and costs on Trexler for being drunk and contempt of court.

A number of the clubs are closed now and Judge Miller has had warrants served on them.

Taft: Five Years Single Term of Six Years

Washington, Nov. 17.—President Taft's declaration in favor of a constitutional amendment to limit the presidential tenure of office to a single term of six years with ineligibility to either a succeeding or non-consecutive term and President-elect Wilson's endorsement of the Democratic platform, favoring such a limitation, are believed here to foreshadow strong pressure for legislation along this line early in the coming Congress. Numerous measures have been introduced in both houses of Congress looking to a change in the presidential tenure. The Senate Judiciary Committee wrestled with the problem in the last session and Senator Cummins proposes to present the measures when Congress convenes. A similar amendment is hanging fire in the House Judiciary Committee.

Sick Women

When shown positive and reliable proof that a certain remedy had cured many cases of female ills, wouldn't any sensible woman conclude that the same remedy would also benefit her if suffering with the same trouble?

Here are five letters from southern women which prove the efficiency of Lydia E. Pinkham's Vegetable Compound.

LETTER FROM VIRGINIA.

Elliston, Va.—"I feel it my duty to express my thanks to you and your great medicine. I was a sufferer from female troubles and had been confined in bed over one third of my time for ten months. I could not do my housework and had fainting spells so that my husband could not leave me alone for five minutes at a time. Now I owe my health to Lydia E. Pinkham's Vegetable Compound and Blood Purifier. Whenever I see a suffering woman I want to tell her what these medicines have done for me and I will always speak a good word for them."—Mrs. ROBERT BLANKENSHIP, Elliston, Montgomery Co., Va.

LETTER FROM LOUISIANA.

New Orleans, La.—"I was passing through the Change of Life and before I took Lydia E. Pinkham's Vegetable Compound I was troubled with hot flashes, weak and dizzy feelings, backache and irregularities. I would get up in the morning feeling tired out and not fit to do anything. Since I have been taking your Compound and Blood Purifier I feel all right. Your medicines are worth their weight in gold."—Mrs. GASTON BLONDEAU, 1541 Polymonia St., New Orleans, La.

LETTER FROM FLORIDA.

Wauchula, Fla.—"Some time ago I wrote to you giving you my symptoms, headache, backache, bearing-down, and discomfort in walking, caused by female troubles. I got two bottles of Lydia E. Pinkham's Vegetable Compound and a package of Sanative Wash and that was all I used to make me a well woman. I am satisfied that if I had done like a good many women, and had not taken your remedies, I would have been a great sufferer. But I started in time with the right medicine and got well. It did not cost very much either. I feel that you are a friend to all women and I would rather use your remedies than have a doctor."—Mrs. MATTIE HONOR, Box 406, Wauchula, Florida.

LETTER FROM WEST VIRGINIA.

Martinsburg, W. Va.—"I am glad to say that Lydia E. Pinkham's Vegetable Compound has done wonders for my mother, daughter and myself. I have told dozens of people about it and my daughter says that when she hears a girl complaining with cramps, she tells her to take your Compound."—Mrs. MARY A. HOCKENBERRY, 712 N. 3rd St., Martinsburg, W. Va.

ANOTHER LETTER FROM VIRGINIA.

Newport News, Va.—"About five years ago I was troubled with such pains and bloating every month that I would have to go to bed. A friend told me to take Lydia E. Pinkham's Vegetable Compound and I soon found relief. The medicine strengthened me in every way and my doctor approved of my taking it. I will be glad if my testimony will help some one who is suffering from female weakness."—Mrs. W. J. BLAYTON, 1029 Hampton Ave., Newport News, Va.
