SALEM.
Nov. 6.—Farmers are all through with their farm work and are now busy getting their winter wood. Boys are now enjoying themselves in hunting.

C. W. Graham has a very sick boy at this time.

Docke Lingle, M. F. Bost, Bob Webb, O. W. Graham, Dock Graham, and Will Briggs have all killed hogs in the last week.

The ex postmaster of Manning will kill this two pigs about the 10th. He thinks they will tip the scales at about 100 each.

A few of the neighbors went to Aunt Jane Menius last Tuesday and got her some fire wood.

Waser Klutz killed a rabbit the other day. He will have some fresh meat.

J. B. Lingle is kept busy every Wednesday grinding corn.

Salem Church will soon be without preaching.

Jesse Saffrit and wife moved to his father's, Tom Saffrit.

White Elliott will move up on the Willie Barber place near Barber, N. C.

John Rex is the only farmer in this community that did not raise any cotton this year.

The ex-postmaster of Manning has a fine cow. Since last March he sold 302 lbs of butter from her besides what he used. This butter amounted to \$69.75. Pretty good if we do have to tie her hind feet to the joint to milk her.

Two more weeks till Christmas. Boys get your wood up and be on hand.

Dolph Cook will soon move to town to make his future home.

Charles Wise, of Sumner, will move in the Cook house.

Charles Rany has moved to town. Dos Cross has moved to town, and Henry Frasley will move in next week.

Friday is Carolina day at old Salem.

There were two days this week that the sun did not shine at all.

Thursday night it snowed. Rather warm for snow. S.

Who will ride the motorcycle home Monday?

"MUTUALS."

Warning From Insurance Commissioner. Can't Collect Claims by Law.

The State is now being flooded with circulars from "mutuals" and "interinsurers." They claim to furnish insurance at cost and in their circulars appeal to the druggists, hardware, laundry, and other different classes of business for support, and some of our citizens are being taken in. They do not give the security desired and in case of an accident they have no assets at their mercy. The contract cannot be sued on or even enforced by law.

There is no doubt but that in a large number of cases the officers of corporations in taking insurance for their companies in unlicensed companies lay themselves liable personally, not only for the taxes evaded but for the performance of the contract, and besides are indictable, as they are by law the agent of the unlicensed companies.

How can our citizens afford to entrust their insurance to those who are evading the payment of taxes to their State? If they are defrauding your State, will they not rob you, if an opportunity presents itself? In case of misfortune you will be helpless. You cannot enforce your claim, however just, by law.

Insurance Commissioner.

Furman Student Found Dead in the Woods.

Greenville, S. C., Nov. 30.—After being missed from his room at Furman College since yesterday morning the body of W. D. Watson, aged 31, a student, was found today in a patch of woods two miles from the city by a party of students, who had been scouring the territory since yesterday afternoon. Watson who has had frequent melancholy spells, is believed to have committed suicide, theory also is borne out by a note found in the dead man's clothes, which reads:

"No one else did this but me."
Watson's home was at Nixonville, in Horry county. He was a graduate of the Carolina military academy at Charleston and was taking a special course at Furman.

A MESSAGE

To Feeble Old People.

As one grows old the waste of the system becomes more rapid than repair, the organs act more slowly and less effectively than in youth, the circulation is poor, the blood thin and digestion weak.

Vinol, our delicious cod liver and iron tonic without oil, is the ideal strengthener and body-builder for old folks, for it contains the very elements needed to rebuild wasting tissues and replace weakness with strength. Vinol also fortifies the system against colds and thus prevents pneumonia.

A grandniece of Alexander Hamilton, over eighty years of age, once remarked: "Vinol is a godsend to old people. Thanks to Vinol, I have a hearty appetite, sleep soundly, feel active and well. It is the finest tonic and strength-creator I have ever used."

If Vinol fails to build up the feeble old people, and create strength, we will return your money.

"Cardui Cured Me"

For nearly ten years, at different times, Mrs. Mary Jinks of Treadway, Tenn., suffered with womanly troubles. She says: "At last, I took down and thought I would die. I could not sleep. I couldn't eat. I had pains all over. The doctors gave me up. I read that Cardui had helped so many, and I began to take it, and it cured me. Cardui saved my life! Now, I can do anything."

TAKE The CARDUI Woman's Tonic

If you are weak, tired, worn-out, or suffer from any of the pains peculiar to weak women, such as headache, backache, dragging-down feelings, pains in arm, side, hip or limbs, and other symptoms of womanly trouble, you should try Cardui, the woman's tonic. Prepared from perfectly harmless, vegetable ingredients, Cardui is the best remedy for you to use, as it can do you nothing but good. It contains no dangerous drugs. It has no bad after-effects. Ask your druggist. He sells and recommends Cardui.
