W. L. Ludwick and daughter, Oma, of Albemarle, came up Sunday to see his father, Pinkney Ludwick, who is sick.

Venus is getting better, he was up a while Sunday. 30 people came to see him Sunday. The I. O. O. T. at Granite Quarry where Venus belongs, has a nurse employed to stay with him day and night; the Jr. O. U. A. M. of Faith sent members to sit up with him as he is a member of that order, the P. O. S. of A. and the D. of L. where Venus belongs all have been very kind and other neighbors have brought in good things to eat from far and near as they knew he could not get to his boarding house. Venus always did praise Faith and has said it was one of the best places to live in the United States and that the people were the best and cleverest in all the country. Venus never knew before that he had so many kind friends and around Faith. Since he has been sick one hundred and thirty-five dollars has come in for work and paid out and he is looking for twelve hundred dollars more. Every day to come all these good people are a help to me and I am a help to them. Venus is sitting up on the side of the bed writing these few items while it is raining out doors. The doctor came last week to see me and left a lot of medicine and said my trouble was nothing but rheumatism and it would soon go away.

Miss Adaline Hall, of Salisbury, is visiting relatives at Faith today.

The ground hog says we will have six weeks of bad weather and today is one of them.

## Are You Nervous?

What makes you nervous? It is the weakness of your womanly constitution, which cannot stand the strain of the hard work you do. As a result, you break down, and ruin your entire nervous system. Don't keep this up! Take Cardui, the woman's tonic. Cardui is made from purely vegetable ingredients. It acts gently on the womanly organs, and helps them to do their proper work. It relieves pain and restores health, in a natural manner, by going to the source of the trouble and building up the bodily strength.

## TAKE CARDUI The Woman's Tonic

Mrs. Grace Fortner, of Man, W. Va., took Cardui. This is what she says about it: "I was so weak and nervous, I could not bear to have anyone near me. I had fainting spells, and I lost flesh every day. The first dose of Cardui helped me. Now, I am entirely cured of the fainting spells, and I cannot say enough for Cardui, for I know it saved my life." It is the best tonic for women. Do you suffer from any of the pains peculiar to women? Take Cardui. It will help you. Ask your druggist.
