A Hot Town for the Negro Craps Shooters

Last Thursday night the sheriff and his deputies became thirsty for Negro blood and proceeded to pick out a house where they had occasion to believe that a big "haul" could be made and they proceeded at midnight to the home of Carrie Blackwell, colored, in one of the cottages opposite the Southern express office and near the passenger station. As a result of their raid nine people, eight men and one woman, Carrie, were taken.

When the place was entered there was a mighty scrambling of feet, but the officers saw enough to convince them that the crowd were sitting in a circle on the floor gambling, playing cards. When the place was searched 29 packs of cards were found hid among the bed clothes and in a rear room 26 half pints of whiskey were found. All of them were arrested and looked up for the night. They were tried in the Rowan county court Friday morning.

All nine of the defendants were convicted and the men were sentenced to 90 days each on the gang while the woman was given 60 days. Later it was agreed to let seven of the men pay a fine of \$10 each and costs. This five of them did immediately. The other man, who had a pistol on his person, and the woman will probably serve their time.

From the above it would appear that Rowan's sheriff evidently believes that he can make the Negroes believe that he is one of those go-after-'em-and-get-'em sheriffs and such is the case when he is after N groes.

What is "Durro?"

"DURRO" stamped on a violin, Bow or String has the same equivalence as Sterling on Silver, or 22 karat on Gold.
It means Honesty, Integrity, Value and Reliability, plus
"YOUR MONEY'S WORTH."
What more can you expect from a violin? Other Musical Merchandise of equally the same standard.

New Firm to Begin Business Soon.

T. M. Keeler, L. A. Roney and M. A. Lomax have purchased the stock of dry goods and fixtures of W. A. Wineoff, and these clever gentlemen will continue business at the same place. They are now busy re-arranging the stock and will open the doors to the public toward the latter part of the week, at which time they expect to close out the stock at unquestionable bargains. After which they will put in a complete and up-to-date stock of the latest out in dry goods and notions. Mr. Keeler was with the Empire Store Company for a number of years and made many friends while with this firm who will, no doubt, call upon him in his new position. Mr. Roney is a successful young man of the wholesale grocery firm of Snider-Bansy Co., and Mr. Lomax is a successful merchant of Jubilee. This firm is composed of a trio of most successful and trustworthy men and it is needless to say that they will conduct a successful business.

SYMPTOMS OF CONSUMPTION

Yield to Vinol.

The medical profession do not believe that consumption is inherited, but a person may inherit a weakness or tendency to that disease.

A prominent citizen of Evansville, Ind., writes: "I was ill for five months with pulmonary trouble, and the best of doctors; I had hemorrhages and was in a very bad way. Through the advice of a friend I tried Vinol, and I feel that it saved my life. It is all you recommend it to be. I believe it is the greatest medicine on earth. I have advised others to try Vinol, and they have had the same results." (Name furnished on request.)

Vinol soothes and heals the inflamed surfaces and allays the cough. Vinol creates an appetite, strengthens the digestive organs and gives the patient strength to throw off incipient pulmonary diseases.

Try a bottle of Vinol with the understanding that your money will be returned if it does not help you. P. S. Stop scratching, our Saxo Salve stops itching. We guarantee it. Smith Drug Co., Salisbury, N. C.
