WHITE MAIL CLERKS WORK UNDER A NEGRO.

Washington, D. C., April 19.—Senator Overman and Representative Faison called on Postmaster General Burleson today to urge the appointment of C. F. Carroll, of Warsaw, superintendent of the third division of railway mail clerks.

During the hearing it was shown that 40 per cent. of the railway mail clerks in that division, which embraces the District of Columbia, Virginia and North Carolina, are negroes.

In one instance a negro is over a number of white clerks. This news caused something of a sensation when it was brought out. It is safe to say that there will be a change in the complexion of the railway mail clerks in the third division before long.—H. E. O. Bryant.

Why should objections be made to little matters of this kind? The DEMOCRATIC ring of Salisbury no longer than Friday registered and voted between forty and fifty Negroes to defeat a loyal Democrat. If they are to vote and pay taxes, then justice requires that they should have their pro rata of the offices. Surely the ring Democrats do not mean to usurp everything?

It turns out that obligations contracted by the last Congress (Democratic) exceed two billion dollars, which, with the present revenue, will mean a deficit next year of \$180,000,000. That's going some. And yet they say they are going to lower the tariff and reduce our revenue. Just as well manufacture the plates now for new bond issues or call a halt to extravagant appropriations.—Lincolnton Times.

A man who willfully and deliberately propagates, or repeats something known to be false is not entitled to consideration by reputable people. When a paper becomes so politically biased that it cannot tell the truth regarding political matters its usefulness as a disseminator of news and opinions is at an end. The time for considering the people a lot of ignoramus and molly-coddler to be led by fraud and deception has passed. The people are awake as never before and know the situation as well as any one. To say the last congress was Democratic is a falsehood known to every one and its telling will act as a boomerang to the person, paper or party that puts it out. If the expenditure of the last congress, which was controlled by a Republican senate and Republican president, were more than usual, it was largely because of the floods along the Mississippi and the mobilizing of the army in Texas by President Taft. These called for extra heavy expenditures and no one has yet been heard to complain of it. If complaints, however, were in order, it certainly does not become a Republican to make them.

The banquet given last Thursday night by the Salisbury merchants was a very creditable, inspiring and delightful affair and will redound to their future welfare. Enough for two banquets was in evidence both estates and talkable.

DEATH.

The death of Mrs. L. H. Clement early Sunday morning was a shock to all who knew her in Salisbury and elsewhere. She had caught cold and was kept in her room for only a few days and although everything possible was done for her relief, her condition became alarming Friday afternoon, she became unconscious and continued to grow worse until about six o'clock Sunday morning when she breathed her last, the effect of an attack of acute pneumonia. Mrs. Clement was a cultured and esteemed lady, loved and admired not only by her husband and sons, but by all who knew her. She was a queen in her home and ruled with love and self-sacrifices which was deeply appreciated and reciprocated by a worthy husband and four manly boys. To these the loss is most severe and irreparable and though an abundance of sincere sympathy has been extended, only time can heal the wounds and give back the peace and joy once so conspicuous in this happy home.

Mrs. Clement was a native of Gettysburg, Pa., a daughter of Mr. and Mrs. Edward B. Buehler, and it was there, while attending the Pennsylvania College, L. H. Clement, Esq., of the Salisbury bar, met and married her. After their marriage they made Salisbury their home. Among those who survive are her husband, L. H. Clement, LL. D., four sons, Hayden Clement, Esq., Dr. Edward B. Clement, Donald and Louis H. Clement, Jr., and two sisters, Mrs. C. B. Wine and Mrs. E. H. Delk. Mrs. Clement was a loyal and consistent member of St. Luke's Episcopal Church, prominent in social circles and considerate of the welfare of all classes.

The funeral was held yesterday afternoon from St. Luke's Episcopal Church, Rev. F. J. Mallett, the rector, assisted by Rev. T. A. Oeatham, a former rector, officiating, and the interment was in Chestnut Hill Cemetery. The floral offerings were abundant and most beautiful, and the services were attended by a host of friends who wished to pay their last respects to the memory of one whom they loved and admired.

The active pall bearers were the four sons of the deceased and Herbert and Walter Clement, brothers of L. H. Clement, Esq.; and the honorary pall bearers were, Hon. Theo. F. Klutz, Capt. Richard Henderson, Hon. John S. Henderson, Dr. John Whitehead, Capt. W. O. Conaghanour, O. D. Davis and W. F. Snider.

S. L. Elliott, who has been employed about the city hall for several years and who was recently stricken with paralysis, died at his home on South Clay Street today. The funeral and interment will take place at Salem E. L. Church tomorrow afternoon, Mr. Elliott was a member of the P. O. S. of A. and they will have charge of the funeral services.

Mrs. Louise Jane Shive, a widow of Chestnut Hill, aged 75, died last Thursday afternoon from the effects of an attack of acute indigestion. The funeral was held Saturday morning, the interment being in Chestnut Hill Cemetery.

\$100 Reward, \$100. The readers of this paper will be pleased to learn that there is at least one dread disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

SCHOOL STRIKE

Little Girl Killed in Demonstration Against Superintendent.

Pittsburg, April 23.—The strike of school children against S. L. Heeter, as superintendent of the city's public school system, spread rapidly to-day and resulted in one death. A little girl was run down by a street car and killed during one of the demonstrations.

Beginning yesterday when hundreds of children remained away from school as a protest against Heeter, who last Friday was acquitted by a jury of two serious charges preferred by a female domestic employed at his home, the strike gained great proportions today. In all parts of the city thousands of school children paraded the streets, tying up traffic at a number of busy points. Police reserves were called out to maintain order.

Late in the afternoon when the demonstrations of the children had ceased the Pittsburg Board of Education held a meeting at which a committee of seven prominent men was asked to investigate the various alleged charges of immorality against Superintendent Heeter.

Banners of all descriptions, some of them inflammatory, are in evidence all over the city. At a number of points during the day Heeter was hanged and burned in effigy.

FAITH. April 28.—Darrick No. 8, at Crescent Station, broke and fell late yesterday evening, falling on Moses Holshouser and William Lyerly, who was unloading curbing from their wagons. Mr. Holshouser was hurt the worst and was taken home and is under the doctor, but no bones were broken. Mr. Lyerly was not hurt so bad.

Mr. and Mrs. Joe Misemer, of Ebener, is visiting her sister, Mrs. John Rhinehardt.

The little son of John Rhinehardt is very sick.

J. T. Wyatt is in Salisbury today shipping a big two-horse load of millstones.

William Foil has just finished another portable corn mill for a man at China Grove.

We met a man in Salisbury who said he was a carpenter and wanted a job with some one.

J. T. Wyatt shipped a car load of street curbing today.

A big crowd of men are at work at the Caule quarry in the town of Faith now.

We met old friend James O. Sowers the other day in Salisbury. He lives near the old Daniel Boone Cave, across the river.

Monroe Hess has large early Irish potatoes.

The tallest wheat we have seen this year is on the farm of J. T. Carter, in South Rowan.

Any one can get a small picture of the Daniel Boone monument for 10 cents. They are surely fine.

To Amend the Constitution. Raleigh, N. C., April 22.—The legislative commission appointed by the recent legislature to make recommendations as to amendments to the state constitution that shall be submitted to the people at the next general election for ratification met at noon today for organization which was accomplished by the election of Hon. A. M. Scales as chairman, and Joseph B. Cheshire, Jr., of Raleigh, as clerk.

The commission was called to order by Governor Craig, who declared that in his opinion no body of men could have been selected from all these states who would discharge with more honesty and patriotism the duties devolving on the commission than they. And that no more important work will come to this generation in North Carolina than that entrusted to this commission. He predicted harmonious and thorough work that will meet with the complete approval of the legislature and be ratified by the people at the ballot box.

JAPAN SUBJECT OF CABINET MEETING

Japan Aroused Toward This Country, The Nation and not California Responsible.

Washington, April 21.—The degree of interest and concern which is felt in official circles of Washington over the Japanese matter cannot be overstated. It is a striking fact that the most peace-loving and peace-seeking administration in a quarter of a century is confronted with the most serious menace of the international trouble that any president and cabinet has had within that period.

President Wilson is devoting eagerly everything he can reach or hear concerning the Japan situation and is keeping Secretary Tamm traveling between the white house and the state department to discover whether Secretary Bryan has developed any new solution of the California land law.

The whole cabinet meeting of tomorrow (Tuesday), will be concentrated upon the Japanese situation. And there is no department of true government that does not hold this to be the most imminent and the most touching question before the American government and the American people.

I am able to say from information that the attitude of Japan toward the United States is not unflinching, but resolute and aggressive in the extreme. The Japanese foreign office has passed up the state of California as a negligible and irresponsible party in this controversy, and has made it clear that it holds the United States government directly and entirely responsible for this insult upon the Japanese people, and the disinterestedness of the rights of Japan in America.

President Wilson's message, in which he urged in the interest of a peaceful solution, that California should eliminate the words "Ineligible to citizenship" from its land law seems to have increased rather than checked the irritation. Some of its statesmen hold openly that this very request of the president contains a recognition of the Japanese nation and there is no doubt that such information comes from official sources that Japan is aroused toward this country as it has not been before and the United States proclaims the resolution of state rights to California and aggressiveness of Japan is nearing development into a serious affair—J. T. Graves.

JUDGE W. B. COUNCIL A CANDIDATE. Hickory Man and Former Judge Enters Race for Collectorship of Internal Revenue.

Washington, April 22.—Judge W. B. Council, of Hickory, is definitely in the race for Collector of Internal Revenue for the Western District. This became known here today.

He is said by many to be the most dangerous candidate who has yet appeared in opposition to A. D. Watts. If the President should decide to recognize only "Wilson progressives," as he was urged by E. J. Justice to do, it might greatly improve the chances of Judge Council.

Judge Council is at present serving as State Senator. He was for 10 years judge of the Superior court, and resigned to enter the race for the Senate. While on the bench he made a most enviable record. His friends say he has been a "Wilson progressive" for many years and worked untiringly for the success of Wilson at the Baltimore Convention.

Hickory, April 22.—The friends of Judge W. B. Council have today filed an application for his appointment as Collector for the Western District of North Carolina.

[Judge Council is a brother of Dr. J. B. Council, of Salisbury, has large farming interests in Rowan and is a frequent visitor here, where he has a host of friends.]

HOW TO RESIST Chronic Coughs and Colds. Strong, vigorous men and women hardly ever catch cold; it's only when the system is run down and vitality low that colds and coughs get a foothold.

Now isn't it reasonable that the right way to cure a cough is to build up your strength again? Mrs. Olivia Parham, of East Durham, N. C., says: "I took Vinol for a chronic cough which had lasted two years, and the cough not only disappeared, but it built up my strength as well."

The reason Vinol is so efficacious in such cases is because it contains in a delicious concentrated form all the medicinal curative elements of cod liver oil, with tonic, blood-building iron added.

Chronic coughs and colds yield to Vinol because it builds up the weakened, run-down system. You can get your money back any time if Vinol does not do all we say. P. S. For Eczema of Scalp try our Sazo Salve. We guarantee it.
