

Salisbury, May 14th, 1918.

SALISBURY AND ROWAN COUNTY LOCALS

A. B. Saleeby was in Asheville Thursday night and made a talk before a large audience on "How to get a Baraca and Hold Him."

The N. C. Public Service Company is making preparations to do the double tracking from Bank to Liberty streets on Main at once.

Another eagle was killed Friday in Forsyth County, it is said not more than five miles from where Elbert got his, last week.

D. White & Co., carriage builders of this place, have just completed a very handsome horse wagon for the town of Mooresville. This vehicle is of the very highest workmanship and is certainly a credit to the builders and the town of Mooresville.

The Ford Hotel is being given a coat of yellow paint.

Dr. Edward B. Clement has returned to Atlantic City to resume his practice there.

Rev. G. O. Ritchie, who will take charge of the Grace and Salem Lutheran churches June 1st, was ordained to the ministry during the meeting of Synod at Saint John's, Cabarrus County, last week.

The vote for the various candidates at the recent municipal election was as follows: For mayor, Woodson 262; for aldermen, Fisher 253, Norman 253; Norwood, 254; Ridoutte, 254; Julian, 255; Ruffy, 256; Harry, 255; Crump, 255.

The city fathers have passed an ordinance to prohibit the use of the streets as an action room. Which means that the place where auctions of Negro's, live stock and personal property has taken place ever since the court house has stood at its present location, is to be known as such no more forever.

The Right E. Lee Camp of Confederate Veterans of Richmond, Va., has been invited to stop over here on their return from the reunion at Chattanooga, Saturday, May 11th, and the invitation was accepted. The captain of this company is Wm. M. Myers, son of First Lieutenant Myers of the Rowan Artillery.

Our new city officials will be sworn in on the fourth Monday in May, which being the 26th. This leaves a very little time for the old officials to make a statement of the city finances during their administration and fulfill numerous obligations so far neglected.

The machinists and their fellow workmen at Spencer, have been granted an increase in wages of two cents per hour. This small increase to the individual means a considerable amount to the Southern for it covers all points on the system.

Rev. A. G. Voight, dean of the Lutheran Theological Seminary, Columbia, S. C., preached to a large congregation in St. John's church here Sunday night. He went to Hickory Monday morning where he addressed the students at Lenoir College.

The local members of the United Commercial Travellers are making big preparations to entertain the two or three hundred delegates to meet here next month, June 6th. Quite an interesting program has been arranged for the occasion.

The N. C. Lutheran Synod which has just closed its annual session at St. John's church, Cabarrus County, decided to meet at Burlington next year.

Rev. Byron Clark, of the First Presbyterian Church, preached the annual sermon before the graduating class of Claremont College, History, Sunday night.

A series of evangelistic meetings will begin at the First Methodist Church next Wednesday with Rev. Zeb. E. Barnharts, of Asheville, in charge.

R. L. Earnhardt went over to Greensboro Sunday evening to bring his brother, Ralph home. Ralph was shot by a Negro on the way there Monday night, April 2nd, and has been in a hospital since. He is improving and is expected to fully recover soon.

John W. Moore, of the Methodist Church, has accepted an invitation to have his congregation worship in the public school auditorium next Sunday morning when he will preach the annual sermon to the school.

Sheriff McKenzie went to the Grace church neighborhood last Thursday evening for the purpose of arresting Ernest Leach, a young Negro, charged with an attempt to outrage a Negro girl, by the name of Nora Neil. Leach was brought to Salisbury and given a hearing before Judge Klutz and was held for the grand jury until Monday. He was tried by the court today and was acquitted. When the jury handed in their decision in this case, Judge Long remarked that they must not have listened to the evidence, or they might have decided differently.

Mr. Colley Wants No Friends to Call.

S. B. Colley, an old Confederate soldier and splendid citizen, who lives in the Salem Church neighborhood, sends us the following item for publication:

To THE WATCHMAN:

At home May, 12th, 1918. I went blind this May one year ago, the 18th, and I was 76 years old the 4th of May. I want my friends from Salisbury to come and see me.

S. B. COLLEY.

The members of the Granite Quarry Camp were guests of the Rockwell boys and a grand time long to be remembered was had.

What

a great improvement would be made in the condition of horses and other animals if just the proper remedy were used when they became ill or injured. If your horse could talk he would ask you not to use any external remedy containing alcohol because it stings and tortures his flesh terribly. Some liniments have alcohol and other fiery ingredients which only inflame the skin and tissue without striking down to where the pain lies. Beware of such liniments. The great humane, quick-action remedy is MEXICAN MUSTANG LINIMENT. Made of oils, without a drop of alcohol or other torturing element, it soaks straight to the bone and muscle. It soothes the wounded parts and is comforting while the healing work is progressing. Mexican Mustang Liniment is what you want because it

Makes

your work lighter, saves your livestock from suffering and keeps them in good trim for work. For all forms of Lameness, Strains, Bruises, Cuts, Burns, Galls and Harness Sores in animals, it is safe and prompt and does not promise what it cannot perform. Mustang Liniment has been doing its wonderful healing work for 65 years. The amount of money it has saved livestock owners is incalculable. One man writes that he was about to kill his valuable horse because badly injured but Mustang Liniment made him well again. A Veterinary tells us he has used Mustang Liniment fifteen years and found it best liniment for cuts, strains, etc. And many others are enthusiastic friends of this tried and true remedy. Now you know just what makes

Horses so Happy.
