Entered as second-class matter Jan. 19th, 1906, at the post office at Salisbury, N. C., under the act of Congress of March 3rd, 1879.

Salisbury, July 16th, 1918.

Should Congress adjourn there would remain no other reason for the continued hot weather.

The studied effort to call it the Simmons-Underwood tariff bill is somewhat suspicious.

With organized labor continually demanding shorter hours and more pay and the rest of us having to work longer hours with less pay, our expectation for a turn in the lane has not been forsaken.

Immigration is the very worst thing that can happen to North Carolina and the South. Our people are generally opposed to the influx of foreigners and we are not prepared to handle them. The gradual, natural increase is sufficient.

THE WATCHMAN recently stated that Judge Whedbee would preside at the next two terms of the Rowan Superior Court, but this seems to have been an error. We got our information from a member of the bar and took it for granted he knew, but we have since been informed by J. Frank McCubbin, clerk of the court, that Judge B. F. Long, of Statesville, will preside at the next two terms.

The senate of course has to proceed in a dignified manner if the bill never becomes a law—Durham Herald.

If the editor of the Herald ever tried sleeping in a bed on a cold night with two slats out and three more expected to drop, he could appreciate the necessity for dignified behavior and would hesitate long before making such a grouchy fling.

THE WATCHMAN cannot conceive of the house to succeed George W. Connor, than Walter Murphy, of this county. He is not likely to get the support of Rowan's representatives and none other where he is known and the electorate has the best interests of the State at heart. No, pray don't put Murphy forward. He has vilely slandered every decent man and woman in the State and is therefore, or should be, persona non grata. It is a great mistake that he represents this county in the legislature, but that is one of the misfortunes of Rowan's Democracy.

It was stated that Congress would probably adjourn August 1st. Later the tariff was to be presented to the senate by August 1st, and now that it was reported to the Senate Friday, only three months after its introduction, we are informed, that on or about September 1st, all of its rigging, storm sheeting, superimposed, compounded and triple-expanded exhausts, vents, blow-holes, pyrotechnics and other more or less important helps, hindrances and grafts will have been cemented, united, grafted, signed, turned over a finished product and duly labeled "For Home Consumption Only." Surely the mills of the gods grind slowly, but exceeding fine.

Several Salisburians and some others expect to go down the Gold Hill road leaving Salisbury tomorrow morning to talk with the people about the construction of a public road from Salisbury to Whitney. A good road is a joy until it is worn out whether it connects Salisbury with Whitney or Padunk, but just whether a road to Whitney is worth any more to Salisbury than one from China Grove, Cleveland, or Atwell Township, is another question. We have got a sneaking idea that this Whitney road scheme is merely for the automobilists, but none the less of value to the farmer who wishes to come this way with his produce and to purchase his supplies in Salisbury. It certainly cannot do any harm unless its cost will be greater than its benefits. Of course those who live along the route selected will be willing to help toward its construction and will also be willing for the county to lend a hand, and so with THE WATCHMAN, but not to the neglect and detriment of other sections of the county. Rowan is badly in need of some regular system of road building, some definite and equitable plan reaching out into every part thereof.

MRS. REBECCA HARRY.

Highly Esteemed Woman Passes Away After Long Illness.

The many friends here of S. W. and A. W. Harry will regret to learn of the death of their mother in Charlotte Monday night. The Charlotte Observer of yesterday says:

Mrs. Rebecca E. Harry, one of the city's oldest and best beloved women, passed away last night at the home of her daughter, Mrs. Charles E. Walker 808 North Bevard street, after an illness that lasted for several months. The deceased was in her eighty-first year, having been born in Steele Creek June 8, 1832. She was a daughter of Reese and Esther McDowell Price and was wedded to John F. Harry October 15, 1857. Surviving are seven children, namely, R. P. Harry of Union, S. C.; D. R. Harry of Greensboro; S. W. Harry and A. W. Harry of Salisbury; J. M.

Harry and Mrs. O. E. Walker of Charlotte, and E. A. Harry of Pompano, Fla. They were all at the bedside when the end came with the exception of E. A. Harry who could not arrive in the city in time.

The funeral will take place at the residence of Doctor and Mrs. Walker this afternoon at 5 o'clock the service being in charge of Rev. A. A. McGeachy, pastor of the Second Presbyterian Church.

Mrs. Harry was a member of the Presbyterian Church and had been so from early childhood. She was a devout Christian and so long as she was able displayed an abiding interest in the work of the Church. In her family, she was a devoted wife and mother and was recognized for her strong convictions and lofty ideals of character. She reared a large family, was always a positive force in the circle in which she moved. Her death, even at this advanced age, will prove quite a shock and loss to her wide acquaintance.
