Get it at Swaringen's

When you feel indisposed why spend your money to go to a Summer Resort and come home with an empty purse?

Why not go to Swaringen's Drug Store, where you can get the medicines that will make you well? You will help a home enterprise and the medicine will help you.

We do not claim to have ONE medicine that will cure every trouble, but whatever sort of ill your system is heir to, we have THE medicine for it.

Wonderful is the force controlled by the Southern Power Company; but more marvelous still is the result of a thorough application of Swaringen's Electric Flash Liniment.

The Search Light is very successfully used in times of war in searching for the enemy, but when our bodies are racked with pain and we want peace restored, get Swaringen's Electric Flash Liniment, it penetrates to the very heart of the trouble and kills the old enemy, Pain. Try a bottle and you will be delighted with the results.
