We need some place for the incarceration of the hot-air artists.

Wherever you see a lot of red-nosed bums hanging around or old soaks going in and out, it is safe to presume whiskey is being hauled there. THE WATCHMAN is willing to certify that this clue was not handed in by an officer whose duty it is to catch law-breakers.

A. B. Saleeby, who is a candidate for a consulship to Syria, his native land, has received a number of encouraging letters and offers of assistance in his efforts by friends here and elsewhere. These things are appreciated by Mr. Saleeby and stimulates him to greater efforts.

Considerable complaint is being made owing to the continued blockading of South Main Street by the N. C. Public Service Co. If a fire should break out it would delay and handicap the work of the firemen to a considerable extent and valuable property would be destroyed. George A. Fisher is chairman of the street committee and, we understand, is doing the hauling for the car people. If the business people would see Mr. Fisher possibly he would help to relieve the situation.

OPPORTUNITIES FOR HOME MERCHANTS.

Parcel Post Weight Limit 20 Pounds After August 15. Reduction in Charges.

Washington, Aug. 4.—Further to popularize the parcel post system with the public, Postmaster General Burleson today announced that after August 15 the weight limit on packages would be placed at 20 pounds and that a sharp reduction in charges for the transportation of packages would be made. The limit on packages is now 11 pounds. The postmaster general announced also that on the same date the "banking by mail" feature would be introduced into the postal savings system.

The reduction in charges on parcel post matter for local delivery is from the present rate of 5 cents for the first pound and 1 cent for each additional pound, to 1 cent for the first pound and 1 cent for each additional two pounds thereof. For delivery in the first zone the rate will be reduced from 5 cents for the first and 3 cents for each additional pound, to 5 cents and 1 cent; for the second zone the rate will be cut from 6 cents and 4 cents to 5 cents and 1 cent for each additional pound.

The change in the postal savings system will enable would-be depositors living in remote districts to avail themselves of the benefits of the system. The reform has been under consideration for some time.

The above is of especial interest to the merchants of Salisbury for it means increased facilities to extend their trade bounds, which by advertising in THE WATCHMAN and ROWAN RECORD, the papers that go to the people throughout this section, and should greatly increase their business. This, it seems, would be the wise thing to do, the sensible and easiest road for trade expansion, and in fact the firm that fails to reach out and take advantage of the widening opportunities thus afforded is likely to find his business on the decline.

The increased postal service begins August 15th and the newspaper service, that is the papers that have the circulation, are now going every week to these people and communities and will continue to go to them. THE WATCHMAN and RECORD awaits your orders.

Beware of Ointments for Catarrh That Contain Mercury

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Sold by druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.

AFTER THIRTY YEARS.

Remains of a Revenue Officer Killed by Dave Fraley Removed to Wilmington.

Albemarle, Aug. 4.—Henry Walker, of Wilmington, N. C., came to Albemarle today and took up the remains of his brother Lijah Walker, who was buried here in this city cemetery thirty years ago. Some of the bones were still intact, but most all of the small bones were decayed.

Lijah Walker was a revenue officer in Stanly county thirty years ago and went to the place of Dave Fraley who was running a government still, north of New London. Mr. Fraley saw the officer coming and hid himself behind some bushes and when Mr. Walker proceeded to take charge of the still Fraley shot him in the back from the effects of which he never recovered. The remains will be buried at Wilmington.

Remarkable Cure of Dysentery.

"I was attacked with dysentery about July 15th, and used the doctor's medicine and other remedies with no relief, only getting worse all the time. I was unable to do anything and my weight dropped from 145 to 125 pounds. I suffered for about two months when I was advised to use Chamberlain's Colic, Cholera and Diarrhoea Remedy. I used two bottles of it and it gave me permanent relief, writes B. W. Hill of Snow Hill, N. C. For sale by all dealers.

Good Reason for his Enthusiasm.

When a man has suffered for several days with colic, diarrhoea or other form of bowel complaint and is then cured sound and well by one or two doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy, as is often the case it is but natural that he should be enthusiastic in his praise of the remedy, and especially is this the case of a severe attack when life is threatened. Try it when in need of such a remedy. It never fails. Sold by all dealers.

Rigan, 521 E. Kerr St., Salisbury, N. C., says: "Several years ago I used Doan's Kidney Pills and they did me more good than any other kidney remedy I ever tried. I suffered from kidney trouble for many years. I finally procured Doan's Kidney Pills at J. W. McPherson & Co.'s Drug Store and several boxes gave me great relief. I hope that other kidney sufferers will profit by my experience."

A LATER INDORSEMENT.

When Mrs. Ragan was interviewed by our traveling representative on March 2, 1912, she said: "Doan's Kidney Pills are fine and I willingly allow my name to be used publicly in recommending them."
