Salisbury, October 1st, 1918.

A resolution was offered in the House at Raleigh the other day to make public the names of those of that body who were carrying railroad passes and pretending to serve the people at the same time, and as usual, whenever there is any graft to be had, Walter Murphy of Rowan, was in the list.

CHRISTIANA.

Sept. 29.—The new bell for Christiana has come, is up and we think will give general satisfaction.

Rev. N. D. Body is to preach at Christiana next Sunday. A large congregation is expected and his many friends will be glad to hear him again.

Rev. R. R. Sowers, will fill the appointment of Rev. N. D. Body in Davidson.

Rev. Koons preached a fine sermon at St. Luke's yesterday. He is doing a fine work there.

We hope to see the day when there will be less antagonism between the protestant churches. We believe in more union fellowship and co-operation.

We were well pleased with what THE WATCHMAN said last week about the Romish church and hope all Protestants will guard the schools against influences of that church.

D. S. Brown is very busy ginning cotton. He has purchased an improved gin saw sharpener. Some how little rocks and nails get in the cotton and dull the saws; when this is the case he can have his saws sharp again in a few minutes.

Robert, the little son of Mr. and Mrs. James Holsouser, is very ill at this time, his many little friends will be sorry to learn.

Miss Pearl Holsouser, who has been suffering with an attack of typhoid fever, is able to be out again.

Marcus and Miss Eleonora Brown visited their uncle, Lewis Brown, Saturday night.

Mrs. J. R. Brown and two daughters, Kathryn and Mary Louise, of China Grove, spent a few days last week with Mr. Brown's parents, Rev. and Mrs. R. L. Brown.

HOUSE TAKES UP RAILROADS' OFFER.

Young of Harnett Introduces Petition for Acceptance of Rates.

Raleigh, Sept. 30.—In the House to-night Representative Young, of Harnett, introduced the joint petition for the acceptance of the proposal of the railroad companies for the settlement of the interstate freight rate differences. It specifies that the proposal be accepted, with the State left free to seek any other relief as to rates not involved in the proposal as it deems wise.

He moved immediate consideration of the resolution, but Representative Kellum, of New Hanover, protested and moved that it go to the Committee on Public Service Corporations. This course was pursued.

Mr. Kellum says he will have a big crowd here later for a hearing on the matter. He stated on the floor of the House that a great number in all parts of the State oppose acceptance of the proposal and that people in Wilmington and all through the eastern part of the State, especially, are opposed to it.

The House passed the Justice resolutions urging Congress to provide for uniform classification of freight and to change the law so that the exception as to the long and short-haul principle will be stricken out. A number of local bills passed and the calendar is crowded with scores of others, and in fact it looks as though our law-makers will attend to about everything except that for which they were called together. Of course they will not forget to increase their wages.

D. of L. to Offer Prizes in Gold.

Under date of October 1st, J. N. Maxwell, State councilor, and W. A. Fogleman, State council secretary, issued a dispensation with the approval of J. T. May, State vice-councilor, C. A. Paeler, Jr., Ex. S. C., and W. D. Phillips, State council treasurer, composing the State board of officers, and directed to the officers and members of the subordinate councils throughout the State, providing for the distribution of \$110 in gold as prizes for securing new members.

In his letter to the subordinate councils, Councilor Maxwell says:

We hope this year with your assistance to make a greater increase in membership than last year. The increase list is not yet what we hope to see it. This year the State Board of Officers has decided to offer some large cash prizes for new members, from October 1st, 1918, to March 31st, 1919, as follows:

1st, To the council making the largest increase over 50 new, initiated and card members, \$40.00 in gold.

To the next largest over 50 members, will receive \$25.00 in gold.

To the largest over 40 members, \$20.00.

To the largest over 25 members, \$10.00.

To the council making the greatest per cent. of gain will receive \$10.00.

The second largest per cent. \$5.

If two or more councils should tie on a prize it will be divided equally between them.

STIRS UP THE HEATHEN.

'Pass-Toters' Resolution Uncorks Divers Vials of Wrath Among the Gullible.

Raleigh, Sept. 30.—A bill to provide a railroad passenger fare of two cents a mile in North Carolina was introduced in the House today by Clark of Pitt. Another especially notable was by Doctor Gordon of Guilford carrying \$198,000 appropriation, the Central Hospital for the Insane at Raleigh to have \$190,000 and the Eastern Hospital for Negroes at Goldsboro, \$8,000. Another woman's building, a laboratory and \$80,000 additional for maintenance fund for the hospital here are included, the bill being urged as especially necessary.

There were stirring "personal privilege" speeches elicited by the "pass-toter" publication in the morning papers, in which W. C. Dowd of Mecklenburg and Representative Mintz of Wayne explained that theirs was newspaper transportation and criticized Representative Clark for introducing the resolution that brought the list of so-called "pass-toters."

Representative Ray of Macon flayed Representative Clark as a "peanut demagogue, such as had hounded him in his district with the cry of "pass-toters" without the least injuring him in the estimation of his constituents. He said he had represented the Southern Railway as counsel ever since the company was organized, but this was in the courts and when he came to the Legislature his hands were free to legislate in the interest of the whole people.

Mr. Ray, of Macon, will find that the Scriptures say a man "cannot serve God and mammon." Probably this is why some members of the legislature do not want the Bible read in the schools.

COMING—A REAL CIRCUS.

Bringing With It Death Defying Acrobats and Hundreds of New Features.

It will not be long now until the sweating dappled horses will drag the rumbling vans loaded with heavy circus paraphernalia from the railroad yards to the lot of exhibition between Salisbury and Spencer. The Downie and Wheeler Shows will make the place hum and Salisbury will be filled with eager, good natured people who want to see a spanking good parade and show that will chill their blood by daring feats one moment, convulse them with laughter at an army of clowns the next and fill them with wonder the next. This they will get, for the newspapers at other places where the Downie and Wheeler Shows have been are filled with glowing accounts of the superb performance given in the monster "Big Top." They say the show is just as advertised and better. The Show will be here Monday, October 6th.
