Durham-The county road force has completed that part of the central highway in Durham county and when Orange county connects with this road leading out of West Durham there will be a good road from this city to Greensboro. One gang of the convict force is now working on the Durham end of the Quebec and Miami road, which is known as the Oxford road. It will take something like three months to get a four-mile gap in this road put into the proper condition for travel.

HOW, WHEN AND WHY A SECOND ADVENT

Denver Divines on Right Track, Says Pastor Russell

No World-Burraing - Satan to Be Bound-Sin, Sickness and Death to Be Conquered-Man to Be Delivered. The Power Vested In Messiah-His Kingdom Near-How It Will Appear.

Denver, This city is stirred! Seventeen pastors of all denominations have been discussing The Second Advent for a month. Now comes Pastor Russell telling us all that "The Earth abideth forever"-that it will never be destroyed by literal

fire. According to him the great event of Christ's Coming will bring blessings such as we all desire. He seems to have the Bible and logic on his side too!

Pastor Russell declared that false concepts of the Second Coming of Christ had done great injury. The lieve that lung troubles are inherited, view set forth in all orthodox creeds but a person may inherit a weakness St. Luke's Parish Established Contempois that Christ will come again in the or tendency to them. flesh. The resurrection will take place nonsense because thy believe little of recommend 'Vinol'." creed or Bible. A minority perceive its inconsistency with the Bible.

What Bible Students Now See, The "fire of that day" is symbolical. already kindling in society, the ele patient strength to throw off ments of which, Capital and Labor, are getting hotter. Soon they will melt, the symbolical "earth" will be consumed with the "heavens" also, the returned if it does not help you. away will usher in a "new earth," or Saxo Salve. We guarantee it.

The Second Coming of Christ is associated with blessings. Messiah will abolish the curse and bring in wonderful blessings. The Day of Christ will be "the last Day,"-the great Seventh Thousand-year Day. All humanity will be blessed, including the dead who will then be awakened.

Christ Comes to Reign.

As the redemption was necessary for man's salvation so Messiah's Kingdom is necessary to accomplish restitu tion. The delay: of more than eighteen centuries is Scripturally explained: (1) God designed Six Great One Thousand Year Days to teach mankind the exceeding sinfulness of sin. He purposed that on the Seventh Day the blessing of Messiah should come. (2) An important work has been done since Calvary. An Elect Church has been gathered out of all nationssaints made perfect through suffering. a Little Flock, the "Church of the First-borns." These are to become the Bride of Christ at His Second Advent.

The Second Coming of Jesus is to claim His Bride class, and to exalt them. As regards the world, He comes to bind Satan, to overthrow sin, and to uplift fallen humanity. St. Peter tells that Restitution work, not a literal burning of the world, awaits the Second Coming of Jesus: "Times of refreshing shall come from the presence

of the Lord."-Acts iii, 19-21. Christ's Kingdom to Be Spiritual. One great mistake we have all made is in not noticing that Jesus was human for only thirty-three and a half years. He was a glorious spirit being before He was made flesh; and He was resurrected to a spirit conditionhigher than His original one. How foolish we were to think of Jesus as a man (a little lower than angels) in the midst of the Heavenly host. He is now partaker of the Divine nature; His Church is to be "changed" and made "like Him." As His descent was from a higher to a lower, so His ascent was from a lower nature to a higher, "far above angels." His is the exceeding glory which "no man bath seen nor can see"

-"which no man can approach unto." It is this glorious Being whose Kingdom is about to be established. He and His Church will be as invisible to men as are Satan and the fallen angels. The appearances of Jesus in the flesh after His resurrection were materializations, to prove: (1) that Jesus was no longer dead; (2) that He was changed, born of the Spirit, able to go and come like the wind.

Parousia, Epiphania, Apokalupsis. Messiah's Kingdom will have earthly representatives—the faithful saints of previous ages, raised to human perfection instantly. Through these the invisible Messianic Kingdom will operate. Jesus said, "Ye shall see Abraham, Isaac, Jacob and all the prophets

in the Kingdom." The parousia of Jesus will come first -present but invisible. The world will continue with the ordinary affairs of life (while He is gathering the Church),

as in the days of Noah. After the gathering of the Church, there will be an epiphania and an apokalupsis of Jesus. He will shine forth, He will be revealed-not in flesh, but "in flaming fire," the trouble of that Day, in which the present order will to the Kingdom Dispensation.

St Luke's Parish seems to have been a portion of the original name of this county, for upon the erection of the county in 1753, during the administration of Governor Matthew Rowan, the worded surfaces and allays the cough, lug of the act by the Council, after designating the boundary lines, catting this county off from Anson, is as follows: "And that the upper part of said county so divided be erected into a county and parish by the name of Rowan County and St. Luke's Parish, the westward of said line, and included within the before mentioned boundaries shall belong and appertain to Rowan County," but fortunately we have been spared the use of the entire name. Just whether this abbreviation was brought about by common consent or by design cannot be stated, but Day. it is generally known that the people were ny t favorable to a State religion and, although the Council passed numerous favorable laws on the subject and provided liberally for the ministry, the Episcopalians met with many discouragements before any real churches were organized in this section. Although Salisbury was a social, relegious and commercial centre and Epiegapal churches or chapels, were established in this section of the State it seems that St. Luke's Church was not really organized until 1828, when on Monday, September 8th, of that year, this ceremony was performed

> The history of St. Luke's Church is quite an interesting one and covers so much time and other matter that we fare compelled to refraim giving it except in the briefest manner possible. This church seems to have been established some time after Christ Church, located on the right of the road between Barber and Cleveland, Christ Church seems to have been the center of Episcopalianism in this county, it being organised about 1800 under the control of the Lutheran Church and was served by Rev.
