

# HUSBAND RESCUED DESPAIRING WIFE

After Four Years of Discouraging Conditions, Mrs. Bullock Gave Up in Despair. Husband Came to Rescue.

Catron, Ky.—In an interesting letter from this place, Mrs. Bettie Bullock writes as follows: "I suffered for four years, with womanly troubles, and during this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side.

The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good.

I had gotten so weak I could not stand, and I gave up in despair.

At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose, I could tell it was helping me. I can now walk two miles without its tiring me, and am doing all my work."

If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 50 years of continuous success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. He will recommend it. Begin taking Cardui today.

John Beaver and family visited relatives near Organ Church Saturday night, January 10th.

Rev. R. R. Sowers preached his first sermon at Organ Church Sunday, January 11th. A large congregation was present and Rev. Sowers preached a strong and forceful sermon.

John Clark has been on the sick list for the past week.

On Tuesday, January 6th, members of Organ and Ebenezer congregations went to Granite Quarry and moved Rev. R. R. Sowers and family into the parsonage at Organ Church. They arrived at the parsonage about 12 o'clock and soon members of both congregations began to arrive and with them they had well filled baskets, besides the many other things they brought with them. A large table was spread and all kind of good things were placed on it to eat, after which the members presented the pastor with various other provisions that are needed in the household. Rev. Sowers expressed his many thanks for the kindness of the many members of the two congregations. We hope Rev. Sowers much success in the work he has just taken up and that he will accomplish much good.

Chal Eagle visited at Mrs. Ellen Sifford's January 8th.

Luther Shive left January 12th for Plum Branch, S. C., where he will assist his brother in looking after and overseeing a large lumber plant at that point.

Nathan Brown is preparing to go to South Carolina to sell fruit trees. He has worked the fruit tree business for six years and has been quite successful as a salesman. He has traveled a number of different states.

Uncle Bill wishes to correct a mistake that was made in his items recently. We stated that Rev. Pool would preach at Rock Grove. We should have said Rev. Avett.

On the morning of January 12th the death angel entered the home of J. D. L. Brown and carried the soul of Mrs. Lula Brown, his wife, to the great beyond. Mrs. Brown had pneumonia and was sick but one week. She was a good woman, a loving mother, and a devout christian, being catechized in Organ Church in her girlhood and her membership remained at Organ Church. She was 47 years, 8 months and 2 days old. She was married to J. D. L. Brown 31 years ago. She leaves an aged mother, a loving husband, two sisters, one brother and seven children, five girls and two boys. Two of the children, the oldest son and daughter, being married. Mrs. Brown was a kind hearted woman and her many friends feel that the home has lost a good mother and the community a good woman, but the Master says it is more blessed to give than to receive. The writer and many friends extend to the bereaved family heartfelt sympathy.

UNCLE BILL.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

A number of our Farmers' Union men will go to China Grove January 24th to attend the County Union.

Well, well, Sam Soort is still looking for me to send in my fare. Now Uncle Sam, I was just about to send them in when I found that you had a big girl baby at your house and knew that you wouldn't have time to ship fare. I want my fare to be given immediate attention.

There seems to be great dissatisfaction about our calf law. Now there's no doubt about the great inconvenience to which it will put the cattle growers of our dear old County, but we can expect no more anything at the hands of our legislators. One of our candidates for the legislature made it plain to his people here when he made his campaign, that he would eat the heads off of every dog that they would have to pay tax on after he was elected. Now the people have the dogs waiting for the "dog eater." First they gave us the dog law, then the baby registration law and next, no doubt the "cat" will be a prominent legislative animal before the next general assembly adjourns. LEE
