

SALISBURY AND ROWAN COUNTY LOCALS

After an illness of several weeks Pink C. Ennis, a native of Salisbury and brother of the late Dr. J. H. Ennis, died after several weeks' illness at his home in Raleigh. Mr. Ennis was a very popular traveling man and publisher of Tanager's Almanac. He was 62 years of age.

The Maine, the splendid moving picture show, near the square will present Joan of Arc Easter Monday. This is a very interesting story and is a splendid subject for illustration.

His many friends will be glad to know that our sheriff Jas. H. McKenzie, is rapidly recovering from his accidental pistol shot. He still uses his crutches but the wound is rapidly healing and he is knocking about the streets.

Christiana School Gets a Prize.

The five dollars that was to be given to the pupil of the rural schools that would draw the best map of Rowan County, was won by Luther C. Brown, son of D. S. Brown, of Christiana school, district No. 7, Providence Township, Miss Elsie Ling's teacher.

Second Presbyterian Church.

This handsome church is nearing completion and will soon be ready for service. The Sunday school room is being used now. Situated just off South Fulton street, it will be quite a convenience for a great number of people. Rev. C. B. Heller is pastor.

Meeting of Master Plumbers.

On April 15, 16, 17, the fourth annual convention of master plumbers will be held in this city. Addresses will be made by Mayor Woodson, John Slaughter of Goldsboro, City Engineer J. W. Webb and others. Headquarters will be established at the Empire Hotel on the morning of the 16th. The visitors will be shown over the city and vicinity. On the 17th quite an elaborate banquet will be given at the Empire Hotel.

Picture Shows Free to School Children.

More than sixteen hundred white and negro children attended the picture show at the Grubb free of cost. The whites attended Monday and the others on Tuesday. They were given this pleasure in order to stimulate them to aid in cleaning up the streets during the past few weeks. To keep from being imposed upon a card signed by parent and teacher was required to show that the child actually helped to do the work.

County Primaries Called For May 16th.

On May 16th, the primaries will be held throughout Rowan County. In Salisbury Township the polls will open at 12 o'clock and close at 8 p. m., May 16, while in all townships outside of Salisbury the polls will open at 1 o'clock p. m. and close at 5 o'clock p. m.

The County convention is called to meet Saturday, May 23rd.

At these primaries is the time and place for all the voters to go and cast their ballots, thereby deciding who they desire to be nominated at the convention Saturday, May 23rd. The primaries are important. Attend them.

McPherson's Electric Sign.

Improvements are ever coming along. We have a number of electric signs in our town, for instance "Salisbury's The Place," and others that are a credit to the city, but the McPherson Pharmacy will soon have up their new electric sign that perhaps will have no equal in any southern city. The sign shows the word "Drugs" in illuminating letters; a rapidly revolving circle with a physician's cross or prescription just over it, which flashes off and on. At the top of the sign is a large electric fountain which bubbles continuously. This will be held in admiration by all who behold it.

Wanted—A good man with small family to farm. A good place for a good man. G. S. Williams, Rural 2, Salisbury, N. C.

MARRIAGES

Mrs. M. B. Robinson of this city, accompanied by her two daughters and the daughter of her intended, left last week for Lakeland, Fla., where she became the bride of Ed. Corriher, formerly of Salisbury, on the 6th. They will reside at Lakeland.

Moses T. Waller of Mount Ulla and Miss Myrtle Reevie of Cleveland, planned last Friday not only to surprise their friends and throw a little romantic spice into the Roman commencement, but also to have a couple solemnize the marriage ceremony in the new court house.

Chestnut Hill Not Left.

A novelty electric sign will soon illuminate the Leonard Drug Company's place of business. Chestnut Hill declares by its action that Salisbury must not have all the attractions so she is determined to come to the front with as beautiful electric signs as any other town.

Salisbury Industrial Club.

Quite an enthusiastic and wide awake meeting of the Industrial Club was held a few evenings ago, followed by elegant banquet given at the Empire Hotel. Music, oratory and toasting were special features of the occasion.

The following gentlemen were elected officers: A. H. Snider, president; F. F. Smith, first vice president; W. C. Manpin, second vice president; William James, treasurer; W. H. Burton, Spencer, vice president; C. A. Sides, East Spencer, vice president; J. S. Hall, Rowan County, vice president. The Industrial Club is doing a good work, and if every organization and all the people will try as hard as the club there will be no doubt but that "Salisbury's The Place" after while, even if St. Peter did say "You are late, you blooming old skate."

The talks made by a number of interested gentlemen were calculated to arouse much enthusiasm among the citizens. Let the good work go on, and don't let the club forget to throw their influence in behalf of another new school building for our town and a real Salisbury for its secretary. The WATCHMAN wishes the new president, Mr. Snider, one of Salisbury's native sons, all the success he may hope for.

Our Graded School.

The growth of Salisbury, the large increase of pupils to be accommodated in the public school, the necessary addition of teachers are causing considerable attention among the citizens of our town. Twelve or fifteen new rooms will be necessary to accommodate the pupils and of course as many new teachers. At a recent meeting held plans and suggestions were discussed as to the better methods of procedure. Quite a number of officials think it much better to have a new building in another part of the town for the accommodation of the lower grades and particularly so as it would save quite a number of the small children from crossing the railroad. Some advocated twelve new rooms to the old building, while others were adverse to any extension to the old building as there are now too many children in one place. Fire, accidents, disease and other dangers should be seriously considered before any more children are housed in one building. In large cities not more than 500 children are put in one building. At a cost of about \$15,000 twelve new rooms could be built. The town had better throw a few more thousand dollars and build another nice school some where in southeast Salisbury. That, it seems to us, would be the correct thing to do. Let all get together and work with that object in view.

Straight at it

There is no use of our "beating around the bush." We might as well get out with it first as last. We want you to try Chamberlain's Cough Remedy the next time you have a cough or cold. There is no reason so far as we can see why you should not do so. This preparation by its remarkable cure has gained a world wide reputation, and people everywhere speak of it in the highest terms of praise.

FAITH.

April 6th.—There will be communion services at the Reformed church at Faith Easter Sunday and preaching on Friday night before at 7:30 by Rev. P. M. Trexler. Everybody invited.

There is a large apple tree on Tom Peeler's farm at Granite Quarry, that has a cedar bush growing at its base. Who can beat that?

There is a real curiosity oak tree, grown together twenty feet or more from the ground at Fisher and McComb's Quarry. The boys showed it to me the other day when I was there.

Mrs. Pinkney Ludwick has returned from Concord, China Grove, and Salisbury, where she has been on a visit to see her children and other relatives. She reports a pleasant trip.

DEEDS, NOT WORDS.

Salisbury People Have Absolute Proof of Deeds at Home

It's not words but deeds that prove true merit. The deeds of Doan's Kidney Pills. For Salisbury kidney sufferers, have made their local reputation. Proof lies in the testimony of Salisbury people. St. J. Horton, 208 W. Monroe St., Salisbury, N. C., says: "For some time my kidneys were giving me a great deal of trouble. My back was very weak and lame and the kidney secretions were too frequent in passage, causing me annoyance. Doan's Kidney Pills cured me and I have not had any kidney complaint since."

A SECOND STATEMENT. On March 2, 1912, Mr. Horton said: "All I said some time ago recommending Doan's Kidney Pills was correct. There is no doubt about Doan's Kidney Pills being a valuable remedy." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Horton had. Foster-Milburn Co., Props., Buffalo, N. Y.

2ND GREEN AND DUNN TOWN.

April 6th.—Who has been yearning for pneumonia for the last week, is getting better.

Mrs. W. A. Dunn, who has been sick, has gotten well again.

Sunday School was organized at Gay's Chapel last Sunday. The following are the officers elected for this year: Supt., T. S. Kincaid; Secretary, J. H. Michiel; Miss Boulah Sheets, assistant; J. V. Resperman was elected assistant superintendent. If the old people of the community would come out we could have a better Sunday School. Will some one please tell us how to get them out?

We are having some fine weather now, and the sound of Whar, Haw, Gee, can be heard in the land.

Our roads are getting some better now, thanks to the road drag, which by the way is the way to work the road. One man and three horses can put the road in better condition in one round trip with a road drag than all the hands on a section could in a day, working the old way. The wonder of it is that it is not used more.

James Moore's brother, Lindsey, is going to work a crop with him on the Barnhardt farm this year.

Don't forget the Easter service and Easter egg hunt at St. Peter's on Easter Monday, beginning at eleven o'clock.

Mr. and Mrs. E. A. Goodman of Salisbury, visited at N. C. Park's Saturday night.

Quite a number of our people and all of the school children attended the county commencement in Salisbury last Friday. The exercises were splendid. But if this county commencement is going to be kept up, better accommodations will have to be provided. That our houses could have been filled half a dozen times and then there would have been people on the outside. Yet we are extremely proud to say that "Gold Knob" had what it took to bring back the prize for the best recitation, which was awarded to Miss Pearl N. Lyerly, a student of Gold Knob school. Thanks to the good judgment of the judges.

Well, well, the exhibition at Gold Knob was pulled off with the greatest of success. Everybody seemed to be satisfied with the fun. Messrs. Leont and Barnhardt of Dry's mill rendered some of the best music ever heard at an exhibition. This also closes one of the most successful schools ever taught at this place. The assistant, Gec. D. Peeler, and the assistant, Miss Mary J. Lyerly, gave perfect satisfaction to patrons and pupils. It was sad to see teachers and pupils part. Mr. Peeler's room gave him a present of a valuable fountain pen and Miss Lyerly's children gave her an elegant bracelet as tokens of their love.

Success to THE WATCHMAN.
