## SLEEP DISTURBING BLADDER WEAKNESS BACKACHE-RHEUMATISM, QUICKLY VANISH

Even Most Chronic Sufferers Find Relief After A Few Doses Are Taken

Backache, urinary disorders, and rheumatism, are caused from weak, inactive kidneys, which fail to filter out the impurities and keep the blood pure, and the only way on earth to permanently and positively cure such troubles, is to remove the cause. The new discovery, Croxone, cures such conditions because it reaches the very roots of the disease. It works right into the stopped up, inactive kidneys, through the walls and linings; cleans out the little filtering cells and glands; neutralizes and dissolves the poisonous uric acid substances that lodge in the joints and muscles to scratch and irritate and cause rheumatism; it neutralizes the urine so it no longer irritates the tender membranes of the bladder, and cleans out and strengthens the stopped up, lifeless kidneys so they filter and sift all the poisons from

the blood, and drive it out of the system. So sure, so positive, so quick and lasting, are the results obtained from the use of Croxone, that three doses a day for a few days are often all that is required to cure the worst case of backache, regulate the most annoying bladder disorders, and overcome the numerous other similar conditions. It is the most wonderful preparation ever made for the purpose. It is entirely different from all other remedies. There is nothing else on earth to compare with it. It is so prepared that it is practically impossible to take it into the human system without results. You can obtain an original package of Croxone at trifling cost from any first-class drug store. All druggists are authorized to personally return the purchase price if Croxone fails to give desired results, regardless of how old you are, how long you have suffered, or what else has failed to cure you.

### ROCKWELL, RURAL NO. 2.

April 2.—Miss Nance, who has been sick the past week, is getting better at this writing.

Edmond Dial has been on the sick list the past week.

B. A. Fesperman and Co., of Rockwell, are preparing to close out part of their present stock of goods to make room for a larger and more complete line of furniture which they intend to carry.

Mr. and Mrs. Luther Barger's baby has been quite sick, but is better at this writing.

Mrs. Evian Yates is making her home with Mr. and Mrs. Luther Barger.

Faith Council, No. 100, Jr. O. U. A. M., is making preparations to have two film and bible presentations on Easter Monday: one at the Sloop school house and one at Menius school.

Uncle Bill wishes to thank Grandpa Venus for his comment upon his poem on Lee, but also wishes to inform Bro. Venus that he may be a little wild, but he is on the job just the same.

W. A. Shuping is preparing to give his mill roof a coat of paint in the near future.

Mumps are still on the go in this vicinity.

It seems that Bro. Lee of Gold Knob seems to think that Uncle Bill is wild, but it is a saying of old that when a fellow is hit he will generally follow. Uncle Bill hopes in the future to prove to Bro. Lee that he is not quite as wild as he might imagine.

The county commissioner's should be congratulated on passing a resolution refusing to allow any more licenses issued to carnival companies. In the past, carnivals have carried away many hundred dollars from this county, besides meeting carnival companies carry with them a set of gamblers and thieves. When again they carry a line of amusements which are not to all people's liking.

Mrs. Maggie Vencil visited at Mrs. G. H. M. frontman's March 29th.

Monroe Ketner has put a new 'phone in his residence.

Miss Daisy Nance is staying with her brother, James Nance, since Mrs. Nance has been sick.

Rev. T. L. Niles, former pastor at Rock Grove M. E. Church, who is now serving as a pastor in the western part of the State, writes that he is getting along well in his new field of work.

Miss Effie Basinger has been sick the past week.

Earle Ketner, who has been attending school at China Grove High School, spent Saturday night, March 28th, with home folks near Organ church.

John Millet is hauling a fine lot of posts to M. L. Gantt's farm near Organ church.

We never like to see anyone always like to see them and credit to those deserving it, and in our judgment the farmers in the Emmanuel church community deserve praising as they have shown what real cooperation among themselves means to a community and to themselves. They have gone together and built one of the best roads in this part of the county at their own expense. The road is near Rockwell and a photograph has been taken of the road and of the men at work. This photograph can be seen at H. L. Misenheimer's store. The time has come when Rowan County needs better roads and we should have them. These good people have set an example of what a community can do by all pulling together. We have in the past neglected the roads more than we should have. Bro. Venus is always trotting out new things. Can you beat this Bro. Venus?

Park Local, No. 655, Farmers Union, unloaded a car load of fertilizer at Rockwell April 1st.

O. W. Harrington has opened a new shop in Rockwell and will do all kind of sewing machine repairing and keep all kind of repairs. He has the agency for several splendid makes of machines which he will offer for sale.

We notice that Bro. Bartlette has come forth as a girl's poet. Uncle Bill has never had the honor of meeting this distinguished poet, but from the way he praises his own poem as being beautiful he must class himself with Longfellow or some of the other famous poets. We admit that we are just the least bit feeble, but Uncle Bill is in high hopes of learning to be better qualified for advancement after reading poems from the pen of our distinguished self-praised poet. UNCLE BILL.

April 6th.—Farmers are busy preparing to plant corn. Some are beginning to plant.

Aunt Ste Shaver, who has been so ill is improving at this writing we are glad to say.

W. A. Kirk, who has been on the sick list, has greatly improved, we are indeed glad to note.

## You Have Nasal Catarrh Not Very Bad, But--- It Bothers You a Good Deal.

Some people have nasal catarrh and know it. Not only the patient knows it, but all of his friends know it. Many people know it that are not his friends. Just these people who happen to meet him in the street car or on the public square.

That sort of a nasal catarrh need not be described. Everybody knows the symptoms without their disgusting recital.

Peruna helps such cases every day. Thousands have attested to this fact unsolicited. Peruna cures even the worst cases of nasal catarrh.

There are cases of nasal catarrh not so evident. One nostril is stopped today. The other nostril is stopped tomorrow. Cannot breathe freely through the nostrils. Easy to sneeze. Mucus in the nose too thick. Sometimes forms brownish lumps. Catch cold easily. Never quite free of a cold. These symptoms describe a case of subacute nasal catarrh. Many people have it and some who would not admit they have nasal catarrh.

He knows he must blow his nose freely. He remembers that he does not breathe easily through the nose.

He recalls the fact that he knows some now, whereas he did not previously.

Subacute nasal catarrh! Or we might call it incipient nasal catarrh. Or, still better, nasal catarrh just beginning and becoming chronic.

Now is the time to take Peruna. A little Peruna will do wonders at this stage of the disease. Snuff a little weak salt water every morning (see "Wills of Life" sent free by Peruna Co., Columbus, Ohio), just enough to clear out the nose. Take a dose of Peruna before breakfast. Hold it in the mouth. Let it trickle down slowly and breathe the fumes of it out through the nose as you swallow it.

This will stop an incipient case of nasal catarrh in a few weeks. Stop it entirely. The nose becomes clean again. The breath is sweet. The breathing free. No more snoring, or snuffing, or sniffing, or catching cold easily. All of these things are in the past.

An army of men and women have been benefited by Peruna. You might as well become one of the benefited ones as to allow it to go on any further.
