Entered as second-class matter Jan. 19th, 1906, at the post office at Salisbury, N. C., under the act of Congress of March 3rd, 1879.

Salisbury, April 29th 1914.

Whitehead Klutz Esq., Speaks to the U. A. R's.

The Washington Herald, of Saturday contains the following interesting remarks by Whitehead Klutz, Esq., of Salisbury, being extracts from an address made by Mr. Klutz before the national convention of the Daughters of the American Revolution then in session there:

Demanding that Mexico render speedy satisfaction to the honor of the Stars and Stripes and that peace and order be re-established in that country, Whitehead Klutz, of Salisbury, N. C., former president of the Senate of that State, in addressing the congress of the Daughters of the American Revolution, last night declared "It is a time when partisanship should sleep, when cavil should cease."

Inspired with patriotic fervor, the delegates paying "rapt attention to the speaker, Mr. Klutz pointing to the large American flag suspended in the center from the lofty ceiling of the hall, shouted:

"America, united, stands back of the still, strong man in the White House sorrowfully taking up his grim, unwelcome task, the task of Hercules cleansing Augean stables."

"We have been patient, forbearing, like a peaceful giant, with insults and outrage. But further patience with the barbarous leaders of Mexico would be a crime. We cannot justify before the world an attitude which says: 'We know our neighbor's house is afire, but we will not and you shall not put it out.'"

"The words of honor are wasted on Mexico today; no arguments but blows are recognized there. Deplore it as we may, it is true that only the hell of war can end the hell of Mexico. If ever war were holy, then this war is holy; to dethrone a savage Negro, to establish order in lieu of anarchy, liberty in lieu of license, to open the ways of light and progress to a darkened land."

Preparing For Sight Seers At The Panama Canal

For the thousands who will visit the Isthmus to view the completed Panama Canal ample provision is being made. Special sight-seeing trains are scheduled to leave Colon and Panama on alternate mornings through the week, reaching the opposite end of the canal in time for lunch. Passengers may return on the ordinary train if they desire. Excursion trips through the lake, from Gamboa to Gatun, are made on a sight-seeing barge which has been converted for passenger service by the addition of a main deck, sloping from rear to front, and provided with comfortable seats, while above, an upper deck may be reached by stairways. Nearly 300 sight-seers can be accommodated on the barge, which has a full equipment of life preservers and safety appliances. The fare for the trip on the lake is fixed at \$1.50, and a like sum is charged for the railroad trip along the shore, from one end of the canal to the other. A picture of the barge is a feature of the May Popular Mechanics Magazine.

Straight at it

There is no use of our "beating around the bush." We might as well out with it first as last. We want you to try Chamberlain's Cough Remedy the next time you have a cough or cold. There is no reason so far as we can see why you should not do so. This preparation by its remarkable cures has gained a world wide reputation, and people everywhere speak of it in the highest terms of praise.

Thousand Delegates at Big Convention in Durham.

Durham, April 25.—A thousand delegates to the Baraca-Philathean convention are now in the city, and the indications are that more than this number will come. The registration office at the Loommoor Hotel has been crowded all day with people who wanted to be assigned places to stay during the convention. A dozen clerks have been busily engaged every minute of the time getting these delegates to their homes and it is even then impossible to keep up with the arrivals. While hundreds arrived on the morning trains, and the greater part of the delegates did not get here until this afternoon.

Every afternoon train was crowded with people wearing the insignia of the two organized Sunday school classes and as a consequence most of the trains were running a little behind schedule time.

The first session of the convention met at the Academy of Music this evening, when an address of welcome was delivered by Mayor W. J. Brogden, who represented the city. Rev. B. C. Craven delivered the address of welcome in behalf of the churches and E. J. Schantz for the city union. The responses were made by Miss Clara Byrd of Greensboro for the Philatheans, and A. L. Smoot of Salisbury for the Baracas. Following these there were one-minute talks by the State officers of both organizations.

At the Y. M. C. A. last night a floating reception was tendered in which the delegates to the convention were given the opportunity to become acquainted with one another. The lobby of the Y. M. C. A. and every available space was crowded with the visitors and the Durham people who are interested in the convention. Light refreshments were served.

It is expected that the meeting in Durham will be one of the most interesting ever held by the two organized Sunday school classes of the State.

RUN-DOWN WOMEN

Find Health in a Simple Tonic.
How many women do you know who are perfectly well, strong and healthy as a woman should be? They may not be sick enough to lie in bed—but they are run-down, thin, nervous, tired and dejected.

Women are so active nowadays, and so much is expected of them, that they constantly overdo and suffer from headache, backache, nervousness and kindred ills.

Such women need Vinol, our delicious cod liver and iron tonic without oil which will create an appetite, tone up the digestive organs, make pure blood and create strength.

Mrs. Walter Price, Biloxi, Miss., says: "I was in a run-down condition for months. I had taken several medicines but they seemed to do me no good. Finally Vinol was recommended, and from the first bottle I began to improve until I am strong and well as ever."

Try a bottle of Vinol with the understanding that your money will be returned if it does not help you.

P. S.—For pimples and blotches try our Saxo Salve. We guarantee it.

Smith Drug Co., Salisbury, N. C.

War Department Swamped With Army Application.

Washington, April 23.—Applications for Army commissions poured in upon the War Department today while Senators received telegrams from men offering their services. Senator Ashurst stated he had several messages from Arizona, "most of them want positions as captains, colonels, or majors, but nobody wants to be a private."

Senators Jones and Thomas said they had telegrams from men seeking to serve as private. Senator Lodge received a protest from the Massachusetts Federation of Churches "against war with Mexico."

Many applicants to the War Department are former soldiers, men who have resigned their commissions in the regular service or who were officers in the volunteers in the Spanish War. Some are offering to raise regiments of "rough riders."

Steam Dried Hay

Each year finds the farmer more of a mechanic, as machine after machine appear to take the place of the decreasing supply of manual labor. The up-to-date farm now has its machine shop and farmer machinist. The farmer complains that for five years past he has been obliged constantly to purchase new labor-saving machinery. On the other hand, had it not been for these new inventions, many would have been obliged to go out of business.

The latest thing is steam-dried hay, which makes the farmer independent of cloudy or rainy weather in haying time.

The green grass is hauled to the hay factory, unloaded at one end of the plant and 30 minutes later emerges at the other end perfectly cured, ready for barn or bale press.

In case of rain, a canvas cover insures arrival at the barn without wetting. The farmer has about given up his time honored trip to the "grist mill," and here comes the hay. Frequent showers make good grass, but much of this is ruined in the process of sun-drying. The steam dried is independent of weather, and moreover turns out a better product, and can work nights.

Maud Muller might get a job checking the loads, but there isn't very much romance about watching the steam gauge a lot of conveyor belts. —H. H. Windsor, in May Popular Mechanics Magazine.

Look to Your Plumbing

You know what happens in a house in which the plumbing is in poor condition, everybody in the house is liable to contract typhoid or some other fever. The digestive organs perform the same function in the human body as the plumbing does for the house, and they should be kept in first-class condition all the time. If you have any trouble with your digestion, take Chamberlain's Tablets and you are certain to get quick relief.

THE DREAM AT TRADING FORD.

Will Hays, of the Music, Speaking and Dramatic Co., Mr. Trexler III, April 23.—The ground hog is a thing of the past and spring is here again.

The farmers are planting corn and other crops along. Everybody is to even start this year, so we can easily determine the smartest fellow.

Jack Trexler is quite sick. He has been ill for some time. Mr. Trexler is quite an old man and his recovery may be slow, but we hope he will soon be better.

A public meeting will begin at the church on the second Sunday in May. Rev. P. W. T. of Albemarle, will assist the pastor, Rev. E. M. Aycock, in conducting the meeting. There will be all day service on Sunday, and each day and night thereafter.

The school closed here last Friday and the students started for their homes. Davidson on Saturday. There was no exhibition this year, most of the students got small.

Yakov W. O. W., at this time has a big entertainment on the 21st. The exercise will be entirely by the Woodmen. A free dinner will be served at 12 o'clock and the public is invited. All who wish to bring a basket of food and it will be appreciated. All those who can't bring food must come anyway, you will get something to eat. We expect to have a big time and everybody is welcome. There will be dancing, music, potato races, pig races, boat races and other games and amusements. The invitation is given by G. H. Crook, counsel commander of the camp.

SAM SNORT.

WATCH IN TIME.

Salisbury, N. C.—Should Not Neglect Your Kidneys.

No kidney ailment is unimportant. Do not overlook the slightest backache, urinary irregularity. Nature may be warning you of approaching dropsy, gravel, Bright's disease. Kidney disease is seldom cured if treated in time, but neglected may pave the way. Don't neglect a lame or aching back and the day. Don't ignore dizzy spells, irregular or discolored urine, headache, weariness or depression. If you feel you need kidney help begin using the reliable, time-tested remedy, Doan's Kidney Pills. For 50 years, Doan's have been found effective. Endorsed by Salisbury people.

Mrs. Add. Yates, 507 E. Cemetery St., Salisbury, N. C., says: "One of the family had various symptoms of kidney complaint. Her kidneys were irregular in action and she had backache. She did not feel well. Doan's Kidney Pills acted as a tonic to her entire system and made her feel stronger every day." Price 25c at all dealers. Don't simply see to it a kidney remedy—see Doan's Kidney Pills—the same that Mrs. Yates recommends. Foster-McClellan Co., Props., Buffalo, N. Y.

FAITH.

The Canble pasture quarry is commencing to boom again under the management of Supt. Swan. The dirt has been cleaned off the ledges, and preparations are going ahead for a busy season. Chas Damico arrived in Faith this week from Naples, Italy, to make blocks at the Canble quarry.

Garfield Gavigan arrived at Faith from Baltimore, Md. He is an expert tool sharpener and has a position with the Harris Granite Co.

We understand Ben Grady is expecting to make his home with us permanently.

Miss Julia Overcash, who lives above China Grove, found hen egg that measures six inches around the small way and eight around the long way. If any one can beat that trot out your egg.

Word has been received here of the death of Mrs. Mary Morgan, wife of A. A. Morgan, of Morgan Township, who died April 17. If she had lived to the 27 of April she would have been eighty four years old. She was laid

to rest at the cemetery at the old Morgan musterground. She leaves a husband and two children, six grandchildren and four great-grandchildren. Lock Shuping who lives four miles above Salisbury has the finest Angora goat we ever saw.

Venus has heard of one indian mound. Will explore it as soon as he gets time.

Venus got a beautiful picture of a crowd of little boys in front of the Salisbury public school building at the County commencement. Any one can get one by sending ten cents in stamps to J. T. Wyatt, Salisbury, N. C., R. D. 3, box 10.

Mr. Misemer, the music teacher, is at B. C. Eagle's giving music lessons on the organ to his little girls.

We were recently entertained by some good music at

J. T. Carter's by the little girl who are learning to play. They are getting along fine with their lessons.

Union church cemetery is some old tombstones. One bears this inscription: Sophia Walton, born December 28th, 1795, died October 9th, 1895, age 55 years 9 months and 9 days. VENUS.

Strengthens Weak and Tired Women

"I was under a great strain nursing a relative through three months' sickness," writes Mrs. J. C. Van De Saude, of Kirkland, Ill., and "Electric Bitters kept me from breaking down. I will never be without it." Do you feel tired and worn out? No appetite and food won't digest? It isn't the spring weather. You need Electric Bitters. Start a month's treatment today; nothing better for stomach, liver and kidneys. The great spring tonic. Relief or money back. 50c. and \$1.00, at your Druggist.

No. Six-Sixty-Six

This is a prescription prepared especially for **MALARIA or CHILLS & FEVER.** Five or six doses will break any case, and if taken then as a tonic the Fever will not return. It acts on the liver better than Calomel and does not gripe or sicken. 25c

RUB-MY-TISM

Will cure Rheumatism, Neuralgia, Headaches, Cramps, Colic Sprains, Bruises, Cuts, Burns, Old Sores, Tetter, Ring-Worm, Eczema, etc. Antiseptic Anodyne, used internally or externally. 25c
