Carranza Rejects Truce Overtures.

El Paso, Texas, May 8.—Gen. Venustiano Carranza has formally declined the suggestion of the South American mediators that he cease hostilities against General Huerta pending the outcome of the plan of mediation. His note, sent to Washington yesterday, was made public here today. No importance is attached here to the report that the rebels and Federals at Tampico are arranging a truce. It is assumed that if true the cessation of hostilities is for the purpose of burning the dead or removing the wounded.

Fish Market For China Grove

Yesterday afternoon one of our prominent merchants, J. L. Hculshouser, Esq., enticed the cashier of our bank, W. O. Siferd, a prominent school teacher, Prof. H. J. Peeler, to go fishing. They loaded up with fishing tackle, bait, harpoons, etc. and proceeded in a powerful automobile, to a spring branch east of town and dropped their hooks in to the damp water, soaked the bait thoroughly, probably caught cold and returned home in good time for supper. If this keeps up we may expect a fresh fish market established here soon.—CHINA GROVE REC. RD.

The Soliciting Committee For The Farm Life School Visits Salisbury.

The soliciting committee of the farm life school to be built here was in Salisbury Wednesday and made a partial canvass of the city for funds to assist in the erection of the building. This committee composed of Messrs. W. J. Swink, B. S. Shuford, T. S. Wilkie, E. E. Gray, P. A. Earnhardt, and Robt. W. Gray, obtained pledges aggregating about \$700, which encouraged them very much, but hope when the canvass is complete to increase this to \$2,000 or \$2500. As this is a county school it is hoped that Salisbury will do a real good part by the school, however any assistance is duly appreciated.—CHINA GROVE RECORD.

FACT.

Local Evidence.

Evidence that can be verified. Fact is what we want. Opinion is not enough. Opinions differ. Here's a Salisbury fact. You can test it. J. W. Glover, 128 S. Long St., Salisbury N. C., says: "I suffered severely from spells of back-ache. The pain was always worse across the small of my back. Often I could not get out of bed without assistance. Finally, a friend advised me to try Doan's Kidney Pills and I procured a box at J. W. McPherson & Co's. Drug Store. A few doses stopped the pain in my back and since then when I have had occasion to take them, they always helped me."

Confirmed Proof.

On March 2, 1912, Mr. Glover added: "I gladly confirm the public statement I gave some time ago, praising Doan's Kidney Pills. They cured me of kidney trouble, and the cure has been permanent."

Price 50c, at all dealers. Don't get simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Glover had. Foster-Milburn Co., Props., Buffalo, N. Y.

Irredell To Have a Creamery.

As a result of the meeting held at the court house Saturday in the interest of the establishment of a creamery in the county, Messrs. W. C. Wooten, I. N. Paine and R. C. Little were appointed a committee to confer with a committee appointed at a similar meeting held in Mooresville Saturday for the purpose of deciding on the location of the creamery. The creamery will of course be located either at Mooresville or Statesville, and the committee is to decide on which of these two places. The plan is to let the end of the county that gets the creamery put up the capital to build, equip and operate it, with the understanding that the dairymen and farmers of all the county shall support the creamery regardless of its location. The dairymen at the meeting held here Saturday expressed their purpose to abide by the decision of the committee and support the creamery wherever located.—Statesville Landmark.

Imprisonment for Smith

Stonewall Jackson Smith, postmaster at Porter Standly county, was sentenced to the Federal prison at Atlanta by Judge Boyd for a term of one year and one day. Smith pleaded guilty to rifling the mail of a cripple who had been in the habit of receiving letters containing small sums of money. These letters having been missing the department made investigation which resulted in the submission of the postmaster. Judge Boyd in passing sentence spoke feelingly, stating that he would like to be merciful with all such cases, but law and society rendered his obligation to government so important as to make it impossible to pass them by.
