Bring Home Bodies of 17 Dead Marines.

Vera Cruz, May 8.—The bodies of 17 American blue-jackets and marines killed in the street fighting during the occupation of Vera Cruz by the United States fleet, started on their way to New York today on board the cruiser Montana.

The crews of the warships in full uniform lined the sides of the warships and as the Montana reached each one, the men stood at attention, the marines guards presented arms and the ship bands played.

On shore during the Montana's passage out of the harbor, the flag over Brigadier General Frederick Funston's headquarters was half-masted and was only raised again when the vessel had disappeared on the horizon.

The hospital ship Solace with about 100 sick and wounded American blue-jackets and marines on board, it was said today, might sail northward later this week.

N. C. Classes in Session at Rockwell.

Rockwell, N. C., had the honor of entertaining the 84th annual session, at Ursinus Reformed church, of the N. C. Classis. Rev. J. D. Andrews, president of Catawba College, the retiring president of the Classis preached the opening sermon from the following text: Luke 11:28, "Blessed are they that hear the word of God and keep it."

After the Holy Communion of the Lord's supper was administered Rev. Shuford Peeler of Greensboro, was elected president of Classis. Rev. Peeler is a native of Rowan and this is an honor worthily bestowed.

Thursday morning the election of officers was completed. Elder J. T. Hedrick was elected vice-president; Rev. J. C. Peeler of Conover, secretary; and Rev. C. C. Wagoner of High Point, reading clerk. Rev. Clarence Woods of Thomasville then delivered a sermon on "The Influence of Prayer upon Petitioners," emphasizing three phrases: Communion, intercession and petition. The whole program formed quite an instructive and interesting meeting.

Carranza Accepts Plan of Mediation of Troubles.

Washington April 29.—Gen. Venustiano Carranza, head of the Mexican Constitutionalists, late today notified the Latin-American intermediaries of his acceptance of the principle of mediation in the difficulty between the United States and Mexico. He expressed a willingness to confer on the subject.

This announcement was made by Secretary Bryan upon being informed by the three South American envoys. The introduction of General Carranza and Constitutional cause into the negotiations broadens the peace program to an effort to compose the entire Mexican situation. It is understood that a proposal for an armistice, which already has been submitted to the United States and General Huerta, now will be presented to General Carranza.

State Grand Lodge to be Invited

The members of the two local lodges of the Knights of Pythias will go to the Grand Lodge, which meets in Durham the second Tuesday in June, prepared to urge the delegates to chose Salisbury for their next meeting in 1915.

Crowd Threatens Detective Burns

Marietta, Ga. Physical violence was threatened W. J. Burns, the detective, when he came here from Atlanta late today, presumably in connection with his investigation of the case of Leo M. Frank, the young factory superintendent of Atlanta who is under sentence of death for the murder of Mary Phagan, 14 years old, whose home was here.

An angry crowd surrounded the detective as soon as his presence was discovered and followed him to a hotel, when he took refuge there. Deputy sheriffs, who had been summoned, went to the aid of Burns and he was rushed out of the city in an automobile tonight.

The crowd that gathered dared the detective to come out of the hotel, making many threats against him. Former Judge Newton Morris and T. M. Brumby, a prominent citizen here, learning of the incident, rushed to the hotel and addressed the crowd, cautioning it against violence and requesting that Burns be allowed quietly to leave the city.

Leaders of the crowd consented and the detective hurriedly came from the hotel and entered an automobile which had been summoned. The crowd threatened and jeered, telling the detective to keep away from Marietta hereafter. Eggs were thrown at him, one of them striking former Judge Morris, who with Deputy Sheriff Hicks, accompanied Burns from the city.

The detective has been prominent in efforts being made to obtain a new trial for Frank. The partial report which he recently made public charged James Couley a negro factory sweeper in Atlanta, with having murdered the little factory girl. Couley was the chief witness against Frank and was sentenced to one year's imprisonment as an accessory after the murder.

Feeling here over the case has been high ever since the girl was killed in the plant of the National Pencil Company in Atlanta more than a year ago. She was employed there as an operator of one of the factory machines.

Booth Sides to Seek for Solution.

London, April 29.—A compromise on the question of home rule for Ireland seemed today nearer than it ever has been before. There was a strong belief in Parliamentary circles that conferences between leaders of the two great parties soon would be resumed.

The House of Commons discussed the Ulster crisis again today when it wound up two days debate on Austen Chamberlain's motion for a judicial inquiry into the Government's "plot" to crush the Ulster Covenanters. The motion which virtually was a vote of censure on the Cabinet, was rejected by a party vote of 344 to 294.

The growing belief that civil war in Ireland is a reality which cannot be escaped if the present home rule bill becomes law, seems to have influenced members on both sides of the House, as it has the newspapers. The press of both opinions recently has become more conciliatory in tone than at any previous stage of the discussion.

Mr. Atwell Goes to Baltimore.

Thos Atwell of this city, has gone to Johns Hopkins Hospital for treatment for stomach trouble. He has formerly spent time in private hospitals but without much benefit. He will remain in this institution until released by the physicians. His friends in Salisbury hope for him a speedy and permanent relief.

Mrs. Silas Higgins Shot From Ambush.

North Wilkesboro, May 3.—The Hutchison-Higgins feud was reopened this morning with a shock when at day some one, unknown at this hour, shot and seriously wounded Mrs. Silas Higgins, wife of the man who is charged with the murder of Charlie Hutchison a few months ago. Higgins is still at large having immediately disappeared after Hutchison was shot.

Excitement in that section of the county, some six miles north of here, is running high and further developments are expected any moment. Bloodhounds were wired for from High Point and were rushed through the country in automobiles, arriving on the scene about 4 o'clock, in the afternoon, but up to this hour 6 o'clock, the hounds had been unable to make any start.

Young Man Injured.

White Albright a young man who works in the Patterson mill here, was right seriously injured Wednesday. While at work a belt seems to have run off the pulley, or broke, and struck him almost in the eye in fact for a time it was thought his eye had been destroyed. He was given treatment and is getting along very well and his eye seems to be uninjured.

Funston Will Take Charge of Vera Cruz Today

Vera Cruz, April 29.—The government of Vera Cruz will be handed over by the United States Navy to Brigadier General Frederick Funston of the American Army with the formal ceremony at 2 o'clock tomorrow afternoon. Rear Admiral Frank Fletcher and Brigadier General Funston together with their staffs, will be present at the function.

Robert J. Kerr, the American civil governor of Vera Cruz intends to keep the city government in the hands of Mexican officials as much as possible and the old system of taxation will be kept in operation.

No cases of small-pox have been recorded since the landing of the American marines and bluejackets.

Find 50 Bodies in W. Va. Coal Mine.

Eccles, W. Va., April 30.—Hope that any of the 175 men trapped in mine No. 5 of the New River Collieries Company, by an explosion Tuesday, are alive, was abandoned tonight by Government and State experts. At 9 o'clock 60 bodies had been located in the mine and it was expected all of these would be brought to the surface before daylight.

A blacksmith shop near the mine has been turned into a temporary morgue. Most of the bodies are said to be badly burned. It is believed no additional bodies will be found near the mouth of the mine and that many of the other victims are buried under heavy debris.

A thorough search of the mine is being retarded by falls of rock and mine timbers, while water from broken lines covers the mine at points to a depth of three feet.

Soldiers Reunion.

The old soldiers reunion will be held at Organ Church on Association day, May 21, 1914, at ten o'clock. We expect to have several addresses and a song, singing. All are invited to command bring well filled baskets.

I TOOK PE-RU-NA

Was Able to Sleep and Eat Again

Mrs. Mueller says: "I keep Peruna in the house constantly. When I am not feeling well I take a few doses. It always restores me." Mrs. Mueller's story of her experience with Peruna fully explains why she always keeps Peruna on hand. A few years ago she was very sick. The trouble seemed to be the stomach and liver. She suffered great pain. Was unable to get anything to help her. She was growing weaker and weaker. She became tired of life.

Somebody suggested that she write to the Peruna Co. She did so. Through their advice she began to use Peruna. In a letter from her at this time she says: "through the use of Peruna I have regained my health. I took only a bottle and a half when I was able to sleep and eat again and my nervousness disappeared." No wonder Mrs. Mueller keeps Peruna in the house. Under similar circumstances Peruna would be in every house in the land. Any one taking Peruna ought to have a free copy of the "Bills of Life" Address Peruna Co., Columbus, Ohio. People who object to liquid medicines can now obtain Peruna Tablets.

FEELS LIKE A NEW WOMAN

As Lydia E. Pinkham's Vegetable Compound Dispelled Backache, Headaches and Dizziness.

Piqua, Ohio.—"I would be very grateful if I failed to give Lydia E. Pinkham's Vegetable Compound the praise it deserves, for I have taken it at different times and it always relieved me when other medicines failed, and when I hear a woman complain I always recommend it. Last winter I was attacked with a severe case of organic weakness. I had backache, pains in my hips and over my kidneys, headache, dizziness, lassitude, had no energy, limbs ached and I was always tired. I was hardly able to do my housework. I had taken Lydia E. Pinkham's Vegetable Compound on one other occasion, and it had helped me so I took it again and it has built me up, until now I feel like a new woman. You have my hearty consent to use my name and testimonial in any way and I hope it will benefit suffering women."—Mrs. ORPHEA TURNER, 431 S. Wayne St., Piqua, Ohio.

Women who are suffering from those distressing symptoms peculiar to their sex should not doubt the ability of Lydia E. Pinkham's Vegetable Compound to restore their health.

If you want special advice write to Lydia E. Pinkham Medicine Co., (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman, and held in strict confidence.

Objections to Rate Increases Heard by Commission.

Washington, April 29.—Vigorous objections were urged by shippers before the Interstate Commerce Commission today that the proposed 5 per cent freight rate increase by Eastern railroads.

Generally it was maintained by counsel that the roads through modern methods of handling and transporting freight, could perform service more cheaply than formerly and instead of increasing rates, they ought to make a reduction.

Rush C. Butler of Chicago, representing lake and rail shippers, declared that constant increases of lake and rail rates gradually but surely, was driving traffic from the natural water routes of the Great Lakes to the rail route.

Frank A. Lyon, speaking for Pittsburg and Hooking Valley local interests maintained that the railroads were the only great industry that did not conform to the principle of reduction of cost of service with the increase of business and modern and efficient means of handling its business.

Charles M. Johnson, for the Pittsburg Coal Company, urged that rates for all coal transportation already were too high.

Francis B. James appeared for the National Paving Brick Manufacturers Association and other paving brick industries, for which he said the proposed advance on paving brick was more than traffic could bear.

American's Body Found Buried in Mexican Grave.

Laredo, Texas, May 8.—The body of Porfirio Laurel, an American ranchman, who disappeared last November, was recovered today from a grave near Nuevo Laredo, Mexico. Laurel had been arrested by Mexican Federalists who persistently denied reports of his execution and until the body was exhumed today the mystery of the Texan's absence was unexplained.

Recovery of the ranchman's body was made possible by the evacuation of Nuevo Laredo by the Federalists. Rebel officers commanding the Constitutionalists forces which now occupies the town interposed no objections to the investigation of relatives and friends which resulted in the location of the grave. The body will be brought to the American side for burial.

Laurel's son identified his father's body by a spectacle case, scraps of clothing in the grave and measurements of the body tallied with known measurements of the dead man.

Methodists Meet in Oklahoma City Wednesday, May 28.

Oklahoma City Okla., May 8.—More than 8000 ministers and laymen are expected to attend the quadrennial conference of the Methodist Episcopal Church, South, which will adjourn May 28.

While a number of matters of importance are to be discussed before the conference, the law-making body of the Church, interest centering chiefly in the action to be taken with regard to Vanderbilt University which the Supreme Court of Tennessee has held to be the property of, under the jurisdiction of the Church.

Whether a new college will be built or some existing school selected as representative educational institution of the Church will be threshed out first before the educational committee and later before the conference as a whole. The question of equal suffrage for women and whether or not greater power should be vested in the laity of the Church will also be considered.

Another matter which is expected to be the subject of considerable debate is whether or not permanent places of residence of the bishops should be determined by the conference. At present bishops are permitted to choose their own place of residence.

Most prominent in Church affairs declare that it is not probable that any new bishop will be elected this year. Seven bishops were elected at the last quadrennial conference. Secretaries and general officers of the Church board, however, will be elected. The bishops of the Church, in the order of their seniority in the episcopacy, will preside over the sessions of the conference.
