

SALISBURY AND ROWAN COUNTY LOCALS

The case brought by C. M. Handlerite against the Salisbury Ice and Fuel Company for short-weighting customers, has been considered by the State supreme court and the judgment of the Rowan Superior Court was affirmed. A ton of coal which this company delivered, supposedly to J. H. Smith, but in reality to Mr. Handlerite weighed only 1755 pounds. The ice and fuel company attempted to escape responsibility on a technicality, but it wouldn't go.

Sunday morning a spark from a defective flue set the roof of J. R. Klutz's residence in Spencer on fire. The fire company reached the place in time to prevent a deal of damage.

The annual commencement exercises at Livingstone college are in progress. Rev. Milton Clark, D. D., pastor of the First Presbyterian Church of Greensboro, will deliver the address next Wednesday morning. The finals will take place during the afternoon Wednesday.

Four Pullman trains passed through Salisbury last week for Atlanta. These trains carried about one thousand Shriners from California to Atlanta where the Imperial Council met. They had with them the \$10,000,000 bond composed partly of millions.

Prof. W. W. Peeler, headmaster of Trinity Park School, preached at the First Methodist Church Sunday during the absence of the pastor, Rev. John W. Moore.

The old Confederate veterans are here today and it is to be hoped are having a good time. They marched from the public square, headed by the Salisbury band, to the public school building where they listened to music, short talks and had dinner.

The Woodmen of the World of Salisbury and Spencer will have an unveiling at the Chestnut Hill Cemetery Sunday afternoon. C. A. G. Thomas, pastor of the First Baptist Church, will be the orator of the occasion.

Waverly Lyerly, who was recently sent to the gang for stealing chickens, escaped yesterday morning. He was a trusty and in charge of a team which he deserted.

Mr. Lee S. Overman and daughter Miss Kathryn, returned from Washington last week and are now occupying their home, corner of Ellis and West Innes.

Theo. Atwell, who has been at the John Hopkins hospital, Baltimore, has returned home much encouraged as to his condition. He will rest up for the summer.

It is now tax-listing time. A good many were prosecuted and fined last year for not giving in their taxes, so it will be wise to take no chances this time.

Mrs. John W. Manney, who has been living in Atlanta, has returned to Salisbury to make her home. She will make her home with her daughter, Mrs. J. C. Alexander. They will occupy the T. B. Beall residence.

The Boys' Community Y. M. C. A. has made arrangements with the Redpath Lyceum Bureau to conduct a lyceum course here next winter, beginning some time in October.

Rev. W. W. Kenerly, wife and children, of Alliance, Ohio, are spending several weeks here with friends and relatives. Rev. Kenerly is a native of this county and has been away from home for the past six years. He is a brother of H. C. Kenerly.

By some means Sid Finger got the hand cuff off one of his hands while being taken to Greentown by Sheriff McKenzie last Wednesday, and thus created a little excitement.

Dr. C. M. Van Poole, who for many years has made his home at Craven, in this county, has moved to Salisbury and now occupies the Gregg residence on the corner of Monroe and Ellis streets, which he has purchased and remodeled. Dr. Poole is one of the county's best citizens and Salisbury is glad to have him and his excellent family make their home here. Dr. Van Poole has fitted up an office over the Main Pharmacy.

The children and a number of the relatives and friends of P. J. Leonard, a successful farmer and good citizen who lives near Lexington, met at his home and celebrated his 61st birthday Sunday. Mr. Leonard moved from Rowan to Davidson County about ten years ago.

U. S. Jordan is building a neat cottage on his lot on Mocksville Avenue which he and his family will occupy when complete. Sheriff Jas. H. McKenzie is having his cottage on South Fulton Street prepared to occupy it after moving from the jail at the close of his term as sheriff next December.

The closing exercises of the Spencer graded school took place last Thursday, the commencement address being delivered by Cameron Morrison of Charlotte,

The new garage, The Star, located on Liberty Street, between Lee and Main is now open. It is in charge of Eugene Thompson one of the best machinists in the State. If Mr. Thompson can't fix your auto it is time to throw it away.

A. W. Hicks, of the Spencer Crescent, recently convicted of wrong doing while cashier of the Spencer branch of the Wachovia Bank and Trust Company and sentenced to two years in the penitentiary, left Friday night to begin serving his term. He was given a very light sentence.

Dr. J. T. Wright has offered his services as an army surgeon in case of war with Mexico. Senator Overman has had his name placed on the waiting list of available surgeons should he be needed.

The Summerett Undertaking Company has purchased the Reams & Jones stock of furniture and will, as soon as the quarters can be arranged, move the undertaking department in the quarters now occupied by the furniture store. This business is under the management of T. W. Summerett, who, besides being a first class undertaker, is well acquainted with the furniture business. The other members of the firm are Louis Miller and T. G. Farr.

Hon. Frank J. Cannon, ex-United States Senator from Utah, a speaker during the Chautauque here last week severely arraigned the Mormon church, or Kingdom. He showed that they were straining every point to spread their bounds and usurp the prerogatives of our government and thus control the nation, just as the Romanists are doing. After the address Pastor O. A. G. Thomas, of the First Baptist Church, and Dr. Byron Clark of the First Presbyterian Church, offered resolutions requesting Congress to investigate conditions and pass a law to prevent the practice of polygamy.

Rev. W. W. Kenerly, of Alliance, Ohio, Pastor of St. Paul's Lutheran church of that place, will preach for Rev. O. P. Fisher at Faith, at 11 a. m. next Sunday, 17th. He was a school mate of Rev. O. P. Fisher and will spend a few days with him while visiting in Rowan.

Friday night robbers got busy and entered or attempted to enter several small groceries stores situated in and about town. Among them the following: A. S. West, Council Street, near the depot; George O. Eagle, N. Lee Street, Will Porter, near the switch between Salisbury and Spencer; Mr. Pennington in the same neighborhood and J. S. Jacob's also near by. These stores were entered in a similar manner and the cash drawers were rifled. Nothing of consequence seems to have been carried off except a small amount of cash secured at some of them. No clue has been obtained as to who the thieves were.

Mexican Capital Scene of Unrest. Vera Cruz, May 11.—From Mexico City come late reports of quiet business conditions but of large numbers of men and boys drilling in the streets. A few nights ago a mob gathered before the Brazilian Legation and demanded that Luis D'Antin, an attaché of the American Embassy, who had taken refuge there, be delivered over. Threats were made to kill him.

The Brazilian Minister notified the State Department and added that he would only surrender D'Antin if he were overpowered by the mob. The antipathy to the attaché is due to the fact that he is the only American official left in the capital and because of his activity in relieving the distress of American non-combatants.

So far as is known no measures have been taken to fortify the capital. At Guadalupe, which is an important point on the Mexican Railway entering the city, there are no signs of fortifications. The Federals, however, are taking steps to provision Puebla, about midway between Vera Cruz and the capital on the lines of the Inter-oceanic Railroad.

COUGH TWO YEARS OLD

Yields to Vinol. Read Why. Strong vigorous men and women hardly ever catch cold; it's only when the system is run down and vitality low that colds and coughs get a foothold. Now isn't it reasonable that the right way to cure a cough is to build up your run down condition again? Mrs. D. A. McGee of Waycross, Ga., says: "I had a chronic cold and cough which kept me awake nights for two years and I felt tired all the time. Vinol cured my cough and I feel stronger in every way."

The reason Vinol is so efficacious in such cases is because it contains in a delicious concentrated form all the medicinal curative elements of cod liver oil, with tonic, blood building iron added. Chronic coughs and colds yield to Vinol because it builds up the weakened, run-down system. You can get your money back any time if Vinol does not do all we say. P. S.—For itching, burning skin try our Sazo Salve. We guarantee it. Smith Drug Co., Salisbury, N. C.

CONTEST CLOSES WITH BIG SUCCESS.

MISS BLACKWELDER WINS FIRST PRIZE WITH MISS LIPE A GOOD SECOND.

Judges Count the Votes and Name the Winners.

Last Saturday when the hands on the clock indicated noon, the voting which had been brisk all morning and was the last hours of a very interesting contest which had lasted for several weeks, THE WATCHMAN and RECORD's big campaign for subscriptions came to a close. Every courtesy and every opportunity for the contestants to do their best was accorded all alike right up to the last second, yet the close was prompt and there was no cause for dissatisfaction on the part of any one.

The contestants did good work and the number of subscriptions and votes obtained was somewhat of an agreeable surprise to all. Quite a number of the contestants were present to the last, heard the award of the judges, and though several hoped to win the main prize, the contest was conducted so fairly and the awards so just, none were heard to make the slightest complaint. The gentlemen who counted the votes and acted as judges were, Ex-Mayor F. M. Thompson, Capt. R. W. Price and J. N. Maxwell, the judges originally selected finding their business engagements such that they could not be present. The editor wants to personally thank each and every one for the work done either directly or indirectly. He regards their friendship highly and duly appreciates their kindness and interest. By their efforts a considerable number of new names have been added to our lists, and many old subscribers paid up back scores and something in advance. Of course more could have been done, but we have no reason to complain and shall go forward with renewed determination to furnish our readers with the best paper possible.

In the addition of names to our lists and crediting up of old ones no doubt some errors have crept in. Some one may be getting two papers, some one who paid may have been overlooked, some one's name or address may be wrong, etc., so, if any errors have occurred, remember we are not only ready but anxious to make corrections, if notified. The person who does not make mistakes does not exist, so give us a chance to make things right before making unkind remarks.

AFTER SUFFERING TWO LONG YEARS

Mrs. Avelin Was Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Minneapolis, Minn.—"After my little one was born I was sick with pains in my sides which the doctor said were caused by inflammation. I suffered a great deal every month and grew very thin. I was under the doctor's care for two long years without any benefit. Finally after repeated suggestions to try it we got Lydia E. Pinkham's Vegetable Compound. After taking the third bottle of the Compound I was able to do my housework and today I am strong and healthy again. I will answer letters if anyone wishes to know about my case."—Mrs. JOSEPH AVELIN, 628 Monroe St., N.E., Minneapolis, Minn.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotics or harmful drugs, and today holds the record of being the most successful remedy we know for woman's ills. If you need such a medicine why don't you try it?

MISS BLACKWELDER APPROPRIATES THE ASSISTANCE OF HER FRIENDS.

I take this method to thank the many friends who gave me their subscription to THE CAROLINA WATCHMAN and ROWAN RECORD, during the big contest conducted by these papers, and thereby made it possible for me to win the first prize, a handsome piano. I appreciate their assistance very much and hope the opportunity will come when I may return their kindness. The piano is a real good one and is admired by all who see it.

I am thoroughly satisfied that the contest was conducted with fairness and liberality toward all interested, that all were given an equal chance, that all were given their full number of votes and that the prizes were awarded to the real winners.

Very respectfully,
EVA BLACKWELDER,
