Entered as second-class matter Jan. 18th, 1906, at the post office at Salisbury, N. C., under the act of Congress of March 3rd, 1879.

Salisbury N. C., May 20, '14.

The politician seems to be an amphibious foul with such a variety of traits and characteristics that it is difficult to identify him, him, it. Just after a primary or an election some good folks and others realize they are not politicians

THE WATCHMAN has been wondering who is responsible for placing the names of Senator Overman and one E. L. Travis on the printed ballot for Saturday's primary? If the county executive committee, or its chairman, has any authority for such conduct, isn't it rather unusual? and then so more, if such a one-sided vote is to be counted as a nomination, isn't that nomination based on a very poor foundation?

The county primary law needs to be amended so as to make it a part of the judges' duties to deliver a copy of the vote of their box to the clerk of the Superior Court at the very earliest moment possible after the same has been properly counted. There is no reason for keeping the public in the dark for a week or more after the vote has been cast. Some intimate that this delay is for the purpose of giving the politicians an opportunity to suit their pleasure. The Democratic party ought to be honest with itself at least, and tampering with the vote as cast should never be tolerated a minute. There is little excuse for such a charge this year, but it never injures a party to be above suspicion.

THE WATCHMAN is glad to note the attitude of the people of the Woodleaf section of the county toward the law and murderer of Preston Lyerly. The family of the dead man exhibited a splendid spirit of self-restraint and faith in the proper and prompt execution of the law. At no time was there the least danger of mob violence and the good people mostly interested in the execution of justice deserve much credit for their sensible and righteous obedience to the majesty of law and order. For these reasons it looked rather unnecessary for the court to have put the county to the extra expense of carrying the prisoners back and forth to Greensboro, locking the court house doors, etc., all of which would have been time wasted should there been a real desire to lynch the murderer.

The last legislature made it law that the chairman of the board of County Commissioners should be a resident of Salisbury Township, and this was no bad idea, in fact it would not have been out of place to have had it read, "a resident of the city of Salisbury." In truth, no doubt this was the intent, not that Salisbury wished any improper advantage, but as Salisbury pays more in taxes than almost all the rest of the county, and then it is a central and convenient point for all. Those having business with the commissioners would naturally want to see the chairman and it would give endless trouble and worry for him to be located at any other point. We take it there is no need to urge the importance and justice of these points on the convention which will meet here Saturday and will have this matter to settle.

Correspondence

FAITH. May 18th—Sunday morning just as Rev. C. P. Fisher was ready to go to church Walter Smith and Miss Olea Peeler of Granite Quarry, drove in to the parsonage and asked him to remain at home a few moments and when the pastor inquired what he could do for them, the answer was they wanted to get married. Immediately the ceremony was performed and they went back to Granite Quarry Mr. and Mrs. Smith. Both of these young people are well known in this community and are very popular among their acquaintances. Mr. Smith is a young business man of Granite Quarry and Mrs. Smith is the oldest daughter of Mr. and Mrs. Tom Peeler. A host of friends wish them a long and happy life.

Rev. Henderson Shinn preached to a large congregation at the Reformed church here Sunday night. One of the biggest birthday dinners we have attended took place at Jacob Castor's May 15th. Mr. Castor is one of Rowan's best farmers and is a splendid citizen. This was attended to by the large crowd that gathered at his home on his 76th birthday. He was the recipient of many beautiful and valuable presents. Rev. R. R. Sowers, his pastor, returned thanks at the table and also partook of the splendid dinner prepared for the occasion. After dinner was over Rev. C. P. Fisher presented the presents and Venus took several pictures of the crowd and Mr. Castor. Mr. Castor was a soldier in the war of 1861, but he is yet strong and looks young as a boy.

J. M. Crotts, a contractor and builder from Lexington, N. C., with a large force of stone masons, commenced the erection of the dormitory and chapel of the Nazareth orphan's home at Crescent Tuesday May 12th. Mrs. Leah Boger wife of John Boger, died May 18th, age 79 years. She was buried at Lowerstone church where she had been a life long member. Rev. C. P. Fisher conducted the funeral services before a large audience. Her husband was buried there July 20th, 1913. They leave ten children, fifty-two grandchildren and eighteen great-grandchildren to mourn their loss. They lived on the Mount Pleasant road, at the old Boger home just across the Rowan county line.

24 car loads of granite was shipped from Granite Quarry May 12th. H. Kirobin, who is the most bustling young man out on the granite belt, has shipped 184 car loads of paving blocks to Cleveland, Ohio, since February 18th. Mrs. Bettie Kurf, 78 years old a sister of J. F. Castor, was at her brothers birthday dinner, as it was partly in honor of her birthday also. She received some nice presents. VENUS.

ROOK. May 18.—The land is getting dry and thus keeping farmers back a little with their work. Corn and cotton are coming up slowly. Wheat and oats are looking pretty well. J. F. Park's best team got frightened on the morning of the 11th, while harrowing, and broke away from the driver, but fortunately ran into a thicket near by and escaped getting hurt. A day or two later the horses tried it again with better success. They were hooked to the wagon this time and broke up things considerably, and one of the horses got hurt a little. When the coupling pole broke the rear part of the wagon, it went upon the front part and the wagon bed went out from one of the horses which got into a ditch.

Mrs. E. D. A. Sifford is still in a bad condition, has improved but very little. A few hundred yards south of

the school house in the public road has been a very bad place for several years. J. L. Stirewalt, a man that is not afraid of work, fixed the bad place very nicely by hauling the holes full of fine stone and then covered them with dirt. Mr. Stirewalt has a nice farm a mile or two southeast of this place. Though his farm is hilly he has good roads through it. If the people in the neighborhood would copy after Mr. Stirewalt the appearance of the community would change greatly, and it would be much better for the horses and wagons.

Jacob Misenheimer held his last services at Rock's Grove Church yesterday afternoon.

Lee Overcash is doing a splendid business in his store.

D. C. Powlas is thinking of buying a horse.

Murry Park was fooling with a small belt which ran a small turning lathe machine, and getting it entangled between two pulleys on the line shaft, the belt drew the lathe against the pulleys and broke one of them.

Robert Josey is still working in the stone quarries. SAW.

Mediators Began Work Today.

Washington, May 16.—The Huerta representatives to the Niagara Falls peace parley, Senator Rabassa, Dor Luis Garra and Senor Augustin Rodriguez, arrived in Washington this afternoon and later were formally introduced to the mediators by Sauro Riano, the Spanish ambassador. In the evening Ambassador Riano was host at a dinner in the Spanish legislation in honor of the three South American mediators at which the Huerta delegates and the American representatives to the conference Justice Lamar, Fredrick Lehmann and H. Petrolin Dodge secretary to the American mission, also were present. The dinner overflowed with good feeling.

After a day of conference between the three representatives of the Government of General Huerta, the American mediators, and the American delegates, the advance guard in the Mexican mediation proceedings tonight was on its way to Niagara Falls for the conference to open there Wednesday. The entire Mexican party, including the three delegates Senors Rabassa, Rodriguez and Eguarero, with their wives daughters and a large suite left at 8 o'clock for New York where they will remain until Tuesday before proceeding to Niagara Falls.

Two of the mediators also started for the conference, Minister Naon of Argentina, leaving at 7 o'clock tonight direct for Niagara Falls and Ambassador De Gama of Brazil going by way of New York where he will be joined by Madame De Gama and proceed to the scene of the conference tomorrow night or Tuesday. Minister Suarez of Chile will leave tomorrow and the American delegates, Justice Lamar and Frederick W. Lehmann with the American staff will leave in time to reach Niagara Falls Tuesday night.

W F Hughes of Asheboro Killed by Wheels of Wagon

Asheboro, May 13.—William Franklin Hughes of Asheboro, one of Randolph's most substantial citizens, was killed at Worthville yesterday when his brake-ropes broke and his wagon ran up an embankment and threw him under the wheels; both of which ran over him about the neck killing him instantly. Mr. Hughes was 51 years of age and was born in Edmunds Township Davidson county. He was well known throughout Randolph and Davidson Counties.

OLD FOLKS FIND NEW REMEDY RELIEVES ALL KIDNEY AND BLADDER MISERIES

Drives Rheumatic Pains Away, Relieves Backache and Bladder Disorders After A Few Doses Are Taken

Sleep disturbing bladder weaknesses, backache, rheumatism, and the many other kindred ailments which so commonly come with declining years, need no longer be a source of dread and misery to those who are past the middle age of life. The new discovery, Croxone, overcomes all such disorders because it removes the very cause of the trouble. It soaks right into the kidneys, through the walls and linings; cleans out the little filtering glands and cells, and gives the kidneys new strength to do their work properly. It neutralizes and dissolves the poisonous uric acid substances that lodge in the joints and muscles, causing rheumatism; and makes the kidneys filter and sift out all the poisonous waste matter from the blood and drive it out of the system. It matters not now old you are or how long you have suffered, Croxone is so prepared that it is practically impossible to take it into the human system without results. You will find it different from all other remedies. There is nothing else on earth like it. It starts to work immediately and more than a few doses are seldom required to relieve even the most chronic, obstinate cases. It is the most wonderful remedy ever made for restoring the lifeless organs to health and strength and ridding the system of every particle of uric acid, and you can take it with the utmost confidence that nothing on earth will so quickly cure such conditions. You can obtain an original package of Croxone at trifling cost from any first-class druggist. All druggists are authorized to personally return the purchase price if Croxone should fail in a single case.

Lameness

Sloan's Liniment is a speedy, reliable remedy for lameness in horses and farm stock. Here's proof: "I had a horse lame in his shoulder by pulling, and he so lame he could not carry foot at all. I got a bottle of your Liniment and put it on four times, and in three days he showed no lameness at all, and made a thirty mile trip beside me." - W. H. Collier, near Smith, McDonough, Ga.

For Sores and Thrush "I have used Sloan's Liniment on a fine mare for sores and thrush. This place she had for some time. I have recommended it to my neighbors for thrush and they say it is fine. I find it the best Liniment I ever used. I keep on hand your Sure Colic Cure for myself and neighbors, and I can certainly recommend it to the Colic Cure, to Sloan, McDonough, Ga.

SLOAN'S LINIMENT

TO SEE THAT STATE IS REPRESENTED.

Raleigh, May 11.—Permanent organization was perfected today by the special commission recently named by Governor Craig to see to it that North Carolina is adequately and creditably represented at the Panama-Pacific Exposition next year, Gen. Julian S. Carr of Durham being selected chairman and Col. Fred A. O'Connell as secretary. The meeting was in the executive offices of Governor Craig, who took part in the deliberations.

Important committees were appointed and Governor Craig agreed to make the trip across the Continent in June, leaving here June 20, to San Francisco for the purpose of selecting the site for a North Carolina building. In this building there will be installed the exhibits to represent the industrial, agricultural and other activities of the State, and there will also doubtless be a special moving picture equipment that will give to the great throngs of visitors from all parts of the world illustrations of the industries, the scenery and other attractive features.

The following committees were appointed to get busy on the preliminary arrangements: Committee to confer with the Department of Agriculture as to co-operation—J. A. Brown, Chadburn; George A. Holderness, Tarboro; T. D. Brown, Salisbury. Executive committee—J. S. Carr, George A. Holderness and J. H. O. Drewery, Raleigh. Finance committee—Leonard Tufts, Pilewharret; J. S. Carr, and T. S. Powell, Asheville.
