GOLD KNOB.

May 18.—Cold weather for May, isn't it?

Farm crops are looking fairly good, but cotton is coming up very slowly.

Mumps is still prevalent. Too many cases to report.

Paul C. Barger has been indicted for a few days with gastritis, but is out again we are glad to report.

Land is too dry to plow. Much crimson clover land is still unplowed and will make the planting of corn on cover crops exceedingly late.

Elma Waller has just killed the "premium" snake. He said it measured six feet and fourteen inches by actual count. Now her grandpa Venus make your big snake crawl.

The young people of the "Knob" gave a surprise party to Moses Lewis, and Erwin Brown, last Saturday night. About forty of their friends slipped in on them and gave them a complete surprise. After the surprising was all over, they went to the dining room where they found the table heavily laden with cake, candy, and numerous other refreshments to be served. After the refreshments were served and a general good time was had they repaired to their homes except "Marcus" who tarried until late in the night.

Saturday night, while H. J. Brown was attending lodge meeting at Rockwell, a me unknown microaut was seen prowling around the house by Mrs. Brown, evidently hunting a place to sleep.

Mrs. Brown was frightened and went to a neighbor's house and gave the alarm. The house and barn was searched but no trace of him could be found. Right here serve notice that one of these night comers of the night prowler is going to be handed enough ammunition to set up a sporting story for himself.

Since Dr. C. M. Van Poole, who was local register of vital statistics of Providence Township, has moved to Salisbury, Arthur Klutz who acted as deputy register under Dr. Van Poole, has been promoted to local register of births and deaths for said township. All births and deaths should be reported to the local register within ten days after each birth and death. This is a statute law in North Carolina, and the local register is held responsible to report these births and deaths which report the most make on the 10th of each month.

Miss Jane Eliza Trexler, who was born January 22, 1851, and departed this life May 9, 1914, aged 63 years, 8 months, 15 days. Miss Trexler had been a sufferer for a long time with cancer of the spleen and liver and it was thought some months ago that her time was very short but she held on making a hard fight for life until on May 9th, when death claimed its victim. Miss Trexler was a good christian woman and was loved by all who chanced to know her. In early life she was confirmed and joined St. Luke's Reformed Church at which place she was a constant member up to her death. Her funeral services were conducted from St. Luke's Church by the pastor, Rev. J. H. Koon. Miss Trexler leaves three sisters, two brothers and a host of friends to mourn their loss.

We mourn but not as those who have no hope.

LEE.

ROCKWELL, ROUTE NO. 2.

Augustus Deal of Cabarrus County, is preparing and planting his bottom land near Organ Church.

There was no preaching at Organ church last Sunday on account of the pastor being at Synod.

Effie Deal visited at Mrs. Maggie Wenzil's May 9th.

We are informed that some one had the kindness to take a number of buggy whips out of buggies at Rock Grove Sunday night, May 8th. While preaching was in progress, also of some very bad behavior on the road home. It really seems that one should have something higher and better in view than that of this kind and it would be a great deal better for the community and for themselves if they would not go to church at all.

Faith and the Rocks baseball teams crossed bats Saturday, May 9, on the former's diamond. The score was 20 to 6 in favor of Faith.

Park Local No. 658, Farmers' Co-operative Union of America, held a very important meeting Saturday night, May 9. This Local is doing quite a number of things which are of great value to the farmers of our community and are planning to do greater things in the future. It is hoped by our efficient officers that the members will all attend more regular and get more benefits out of the union than some of them have in the past. The Farmers' Union is one of the best organizations that has ever been organized in

the South for the benefit of the farmers, and when the farmers organize the value this organization can be to them that the Union will be a blessing to the farmer and make many happy homes. As there are quite a number of farmers in our community who do not belong to the Union, Park Local extends outstretched hands ready to receive all good men and farmers into the Union. Saturday night, May 23, there will be another important meeting of the Union and it is hoped all members will be present. It is hoped to have several speeches by members of the Union.

Carroll Miller, local supervisor in Gold Hill Township, began operation on the Mt. Pleasant road Thursday, May 14th. Mr. Miller is using a large Chatsworth plow attached to his six-horse power traction engine to rip up the dirt and mark the location of the new road. A road scraper is used to pull the dirt to the middle of the road. Mr. Miller is doing some splendid work. The writer has often heard people argue that six horses hitched to a scraper would give better results than an engine, but this is not so as an engine will pull a scraper more regularly and deeper than horses. The writer having having seen both work would prefer the engine for the best results and also as being the cheapest considering the amount of work done.

Lowercase and Rockwell crossed bats May 9th in which Lowercase was victorious. The score was 9 to 10 in favor of Lowercase.

Mr. and Mrs. George Beaver of Salisbury visited relatives in this community May 18th.

Dorcy Barger visited in this community May 10.

George Hupp, who holds a position in Salisbury, visited relatives near Organ church May 10.

A good blacksmith is badly needed by the people of this community as there is none near: near Faith and Rockwell. We believe that if a good blacksmith would locate near Organ Church he would have all the work he could do.

Mr. and Mrs. B. C. Eagle visited at E. D. A. Stifford's May 10.

Mr. and Mrs. William Basinger visited at Salisbury Shipping May 10.

Rev. Jacob Misenheimer visited at W. H. Erubardt's May 10.

James Park of Rockwell has accepted a position with Edward Leonard, proprietor of the restaurant formerly run by Otto Rapp.

Columbus Troutman a well to do farmer of this community died May 11 with a severe case of la grippe and other troubles combined. Mr. Troutman was a splendid farmer and well liked by all.

Rev. R. R. Sowers preached a fine sermon at Abs. Cross' Sunday evening. There was a large crowd out to hear him.

PRESENT

May 15.—Mrs. Crawford Peeler has not improved any, we are sorry to report.

Mrs. Alex Lyerly is improving very slowly.

Mrs. L. W. Safrin had her first mess of cabbage May 12. Who can beat that?

H. L. U. Shinn, who has been going to school in Ohio for the last few years, is spending a week or so visiting relatives and friends in Rowan. While here he has been preaching at the different places. This is the first time Mr. Shinn has been in old North Carolina for three years. He says a great deal of change has been made.

Rev. W. C. Lyerly, who has been going to school in Ohio also, has returned home to take up his duty preaching, as he has accepted the Bear Creek charge. We wish both of these young men much success in their work.

Thursday evening about 4 o'clock the friends and neighbors gathered at the home of Mrs. L. W. Safrin's and gave her a surprise supper a most bountiful table was spread, of which everybody ate all that they wanted and plenty was left. There were five preachers present and after the supper was over, each minister made a very interesting talk. All that was present seemed to have enjoyed the evening and went away wishing that they all could meet again in time to come.

Little Miss Mable Fisher of Rockwell, is spending the week with her aunt, Mrs. W. M. McCombs.

Robert Peeler has purchased a dandy horse. So look out girls he is liable to call around, but if there is any one who enjoys riding and would like to take a ride let him know and he will sure be around. He has already taken a trip to China Grove with it, as he has a friend up there who likes to ride. Polly was one of the first girls to ride with him after he bought it. I tell you Robert has a "dandy."

The new granite building at the orphanage is on the boom again.

D. M. McCombs has purchased a new buggy.

A. M. Lyerly had his buggy overhauled and painted which makes it look like a new one.

Miss Mary Peeler of Rockwell, spent Thursday night with Miss Katie Holsouser.

Rev. J. A. Koons spent Thursday night at J. R. Fisher's.

Mrs. L. A. Fesperman, who has been at the Whitehead-Stokes sanatorium in Salisbury is very much improved we are glad to report. POLLY.

Sick Women Made Well

Reliable evidence is abundant that women are constantly being restored to health by Lydia E. Pinkham's Vegetable Compound

The many testimonial letters that we are continually publishing in the newspapers—hundreds of them—are all genuine, true and unsolicited expressions of heartfelt gratitude for the freedom from suffering that has come to these women solely through the use of Lydia E. Pinkham's Vegetable Compound.

Money could not buy nor any kind of influence obtain such recommendations; you may depend upon it that any testimonial we publish is honest and true—if you have any doubt of this write to the women whose true names and addresses are always given, and learn for yourself.

Read this one from Mrs. Waters:

CAMDEN, N. J.—"I was sick for two years with nervous spells, and my kidneys were affected. I had a doctor all the time and used a galvanic battery, but nothing did me any good. I was not able to go to bed, but spent my time on a couch or in a sleeping chair, and soon became almost a skeleton. Finally my doctor went away for his health, and my husband heard of Lydia E. Pinkham's Vegetable Compound and got me some. In two months I got relief and now I am like a new woman and am at my usual weight. I recommend your medicine to every one and so does my husband."—Mrs. LILLIE WATERS, 1135 Knight St., Camden, N. J.

And this one from Mrs. Haddock:

UTICA, OKLA.—"I was weak and nervous, not able to do my work and scarcely able to be on my feet. I had backache, headache, palpitation of the heart, trouble with my bowels, and inflammation. Since taking the Lydia E. Pinkham's Vegetable Compound I am better than I have been for twenty years. I think it is a wonderful medicine and I have recommended it to others."—Mrs. MARY ANN HADDOCK, Utica, Oklahoma.

Now answer this question if you can. Why should a woman continue to suffer without first giving Lydia E. Pinkham's Vegetable Compound a trial? You know that it has saved many others—why should it fail in your case?

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No one sick with woman's ailments does justice to herself if she does not try this famous medicine made from roots and herbs, it has restored so many suffering women to health.

Write to LYDIA E. PINKHAM MEDICINE CO. (CONFIDENTIAL) LYNN, MASS., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.
