

HUSBAND RESCUED DESPAIRING WIFE

After Four Years of Discouraging Conditions, Mrs. Bullock Gave Up in Despair. Husband Came to Rescue.

Catons, Ky.—In an interesting letter from this place, Mrs. Bettie Bullock writes as follows: "I suffered for four years, with womanly troubles, and during this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side.

The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good.

I had gotten so weak I could not stand, and I gave up in despair.

At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose, I could tell it was helping me. I can now walk two miles without tiring me, and am doing all my work."

If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 50 years of continuous success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. He will recommend it. Begin taking Cardui today.

J. W. Schriest, State Councilor of the R. O. U. A. M., made an address to Rockwell Council No. 170, Saturday night, May 16th. Quite a large number of Juniors was present and all expressed themselves as being well pleased with the speech he made.

Messrs Obadiah Eller and John D. M. Deal, both old Confederate soldiers attended the reunion at Salisbury a few days ago.

Rev. R. R. Sowers will be installed as pastor of Organ Church the 5th Sunday in May. Rev. N. D. Bode will preach the installation sermon at 11 a. m. and Rev. C. A. Brown will preach at 2 p. m. Dinner will be served in the grove.

Clay Shinn while attending the old soldiers reunion at Organ Church, came very near getting burned by the carelessness of some cigarette smoker. While mingling through the crowd, one cigarette snoker threw a cigarette stub on the young man's pants. It lodged in the cuff of his pants and had begun to burn when some one called his attention to it. Had it burned a few seconds longer something serious might have happened. It seems that some people are very careless about fire. John Josey is giving his dwelling used by his cropper a coat of paint.

The old soldiers reunion was held at Organ Church May 21st. There was a large crowd of people present and the usual program was carried out. These reunions bring together the veterans who fought for a lost cause but they showed to the world what true heroism was and how the brave men of the South fought for a cause they thought was a just one. But each reunion some familiar face is missing and as the roll is called it is learned that he has answered the roll call of our supreme commander and has joined his comrades beyond the river. The Textile School will Open at Raleigh as Usual.

The textile building of the textile department was almost completely destroyed by fire on March 25th. This was a great loss to the A. & M. College, but work has been begun on a new and enlarged building which will be ready for the opening of college in September.

An excellent equipment of the latest and most up to date machinery will be installed during the summer. Much of this equipment has been donated by machinery manufacturers who look upon the textile department at the A. & M. College as one of the best textile schools in the South.

A leaflet explains how the textile work is taught and also gives a list of positions which are filled by graduates of the textile department. Which may be had by applying to the A. & M. College. The textile school is doing a splendid work for young men who wish to engage in this line of work.

We met Robert Ketter of the Yost neighborhood the other day. He will have a lot of nice things on exhibition at the Rowan County fair this fall. He is a progressive, up-to-date farmer.

C. C. Wyatt has a position with the block making crowd as tool sharpener.

Mrs. Crawford Peeler is still very ill.

Solomon Yost is still confined to his bed.

Venus had the pleasure of attending the exhibition at the Yost school house ascension night and it was a grand success. The Rodgers and Klutz string band furnished music and it was fine. Sidney Beaver was one of the funny men in one of the debates and he played his part well. Miss Lena Beaver was house girl, carried out her part fine and created applause from time to time. Romish Rels Intolerable And Force Civil War.

London, May 24.—In 48 hours, perhaps less, the home rule bill will pass in its third reading in the House of Commons, barring accidents and in due course become a law, despite opposition by the House of Lords, who vetoed under the Parliament act, its limit to two successive sessions.

There will be a long hard fight however and possibly civil war in Ireland before a Parliament is set up in Dublin, for the Ulstermen, determined that the Protestant portion of the province shall be excluded from the bills operation, threaten to establish a provisional government as soon as the bill leaves the House of Commons.

The third reading was interrupted Thursday when the speaker suspended the sitting, because of the obstructive tactics of the Unionists. Andrew Bonar Law, leader of the opposition tomorrow will again ask Premier Asquith to acquiesce the House with the terms of the amending bill which he has proposed. If the Premier refuses to do so, the Unionists may leave the chamber in a body, in which case the Government would pass the bill and adjourn over the Watsons holidays.

London, May 25.—Home rule for Ireland today became practically certain, it was believed by supporters of the measure. The House of Commons this afternoon in a division, passed the measure by a vote of 321 to 274.

John E. Redmond, the Irish Nationalist leader, in a statement tonight said that the action of the Commons, was equivalent to the passage of the bill into a law.

"I hope that the Ulsterites, who are getting nervous as to their position, will abandon unreasonable demands and enter into a conciliatory discussion with their fellow countrymen with regard to the points of the bill upon which they desire further safeguards," said Mr. Redmond.

Parks Died Bravely Says Rurale Office

Vera Cruz, May 20.—The two thoroughbred horses belonging to Lieutenant-Colonel Taggart, with which Private Samuel Parks disappeared on Mexican lines on May 6, were returned yesterday by a Mexican lieutenant rurales, who is reported to have admitted that he executed Parks, and said he did this under orders from his superiors.

He stated that Parks died bravely, facing the firing squad with his eyes unbound and without a sign of flinching.

The two horses were in bad condition. They had evidently been without food for several days, and one had a gas on the head, showing bad treatment on the part of the Mexicans.

Commander in Chief Carr Calls Reunion for June 9

Raleigh, May 21.—Adjutant General H. A. London of the North Carolina Division United Confederate-Veterans has issued the general order of Gen. J. S. Carr, commander in chief for this State, for the veterans to assemble in Raleigh, June 9 and 10 for the annual reunion which will be held in connection with the ceremonies for the unveiling of the monument to the North Carolina Women of the Confederacy presented to the State by the late Ashley Horne of Clayton.

The order directs that all veterans who desire free entertainment send their names at once to Capt. A. Greig of Raleigh, and specifies that the veterans are not expected to arrive here until the morning of June 9. By notifying Captain Greig there will be free reservations made for them at once. The first session of the reunion will be held on the afternoon of June 9.

First Newspaper Printed in English Language

The first newspaper printed in the English language, with its old-English type and its quaint account of events in foreign countries, was a pamphlet issued in 1621. Its title, "Corrant or Nevves from Itallie, Germanie, France and other places," is as curious as its contents. For many years it had been supposed that no copy of the Corrant was in existence, but recently a copy of this interesting document was discovered, and a photograph of one page of it is reproduced in June Popular Mechanics Magazine.
