says Mrs. Sylvania Woods, of Clifton Mills, Ky., in writing of her experience with Cardui, the woman's tonic. She says further: "Before I began to use Cardui, my back and head would hurt so bad, I thought the pain would kill me. I was hardly able to do any of my housework. After taking three bottles of Cardui, I began to feel like a new woman. I soon gained 35 pounds, and now, I do all my housework, as well as run a big water mill. ### FARMERS TO SAVE \$70,000,000

This is Estimated Effect of Cotton Exchange Bill if Passed

Washington, June 6.—Senator Hoke Smith thinks that the passage of the cotton exchange bill now before the House will save the farmers of the South \$70,000,000. It will yield quick returns and break up gambling.

In a statement issued today Mr. Smith said: "Much legislation has passed since the 4th of March, 1913, which will give an opportunity to the South for the development of its resources, but I do not believe that any of this legislation will more immediately bring a return to North Carolina and the South than the bill which passed the Senate and is now pending in the House to break up the present system of the New York Cotton Exchange.

"Through the New York Cotton Exchange there is sold and bought daily more cotton than in any other place in the world. Its daily price list for cotton both for immediate delivery and delivery during 11 future months is published each day in nearly every daily paper in the United States. The publication extends to most all foreign countries. They fix the estimate throughout the world of the market value of lint cotton. Many buyers in the fall instruct their agents to buy at prices based upon the quotations of the New York Exchange. The Cotton Exchange thereby largely controls the prices to the farmer.

"The present system of conducting business on this exchange permits the seller through it to deliver in a way that makes it possible for him to sell middling cotton and deliver something else, odds and ends of cotton so poor that it is at times almost useless for manufacturing purposes. The system permits this delivery of inferior grade and character of cotton without the payment by the seller to the buyer of the market difference between what he delivers and the middling cotton which is nominally sold on the exchange.

### UP TO THE PRESIDENT

Munitions or war continue to flow into Rebel Camps

Niagara Falls, June 6.—Conflicting influences threaten to disrupt the mediation conferences at an early date. Such is the belief expressed by those most intimately acquainted with the peace-making proceedings.

"If the fate of mediation rests with President Wilson and if he does not take hold with a firm hand immediately the Niagara Falls conference will be dashed on the rocks," said one man in close touch with the mediators.

President Wilson in an hour could issue an order prohibiting the clearance of rebel war supplies from the United States to Mexico. Instead, owing to an alleged confusion of department instructions, arms and ammunition are continuing to flow into the camps of the revolutionists.

President Wilson has the power to influence with Carranza and Villa to force them to quit fighting long enough to participate in the mediation meetings and agree to a pacific reorganization of the Mexican government.

"The president, however, let matters drift. Mediation is deadlocked. The Huerta delegates at Niagara Falls are kept waiting by Secretary Bryan's support of Carranza's appeal for representation here. Carranza is told he will be admitted if he will grant an armistice. Carranza has kept the mediators waiting since Thursday and has not yet made a reply.

The Mexican delegates have the whole responsibility of making peace upon the Wilson administration. In a statement today they say that Huerta will resign and his followers agree to a peaceful re-organization of Mexico if the United States will do its part. The statement makes no open remonstrance against the state department's alleged alliance with the rebels or the open shipment of arms and ammunition from the United States to the revolutionists.

The Mexicans ask only for peace "which will guarantee for the nation that maintenance of law and order which is indispensable to the exercise of constitutional functions

### Anti-Trust Bill Passed in Three

Washington, June 5.—All three bills of the Administration trust program passed the House today and went to the Senate for action. Opposition melted away when the final test came and the voting went through quickly and without incident. The Covington interstate trade commission bill was passed without a record vote; the Clayton omnibus anti-trust measure received 275 votes to 54 against it, and the vote on the capitalization bill was 325 to 12.

Action on the trust bills came rather unexpectedly. The three measures had been agreed to in "committee of the whole," the Rayburn bill as amended by the committee being completed late today.

When the trade commission bill came before the House for a final vote, Progressive Leader Murdock moved that it be sent back to the Interstate Commerce Committee with instructions to report the Murdock bill as a substitute. This was rejected 151 to 19 and the pending bill was passed without a roll call. Then the votes on the other two measures were taken in rapid succession. Representative White of Ohio, was the only Democrat to vote against the Clayton bill and the Progressives voted for it, except Representative Chandler of New York. Forty-three Republicans and 16 Progressives joined the majority in supporting the measure.

### MAKES BACKACHE QUICKLY DISAPPEAR

A Few Doses Relieves All Such Miseries. Bladder Weakness, Kidney Trouble and Rheumatism Promptly Vanish

It is no longer necessary for any one to suffer with backache, kidney trouble, have disagreeable bladder and urinary disorders to contend with or be tortured with rheumatism, stiff joints, and its heart-wrenching pains, for the new discovery, Croxone, quickly and surely relieves all such troubles.

Croxone is the most wonderful remedy yet devised for ridding the system of uric acid and driving out all the poisonous impurities which cause such troubles. It is entirely different from all other remedies. It is not like anything else ever used for the purpose. It acts on the principle of cleaning out the poisons and removing the cause.

It soaks right in through the walls, membranes and linings, like water in a sponge, neutralizes, dissolves, and makes the kidneys sift out and filter away, all the uric acid and poisons from the blood, and leaves the kidneys and urinary organs clean, strong, healthy and well.

It matters not how long you have suffered, how old you are, or what you have used, the very principle of Croxone is such, that it is practically impossible to take it into the human system without results. There is nothing else on earth like it. It starts to work the minute you take it and relieves you the first time you use it.

If you suffer with pains in your back and sides, or have any signs of kidney, bladder troubles, or rheumatism, such as puffy swellings under the eyes or in the feet and ankles, if you are nervous, tired, and run down, or bothered with urinary disorders, Croxone will quickly relieve you of your misery. You can secure an original package of Croxone at trifling cost from any first-class druggist. All druggists are authorized to personally return the purchase price if it fails in a single case.
