

HUSBAND RESCUED DESPAIRING WIFE

After Four Years of Discouraging Conditions, Mrs. Bullock Gave Up in Despair. Husband Came to Rescue.

Caron, Ky.—In an interesting letter from this place, Mrs. Bettie Bullock writes as follows: "I suffered for four years, with womanly troubles, and during this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side."

The doctor was called in, and his treatment relieved me to a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good.

I had gotten so weak I could not stand, and I gave up in despair.

At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose, I could tell it was helping me. I can now walk two miles without tiring me, and am doing all my work."

If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 50 years of continuous success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. He will recommend it. Begin taking Cardui today.

2ND CREEK AND DUNN TOWN

July 6.—We have been having some good showers around here during the past week and the crops are looking better.

M. S. Freeman, J. L. Bringle and the writer attended the quarterly conference and Sunday school rally at South River Methodist Church last Saturday, and to say that we had a good time is putting it very mild. Those South River folks know how to entertain visitors and make them feel at home when with them.

It is reported that a couple of our young men accompanied their best girls home one night last week without their shoes on. Better look out boys you might get the toe itch going in the dew barefooted, or possibly the hook worm.

Clyde Jones, who runs a beef market in Salisbury, was up in our section one day last week hunting beef cattle.

Pat Lucas, who has been running a saw mill in the upper edge of the county, had the misfortune to lose his saw mill by fire one night last week. It caught some how at night and burned up before morning. It was a complete loss as he carried no insurance. He has the sympathy of the entire community in his misfortune.

There will be preaching at Gay's Chapel next Sunday night. The Lesson for next Sunday in the Sunday School and Bible Class at Gay's Chapel will be the "Greatest Through Service" and the lesson through Christ's life and an example of service to others. Come out and be with us.

Mrs. Katie Harkey an aged lady of this section is very sick at this writing.

Mr. White, the chicken man from Salisbury, stayed all night with Charley Jacobs Saturday night.

John Bringle, our butcher man, is still a butchering. OLD TIMER.

ROCKWELL, ROUTE NO. 2.

July 6.—We had a splendid rain July 1st.

Rain undermined the dirt at a metal culvert near Monroe. Katmer's and Clarence Bernhard's mail carrier on route No. 3 from Salisbury, ran into it with his automobile and worked two and one half hours before he could get out.

Moses Ketner, who purchased a large threshing outfit this season, threshed in our community last week and did splendid work. Mr. Ketner's work gave the best of satisfaction.

It seems that clipper think that Uncle Bill's young lady lost his pencil. Well, we will not dispute Clipper's word, for judging the size of Clipper's family, we think he has had ample time to experience all these things. Uncle Bill has been quite busy lately by the baby crying, the road workers' clever work, the large crop needing attention, the burdensome tax to pay, and the Lord only knows what all, so have not had time to do much writing, but have decided to face our troubles and afflictions in a mild and business like manner and we think as Gen. Lee said at Appomattox, all will come right in the end.

Corn and cotton is looking well in this community. Wheat is making a splendid yield to the acre in this vicinity.

John Joey and children visited Mr. Josey's daughter, Mrs. Frank Laner at Monroe, a few days ago.

Quite a number of people of this community attended the big junior celebration at Gold Hill July 4th, which they enjoyed very much.

Paul Deal lost a fine horse a few days ago.

John Litaker had the misfortune to lose one of his large horses last week.

The Rockwell band furnished music for the Junior celebration at Gold Hill on the 4th.

The writer heard a terrible uncommon noise near his home a few days ago and was puzzled to know what it could be in such a quiet country. At first he thought the U. S. had declared war against Mexico and some high government official had come to enormous Uncle Bill to go and fight for our flag, but finally the noise came nearer and a terrible frightful looking thing, which came like lightning and panted like a steamp, drove up to Uncle Bill's mail box and, after Uncle Bill got over his excitement to his amazement, he found it to be our faithful mail carrier who had thrown off the yoke of ignorance and superstition and having decided to be progressive, had bought a motorcycle and was making his first trip with it.

Well for fear we might tire the good readers of THE WATCHMAN we will ring off hoping all success in life. URCLE BILL.

GOLD KNOB.

July 6.—The drought seems to have been broken. We have been pleased with several good rains.

The Trexler-Crawford Threshing Company began threshing this morning for the season. Blackberries are ripe, fruit is ripening and those who have the privilege of breathing God's fresh air in the rural district, are almost in paradise.

Miss Mamie Barger spent Saturday night and Sunday visiting her aunt, Mrs. L. A. Sturtevant, in Salisbury.

Lewis L. Brown of this place, came very near getting killed by lightning last Saturday evening when lightning struck a tree near him in the yard and rendered him semi-conscious for awhile.

Some of our people spent the glorious fourth at Gold Hill, some went to Salisbury, while some others stayed at home. However everybody seemed to enjoy themselves immensely.

There will be an ice cream supper given at Gold Knob school house on the third Saturday evening in July beginning at 8 o'clock under the auspices of the Woman's Home and Foreign Missionary Society of St. Peter's. Everybody is cordially invited.

On the third Sunday in July the Rev. R. S. Patterson of Charlotte, will preach a mission sermon at St. Peter's, at 11 o'clock a. m. In the evening beginning at 8 o'clock the young people will render the mission service entitled "Missions Illustrated". Rev. R. L. Brown, author of the service, will be present.

Prof. and Mrs. Clarence E. Phillips of Atlanta, Ga., are spending some time visiting Mr. Phillips parents. Mr. and Mrs. P. M. Phillips.

Rev. H. A. Trexler preached his anniversary sermon at St. Peter's church on last Sunday 28 years ago Rev. Trexler preached his first sermon in this church being then a young man and just started in the ministry. Mr. Trexler preached on this charge for six years and was then called away to work in the vineyard at other churches. Having been away from home for 21 years he decided last year "to arise and go back home". He therefore accepted a unanimous call from this charge and on January 1st he began work for his home people once more. Rev. Trexler has changed much since his last journey with us and also has found a great change in the congregation. The old congregation has almost passed to the great beyond and an entirely new one has taken its place. Since beginning his work in the ministry Rev. Trexler has done the following work: Baptised 649, confirmed 202 received by letter 118, sermons 1500, catechised 720, visits 4000, marriages 102, and preached 200 funerals. Pastor Trexler is one of the strongest ministers in the North Carolina Synod, and, while he is growing older in years, he is also growing stronger in the work of the Master. L. E.

CRESCENT.

July 8.—This community was visited Wednesday evening by a very severe rain and wind storm which did a good deal of damage to the fruit trees and such like.

L. B. Fink of Richfield, spent last Sunday visiting in Crescent.

Miss Mary West Isenhour of Salisbury, spent a few days last week visiting relatives and friends of this place.

There will be children's day service at Crescent Sunday night, July 12th. Everybody is invited to be present.

Miss Annie Lee Pless spent last Sunday visiting one of her schoolmates near Rimer Town.

Some of the young people from here spent the 4th in Salisbury. They report a nice time.

Feldman Yates spent Friday night in Salisbury. POLLY.

What Others are Saying?

While he is about it Walter George might explain why he was peddling his stock around the capitol instead of in Wall street. We know nothing of the Gold Hill mine, yet we would have more faith in the proposition if somebody else was promoting it. If Mr. Newman's mine was as rich as all that we do not believe that he would have to go outside of North Carolina to secure capital with which to operate it.—Durham Herald.
