

HUSBAND RESCUED DESPAIRING WIFE

After Four Years of Discouraging Conditions, Mrs. Bullock Gave Up in Despair. Husband Came to Rescue.

Cocoa, Ky.—In an interesting letter from this place, Mrs. Bettie Bullock writes as follows: "I suffered for four years, with womanly troubles, and during this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side. The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good.

I had gotten so weak I could not stand, and I gave up in despair.

At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose, I could tell it was helping me. I can now walk two miles without stopping, and am doing all my work."

If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 50 years of continuous success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. He will recommend it. Begin taking Cardui today.

RURAL NEWS

SALEM.

Oct. 2—Rather cool these nights. Jack frost is coming with his big coat on. Boys set your rabbit hollows. People are beginning to sow oats and wheat. Cotton gins around here are running in full blast these days.

The Salem fall community will be held on the 2nd Sunday in October. Preaching on Saturday at 2 p. m., on Sunday at 11 a. m. Pastor Ritchie wants to see a full house. He has something to tell you all. Come out and hear it.

Last Thursday morning a few of the Salem members came to the parsonage to do some repairing. One side of the ell was covered and some work at the barn was done.

Last Thursday, Rev. Ritchie and family, Ed. Sifferd and family, and Mrs. Pearl Couble were invited over to Rufus Safrit's to a birthday dinner. All went and found the dinner ready with many good things to eat. Mr. Safrit had reached his 60th mile stone.

Jake Menius had his old house remodeled and he is now building a new barn and put a new chimney to his house.

Today John Boge's property was sold to the highest bidder at the old home.

Rev. Ritchie was called to Landon Church to preach the funeral of Locke Thompson's daughter, who died at the sanatorium in Salisbury a few days ago. S.

DEEDS, NOT WORDS.

People Have Absolute Proof of Deeds at Home.

It's not words but deeds that prove true merit.

The deeds of Doan's Kidney Pills for Salisbury sufferers, have made their local reputation.

Proof lies in the testimony of Salisbury people.

S. J. Horton, 208 W. Monroe St., Salisbury, N. C., says: "For some time my kidneys were giving me a great deal of trouble. My back was very weak and lame and the kidney secretions were too frequent in passage, causing me annoyance. Doan's Kidney Pills cured me and I have not had any kidney complaint since."

A SECOND STATEMENT.

On March 2, 1912, Mr. Horton says: "All I said some time ago recommending Doan's Kidney Pills was correct. There is no doubt about Doan's Kidney Pills being a valuable remedy."

Price 50c, at all dealers. Don't simply ask for a kidney remedy, get Doan's Kidney Pills, the same that Mr. Horton had. Foster-Milburn Co., Props., Buffalo, N. Y.

FROG BRANCH.

Mr. and Mrs. David Bean visited Front Front Sunday.

Bulah Wyatt visited A. L. Ketchie's Sunday.

Robert Park is visiting over across the hills. I guess he means business.

N. C. Wyatt is walking on both feet at once and wearing a 4x4 grin that wont come off.

James Morgan and Charlie Shepherd visited at A. L. Ketchie's Sunday night.

Grover Williams is visiting above second creek. Look out Grover and don't fall in the deep blue water.

A. L. Bisme is crossing the creek very often. I don't know what is his business. Rather soon for trapping.

The farmers are getting their land ready for sewing cats and wheat.

Grover Williams and Robert Park took a flying trip to Salisbury Saturday.

With best wishes to THE WATCHMAN and RECORD.

TRADING FORD.

Oct. 5—Rain at last, but too late except for plowing wheat land.

Lock out for frost. The iron weed blossoms are about open. This is a very good sign for frost.

C. H. Klutz ginned the first bales of cotton last week for this season. There will be very few bales to gin this year around here.

It seems that the buy a bale of cotton system is going very slow here. Almost everybody among the farmers will have a bale or so to sell and some are afraid to buy or sell at ten cents.

Trading Ford Church is without a pastor at present as Rev. Carriek having resigned some time ago. It has been quite awhile since this church has been without a preacher. It is hoped they will get another one soon.

W. A. Waggoner and wife from Misenheimer, Stanly County, were visitors here last week and they report good crops and good times down in Stanly.

The election is drawing near and we want some good speakers to come around and cheer us up a little so we will know who to vote for. We hope everybody will turn out and vote a strong ticket this fall. SAM SNORT.

FAITH.

Sept. 8.—Venus has just returned from the Concord Home Coming Celebration where he was the guest of the committee there.

R. B. Peeler and Robert Brown with their teams passed through Faith today with a big monument to be erected at the grave of Rev. D. I. Droher and wife, from Brown, Wiley and Kerns marble yard, at Granite Quarry, where it was made.

J. E. Holler departed this life September 29, age sixty-three years, six months and two days. He leaves a wife and five children, to wit: Mrs. J. L. Peeler of Faith; Mrs. Leo Peeler, of Faith; Mrs. C. B. McBride of Mt. Airy; W. D. Holler and Miss Pearl Holler of Faith, twelve grandchildren, two brothers and two sisters of Catawaba County. All of his children were present at the time of his death. Mr. Holler was a splendid citizen and had lots of friends in this community. The funeral services were conducted by his pastor, Rev. J. M. L. Lyerly, at the Reformed Church, of which he was a member. He was born in Catawaba County but moved to and lived for several years in Mecklenburg County and moved to Faith about fourteen years ago. He had been in feeble health for the past few years and was confined to his bed for three weeks before his death. His remains were laid to rest at the Reformed Church Cemetery here.

Miss Mary Peeler has been elected as primary teacher at Rockwell and will begin her work there on the 12th of this month.

Mrs. S. D. Davis who has been in feeble health for several months, is not much better and is thinking of going to some springs for her health.

Mrs. C. B. McBride returned to her home at Mt. Airy today after spending three weeks here with her sick father.

J. L. Peeler is building a large barn.

The frame is going up at Charles Peeler's for a large new barn to take the place of the one burned some time ago.

Some of the farmers here have some nice ripe October peaches for sale at one dollar and twenty cents a bushel.

When Venus left Concord he stopped at Kannapolis to see the town, as he had heard so much about the place. He visited the factories and saw towels being made world without end. Then he visited the Martha Washington Inn, which is in charge of Mrs. Russell, who formerly ran a boarding house in Salisbury. Mrs. Russell is the right lady in the right place. The home is for worthy young ladies who have no home and for orphan girls who come to the factory to work. He was shown all over the building and it is one of the prettiest places he ever saw. It has all modern improvements steam heat, electric lights, water works, etc. The large new office building is going up and he saw houses going up by the dozen on the east of the railroad. While looking over Kannapolis he ran up on C. V. McCombs and family and took dinner with them. One of his sons runs some of the machinery.

Lawson Ludwick has just returned from Norfolk, Va., where he went on the excursion and reports a fine time.

Venus recently visited one of the old civil war veterans, H.

Blue, who belonged to the same company that Venus did, Company B. There were three companies in this battalion: Company A, B and C. Company A was the Alabama company, Companies B and C were made up in Salisbury at the garrison and were made up of prison guards. Venus was mail boy. VENUS.

Community Service Week

Gov. Locke Craig has issued a proclamation for Community Service Week, December 2, 4 and 5. These days are set apart when every man, woman and child in the State shall lend heart, hand and brain to the service and development of the community in which he or she lives, and 2 days on which the people shall meet, confer and work together for the advancement and improvement of each section. The Governor calls on the Farmers' Union, the Chambers of Commerce, the women's clubs, the school teachers, the ministers, the press, and men of every profession and vocation, to co-operate on the days named in forwarding any and all movements for the common good. This is a call to great work, and it is hoped that it will find a universal and hearty response.

No Aches or Pains

Peruna Did it for Me.
"I find Peruna an excellent spring and summer medicine and am glad to call the attention of my friends to it. I know by experience that Peruna is a good medicine, and always recommend it whenever I have an opportunity. I can truthfully say that I have no traces of my old complaint, and have neither ache nor pain, and enjoy life. Words cannot express my appreciation for the good Peruna has done me."

PERUNA THE SPRING AND SUMMER MEDICINE.

"I used to get cramps in my stomach. I had sick headaches. My stomach nearly killed me. My family physician only gave me temporary relief. I got out of patience and had given up all hopes of recovery. I then wrote to Dr. Hartman and he advised me to take Peruna. I got a bottle of Peruna and commenced using it. Soon got better and am now entirely cured and feel like a new woman. Peruna is my comfort. I will never be without it." Mrs. Thomas M. Morgan, R. F. D. 2, Wadsworth, Ohio.

Be sure of the druggist from whom you buy medicine for baby.

We may spend a little more time in filling a prescription than other druggists,—but we must satisfy ourselves that the work has been done right, and we take the time to do it right.
