**After Four Years of Discouraging Conditions, Mrs. Bullock Gave Up in Despair. Husband Came to Rescue.**

Patron, Ky.—In an interesting letter from this place, Mrs. Bettie Bullock writes as follows: "I suffered for four years, with womanly troubles, and during this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side.  
 The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good.  
 I had gotten so weak I could not stand, and I gave up in despair.  
 At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose, I could walk, and I was able to do my work.  
 If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 50 years of continuous success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. He will recommend it. Begin taking Cardui today.

 The citizens of the community have petitioned for a supervision in this neighborhood to look after the working up of the roads of this part of the township and have applied to the honorable county commissioners for appointment and we are hoping to have this appointment, as our roads are badly in need of work. We think that all should be interested in good roads.  
 V. W. Trexler has left home but we heard that he had decided to return and go to farming and working hard. You see it is a girl's time.  
 J. P. Berger of Davidson County and Miss Sarah Edwards of Rowan were married on Easter Sunday evening at 8 o'clock at this place, G. A. Pascock officiating. We hope the newly married couple will live a long and happy life.

**CHRISTIANA**

It was in 1500, (we believe) when it continued cold all summer, February and March was warm and spring like. April and May was cold. In June there was snow or ice every day but a few in Maine and New Hampshire, there was snow a foot or more deep. Nearly everything froze except a little wheat. The next spring corn sold for \$5.00 per bushel. We hope winter is over and the weather will turn from winter to summer.  
 Farmers are much behind with their work but we must not complain at Providence.  
 There was a nice congregation and two services at Christiana on Easter Sunday; we had a good number of communicants; and twelve young persons were added to the church by confirmation.
