**Sunday School Teachers Invited**  
 A Speaker of National Rep' to be Here  
 Sunday Afternoon.

DR. WILLIAM A. BROWN

Dr. Brown belongs to the church militant. As a pastor in St. Louis in 1900 he fought in the campaign for law enforcement, which developed the sentiment that later enabled Joseph E. Folk to carry through his programs of reform. As a pastor in Kansas city, Kansas he led in the fight for the closing of liquor joints and helped in the campaign which freed the city from law violation. As a missionary in Manila he participated in moral reform movement and aided in the passing of the two mile limit law, which made effective the anti-vice legislation of Congress.

Dr. Brown is a rapid-fire speaker and convinces his audience that he knows what he is talking about. He is cheerfully optimistic, and is possessed of a pleasing personality which is full of sunshine and good nature. While ushering as a youth in a big city church, it was said of him, "That if Jeremiah the prophet had come to Kansas city and gone to Grand Avenue Church and shaken hands with the head usher in the gallery, he would have gone away to write 'Canticles' instead of 'Lamentations'."

Dr. Brown is an alumnus of Barker University, class of 1907, and of Drew Theological Seminary, class 1900.

The International Sunday School Association, of which Dr. Brown is a field superintendent, comprises nearly 16,000 states, provincial, county, township and city associations, covering the entire continent of North America. These associations hold about 20,000 conventions every year, and are attended by more than 1,000,000 volunteer workers. In the 178,459 Sunday schools served in the international field, there are 1,800,000 officers and teachers and nearly 16,000,000 scholars.

Dr. Brown will speak in the old court house at 4:30 Sunday afternoon on a subject of interest to Sunday school workers. All the Sunday school superintendents and teachers in the county are invited to be present and hear the address, it will be well worth the time.

**Barn Destroyed by Fire, one Horse Burned**

On Monday night about eleven o'clock an alarm of fire was turned in from box 87 corner Council and Long Streets. The fire company rushed to the scene and it was found that the scene of the fire was a barn belonging to Chas. R. M. D. Lin, who lives two miles from Salisbury on the Bringle Ferry Road. The fire company after seeing the location of the fire went back to the station as it was useless to proceed further, on account of there not being water. How the fire started is a mystery but it is a heavy loss to Mr. Medlin. One horse, two huggies, two sets of buggy harness, one set of wagon harness, several barrels of corn, a corn, a lot of roughness, feed, hay and farm tools were burned by the fire. Besides the loss of a horse and containing several hundred dollars of potatoes was destroyed. The loss is estimated at, or near \$1,000 and from what can be learned there was no insurance.

Washington, April 19.—In a decision handed down by the Interstate Commerce Commission today, the complaint against the Southern Railway, brought by the Corporation Commission of North Carolina, in conjunction with the Ocell Hardware Company of Greensboro, alleging certain class and commodity rates to be unjust and discriminatory, is dismissed by that body. The commission holds that the railway company's joint through rates from Cincinnati not shown to be unreasonable. Neither are the rates assessed by the company on shipments from points in central freight association territory that did not have through rates from Lynchburg to North Carolina points. The commission also holds that the through rates from the Pittsburgh Buffalo territory to North Carolina points are not unreasonably or unjustly discriminatory. And neither are the rates from Lynchburg to North Carolina points. The findings as to joint through rates from Eastern seaboard territory to North Carolina points is reserved by the commission for future consideration.

Good middling cotton is being quoted this morning at 10 cents. The gradual increase in price has been under way for weeks and at last it has reached the goal that many predicted for it some time ago. With cotton at ten cents it is believed that the South generally will move forward to bigger and better things in the way of business generally. Middling cotton is also quoted at 9 1/2 cents and the belief is prevalent that good middling will soon be over 10 cents with middling at this figure.

Nothing so Good for a Cough or Cold.

When you have a cold you want the best medicine obtainable so as to get rid of it with the least possible delay. There are many who consider Chamberlain's Cough Remedy unsurpassed. Mrs. J. Boruff, Elida, Ohio, says, "Ever since my daughter Ruth was cured of a severe cold and cough by Chamberlain's Cough Remedy two years ago, I have felt kindly disposed toward the manufacturer of that preparation. I know of nothing so quick to relieve a cough or cure a cold."

**A Nervous Wreck**

Had No Desire To Live  
 Peruna Is A Tonic and Strength Builder So Says  
 Mrs. Frank Strobe, R. F. D. 1, Appleton, Wis. Her letter reads: "I began using Peruna a few months ago when my health and strength were all gone, and I was nothing but a nervous wreck. Could not sleep, eat or rest properly, and felt no desire to live. Peruna made me look at life in a different light. As I began to regain my lost strength, while my recovery took nearly four months, at the end of that time I was better than I ever had been before. I had a splendid color and never weighed more in my life. I certainly think Peruna is without a rival as a tonic and strength builder, and it takes my endorsement." Mr. Charles Brown, R. R. A. Box 79, Rogersville, Tenn., writes: "I have tried many different remedies, but have found that Peruna is the greatest tonic on earth, and a perfect system builder."

London, April 20.—With Cabinet Ministers in the House of Commons and the House of Lords subjected to a rapid fire of questions and Premier Asquith delivering a speech to the armament workers at Newcastle tonight, the British public expected that many questions on which information was desired would be cleared up. But the Ministers were not much more communicative than usual. No indication was given as to the government plan dealing with the drink question which Mr. Asquith did not even mention in his speech. This devoted to an appeal to the workmen who, he declared, had not been slack, to use every effort to increase the supply of war munitions. Members of the House of Commons who sought information were informed that they would have to wait for the government statement and they therefore devoted their time to discussing the proposal that intoxicating liquors should be barred from the House of Commons refreshment room, but, being unable to agree on this question, they postponed the debate.

**THIS WOMAN WAS VERY UNHAPPY**

Physically and Mentally Worn Out—Tells How Nervous and Crying Spells Were Ended by Vinol.

Monmouth, Ill.—"I was weak, worn-out and nervous. I had no appetite and was getting so thin and discouraged, one day I just broke down and cried when a friend came in and asked me what was the matter. I told of my condition and how nothing I took seemed to do me any good. Vinol was suggested. I got a bottle and before it was half gone I could eat and sleep well. I continued its use and now my friends say I look ten years younger, and I am well, healthy and strong. I wish I could induce every tired-out, worn-out, nervous woman to take Vinol."—Mrs. HARRIET GALE, Monmouth, Ill.

There are many over-worked, tired-out careworn, nervous women in this vicinity who need the strengthening, tissue building, and vitalizing effects of Vinol, our delicious cod liver and iron tonic, and so sure are we that it will build them up and make them strong that we offer to return their money if it fails to benefit.

Vinol is a delicious preparation of the extract of cod liver oil and peptonate of iron and contains no oil.

**Sick Women Attention**

Is it possible there is a woman in this country who continues to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial after all the evidence, that is continually being published, which proves beyond contradiction that this grand old medicine has relieved more suffering among women than any other one medicine in the world?

We have published in the newspapers of the United States more genuine testimonial letters than have ever been published in the interest of any other medicine for women—and every year we publish many new testimonials, all genuine and true. Here are three never before published:

**From Mrs. S. T. Richmond, Providence, R. I.**  
 PROVIDENCE, R. I.—"For the benefit of women who suffer as I have done I wish to state what Lydia E. Pinkham's Vegetable Compound has done for me. I did some heavy lifting and the doctor said it caused a displacement. I have always been weak and I overworked after my baby was born and inflammation set in, then nervous prostration, from which I did not recover until I had taken Lydia E. Pinkham's Vegetable Compound. The Compound is my best friend and when I hear of a woman with troubles like mine I try to induce her to take your medicine."—Mrs. S. T. RICHMOND, 84 Progress Avenue, Providence, R. I.

**From Mrs. Maria Irwin, Peru, N. Y.**  
 PERU, N. Y.—"Before I took Lydia E. Pinkham's Vegetable Compound I was very irregular and had much pain. I had lost three children, and felt worn out all the time. This splendid medicine helped me as nothing else had done, and I am thankful every day that I took it."—Mrs. MARIA IRWIN, R.F.D. 1, Peru, N. Y.

**From Mrs. Jane D. Duncan, W. Quincy, Mass.**  
 SOUTH QUINCY, MASS.—"The doctor said that I had organic trouble and he doctored me for a long time and I did not get any relief. I saw Lydia E. Pinkham's Vegetable Compound advertised and I tried it and found relief before I had finished the first bottle. I continued taking it all through middle life and am now strong, healthy woman and earn my own living."—Mrs. JANE D. DUNCAN, Forest Avenue, West Quincy, Mass.
