West of Salisbury, who entered the service of the Southern Railway as stenographer in the mechanical department at the shops north of here in 1896, has been promoted from one position to another and was recently made agent for the Queen & Crescent Route at Greensboro. This shows how the Salisbury boys forge to the front when given a chance and, it seems they can't get a chance most anywhere except at home. We give the stranger the preference here.

Saturday when Sheriff Krider offered an automobile, that he had seized at Kannapolis last August loaded with liquor, for sale an attorney representing some one in Concord claimed to have a mortgage of \$425 on the car. This had the effect of scaring off bidders who would have paid over \$100 for it. The attorney stated that he would take out a writ of claim and delivery as soon as the sale was made. But getting the machine it seems, would be something else. However, the man with the mortgage bought the machine and complications were avoided.

The services conducted by Archdeacon Percy C. Webster during the past week at St. Luke's Episcopal Church, were largely attended and evinced much interest on the part of Salisbury people. His sermons were of a high order and greatly enjoyed. The last meeting was held Sunday night when the church was not nearly large enough to accommodate all who wished to be present.

There were two alarms of fire turned in from box 28, corner of Main and Kerr Streets, last Friday morning, the company being called to the home of C. W. Windsor nearby. Only slight damage was done, but the wind was blowing and had the blaze gotten started no doubt Salisbury would have had a real fire.

The Sunday School Convention.

The North Carolina Sunday School Association convened in the old court house in Salisbury Monday afternoon where, after the addresses of welcome and responses were delivered, the carrying out of the program, as published in last week's WATCHMAN, was taken up. Quite a number of earnest Christian workers are present and some very inspiring talks have been made, as the program is being worked out day by day.

The first thing on the program Monday afternoon was the Sunday school parade. This consisted of men, women, girls and boys, teachers and pupils from the Sunday schools and others, and was interesting, but instead of being a "magnificent parade" we regret to say that only about one-tenth of the Sunday school workers and pupils in the county were participants.

The last thing, or the closing item on the program, will take place tonight, in the old court house and is called a Sunday School, historical "pageant." The program describes it as follows:

An educational pageant presented by the local Sunday Schools of Salisbury, portraying the origin, growth and development of religious education from patriarchal times to the present day modern Sunday School with all its divisions and departments.

China Grove, Nov. 24th.—The program committee of the O'Henry Literary Society has planned the following program for the next meeting on November 30th.

Debate, Resolved: That the practice of vivisection for scientific purposes is justifiable. Will be discussed on the affirmative by Annie Hoffman, Eugene Kimball and Banks Hodge, on the negative by Mary Cooper, William Swink and James Patterson. Current events by Lucile Swarngen. Male Quartette by Hoke Rickard, Yorke Peeler, John Bostian and Jennings Kester. Recitation by Elizabeth Bostian and a duet by Rose

Wiley and Maye Iyerly.

The basketball team defeated M. C. S. last Friday the 19th with a score of 14 to 8 but was defeated the following Tuesday by Spencer with a score of 21 to 14. We certainly can give the China Grove boys credit for playing a good clean game.

We will be unable to have the Lyceum course which we had planned to have on account of financial standing.

Two more new students have entered school this week, they are Mason Wilhelm and Alexander Rost.

Everybody is joyfully anticipating the Thanksgiving vacation which lasts from Wednesday evening until Monday morning.
