

RURAL NEWS

Written by OUR CORRESPONDENTS

ROCKWELL, NO 2

Feb. 21.—Some of the members gathered together at Ebenezer church last Wednesday for the purpose of doing some work in the grove. A large crowd was present and a nice lot of work done.

Bostian school had a debate and a box supper Saturday night, under the supervision of Misses Williams and Fisher, teachers. A delegation of people from South Rowan appeared before the county commissioners Monday, February 7th, in the interest of good roads for South Rowan. Joseph Connell a progressive farmer exchanged horses recently on a guarantee. That's the way to do business. He also butchered a hog last week.

A young farmer who is planning a new house said the other day that the first thing he expected to do was to put in a water supply and build a bath room. Then he would build the rest of the house around that. It isn't very wrong estimate that he has of the necessity of running water and a good bath room.

John Gosloppy shaves once a week when he is feeling well when he isn't he lets 'em go two weeks. John says it is all foolishness for a farmer to try to go slicked up. His farming just like that, 'o.

Two men in the community had a bet on two dogs the other day. They had caught a rabbit in a trap and put a bet on the dogs catching the rabbit. The owner of the dog that caught the rabbit was to be the winner. So they turned the rabbit loose in a large field and let it get some distance away before turning the dogs loose and the slowest toy caught the rabbit on his return in going back the track.

Robert Ketner refused \$175.00 for two dogs recently. Why not give the cat a word of praise now and then? She is as useful as a dog, costs less and is just as affectionate. Every farm needs 2 or 3 good cats.

Charles Rosemond was cooking some turnips, pumpkins and corn meal mixed today for his hogs, which he is going to market soon. He seems to think this is a very good feed to fatten hogs.

Mr. Ritchie and Miss Sadie Lipe were married recently. The new pastor of Phannel's Baptist church is spending the week with the members.

When people really want to cooperate they can. The reason cooperative movements have been unsuccessful so often is that men have been unwilling to give some of their individualism and to accept a common plan and work on that.

P. G. Cook of Concord the State vice president of the P. O. S. of A. and W. A. Daniels of Salisbury, State secretary, will institute a lodge of the above camps at Bostian school house next Wednesday night, February 23rd.

Charles Cook another progressive farmer is having a new six-room house built. Hats off to the ground hog for we are indeed indebted to some one for this clear sunny weather.

While talking about preparedness, are you planning to be prepared to go through the winter of 1916-1917 in good shape if cotton should happen to sell for 8 or 8 cents? We hope it will be twice these figures, but the prudent man is the one who will not depend upon it being so high.

James Pethel, son of Mr. and Mrs. Calvin Pethel, visited at John Clark's Sunday evening. I am listening for the wedding bells to ring soon in our community, so don't be surprised if I report a wedding soon.

We have a brick house in our community, which was built October 11, 1811, and has two chimneys with four fire-places. One chimney has two fire-places on the first story and one on the second. The longest chimney is 18 feet on the outside and the other one is 7 feet and 7 inches. The home has a large basement. If there is any one who can beat this for an old brick house let's see you trot out and show up.

Carl Fink is clearing a large new ground. The trouble with too many hired men is, they hang too much in the breeching in-

lead of the collie. This being leap year I guess a lot of basful young men will get girls.

The Buffalo Creek is going to be dredged soon which will be a great investment for this community. Will make better crops and prevent a lot of sickness. A Boy.

The Quinine That Does Not Affect The Head. Because of its tonic and laxative effect, LAXATIVE BROMO QUININE is better than ordinary Quinine and does not cause nervousness, no ringing in head. Remember the full name and look for the signature of E. W. GROVE, M.D.

FAITH.

Feb. 18—Mrs. J. C. Robertson was born July 30th, 1884, in Fairfield County, S. C., and departed this life February 17th, 1916. She had been making her home here with her sons for some time. She leaves two brothers in South Carolina two sons and one daughter in Faith and one daughter in South Carolina. She was confined to her bed for ten days with the grippe which caused her death. Her people here accompanied the remains to Winneto, S. C., today, their old home, where the funeral and burial will take place Saturday. She was a good woman and her many friends will miss her in the community.

Young mail carrier on route three at J. Clarence Bernhard's, February 5th.

Venus got some extra fine pictures of the golden wedding crowd and, table at Rev. and Mrs. R. L. Brown's. Price ten cents by mail.

Arch Klutts is making garden today and planting onions on his farm near Faith.

John Brenton is making paving and piling 'em up. They are as good stock in trade as pure gold. Several parties here have commenced to make the small dirt road paving blocks.

Venus receives a great deal of mail from a great many people from all parts of the country. They are so nice we would like to make items out of all of them but there are too many. Here is one we just got by mail: Gold Hill, N. C., February 16th, J. T. Wyatt, Dear Sir: I have learned from your items that you are very much interested in historical relics I have several pictures of a mulberry tree which is said to be one which Cornwallis' horse bit the top off of. As you can see, the tree has no top. The tree stood near Carthage, Moore county, when I made the picture, but has since been cut down and burned by a man who didn't know that it was a historical tree. It is said Cornwallis camped near the tree and tied his horse to it, it then being only a small bush. This pocket comb was afterwards found near the tree. I am sending you one of the pictures it was made just a year ago. With best wishes,

Your friend, R. F. Widerhouse.

Venus has placed the picture in his collection and will take good care of it for all time to come. If any one else has any old historical news. Send it on to Venus we like them.

The school children tell Venus that there will be a big school exhibition at the close of the Faith public school. Then we will see large crowds of people here.

If Venus can rent the large granite store of the Jr. O. U. A. M. here, where Charles Peeler moved from, he will open his museum on a large scale where it can be seen by every body where we can spread out right. VENUS.

Deafness Cannot be Cured. by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling or imperfect hearing and when it is entirely closed, deafness is the result, and unless the inflammation be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

F. J. CHENEY & CO., Toledo, Ohio. Sold by druggists, 75c. Take Hall's Family Pills for constipation.

LOWER STONE.

Feb. 21.—Geo E. C. Post was hauling logs for cross ties to Martin Klutts' saw mill, in Cabarrus County. His father, H. J. Post, and Luther, helped him to haul logs last Thursday.

Lewis Fouts has his house up and nearly ready to move into. He built near E. B. at's close to the Salisbury and Mt. Pleasant public road, on land he bought of W. E. Beaver.

C. E. Bost is sick with rheumatism he was in a bad fix, both of his legs were so swollen he could not move them, he right arm was so he could not move it either and his fingers on his hand were so crooked that he could not straighten them. I saw Dr. Fisher treat him and in 15 minutes he had his fingers straight, sure.

The people of the Lowerston school had a spelling match set Friday night, February 18th, between the young folks and married folks. Neither side beat it was a tie. They are going to try it over again.

Lewis Fouts is building a barn now, started it this week and is going right along. J. H.

FROG TOWN.

Feb. 16—Mrs. L. I. Canble, Mrs. Hoffman, Misses Sallie Hoffman and Lulu Sifford visited Mrs. O. M. Brown Monday evening.

Mrs. E. L. E. Sifford and Nellie Ohoste were guests of Mrs. O. W. Harrington Tuesday.

O. M. Brown and family visited at J. Goodman's last Sunday.

Miss Emma Bost is able to be out again, which announcement her friends will be glad to hear.

"Somebody" visited at Eli D. A. Sifford's Saturday night and Sunday. Among the good things she had prepared to eat were some green peppers taken from the stalk Saturday, February 12, last. Venus, best that if you can. While there we were shown a copy of The CAROLINA WATCHMAN dated 1882, also a Dutch bible, dated 1787.

Mrs. James Hipp, Misses Lulu and Nellie Ohoste Sifford were guests last Friday of Jacob Beaver and family.

George Hipp left last week for Tennessee in which state he will work in a furniture factory.

Mrs. Z. A. Klutts has been visiting relatives in Salisbury during the past week.

We have hope of reporting a wedding soon. Rev. Sowers contemplates remodeling the inside of Organ Church and the council room. SOMEBODY.

Resolutions of Respect

Whereas, God in his infinite wisdom has removed by death the mother, Mrs. Lyerly of our beloved brothers, W. V. and J. W. Cooper, therefore, be it resolved, that Patterson Local No. 888, F. E. and C. U. of A., express their heartfelt sympathy to the bereaved brothers.

Resolved, That these resolutions be spread on our minutes, a copy be furnished the family and a copy be of the County papers for publication.

PATTERSON LOCAL, R. B. Kestler, Secretary.

Whereas, God in his infinite wisdom has seen fit to remove by death our brother, A. F. Goodman, therefore, be it resolved: First, That in the death of our friend and brother Patterson Local, No. 888, F. E. and C. U. of A., feel a great loss in love for our cause and fellowship with us was very dear to each member;

Second, That in his death this Local has been deprived of one of its most faithful and best beloved members.

Third, That by his death the Local and the community have suffered a peculiar loss, it has been deprived of one who, too modest to seek to lead, yet who by the force of his character and real worth induced all with whom he came into contact to always confide in his integrity, judgment and wisdom, and to seek his aid in all good work;

Fourth, That the sympathy of this Local be tendered his bereaved family, may God in his tender mercy heal their sorrowing hearts;

Fifth, That in respect for his memory a copy of these resolutions be spread on our minutes to become a perpetual memorial to him;

Sixth, That a copy of these resolutions be sent to his family and be published in the county papers. PATTERSON LOCAL, No. 888, R. B. Kestler, Secretary.

Saved Girl's Life

"I want to tell you what wonderful benefit I have received from the use of Theford's Black-Draught," writes Mrs. Sylvania Woods, of Clifton Mills, Ky.

"It certainly has no equal for la grippe, bad colds, liver and stomach troubles. I firmly believe Black-Draught saved my little girl's life. When she had the measles, they went in on her, but one good dose of Theford's Black-Draught made them break out, and she has had no more trouble. I shall never be without

THEFORD'S BLACK-DRAUGHT

in my home." For constipation, indigestion, headache, dizziness, malaria, chills and fever, biliousness, and all similar ailments, Theford's Black-Draught has proved itself a safe, reliable, gentle and valuable remedy.

If you suffer from any of these complaints, try Black-Draught. It is a medicine of known merit. Seventy-five years of splendid success proves its value. Good for young and old. For sale everywhere. Price 25 cents. (L.S.)

A Real Kerosene Burner

\$675 Mogul 8-16 \$675 Kerosene-Burning Tractor

MOGUL 8-16 is the only tractor of its size that we know of that works on low-grade kerosene. That gives it two big advantages over other tractors.

Mogul 8-16 burns any oil that can be burned in an engine. Since you can always get naphtha, benzine, motor spirits, kerosene, or some of the low-grade distillates, you are sure of a plentiful supply of fuel at all times. That's another advantage.

The other is that kerosene and the other oils cost less and, in all probability, always will cost less than gasoline. You know the difference in price now, and you can easily figure the saving in burning low-grade oil. That's another advantage.

Kerosene is not explosive. Gasoline is. Gasoline requires a separate tank. If you buy a Mogul 8-16, your one kerosene tank will be all you need. We have a sample Mogul 8-16 right here in the store. Come in and have a look at it. We believe when you have seen it, and know all it will do for you, that you will want one for your spring work, especially when you realize that it costs you only \$675 cash, F. O. B. Chicago.

SALISBURY HARDWARE & FURNITURE CO., Salisbury, N. C.
