Terrific Texas Tornado Sweeps into Okla. home

Denison Tex., May 21.—Nine persons were killed and 88 injured at Kemp City, Okla., eight miles east of Denison, and the town was badly damaged by a tornado which last night swept a path three quarters of a mile wide and five miles long in the vicinity of Kemp. Only three small dwellings remain intact at Kemp.

Twelve business houses, a two-story hotel and 60 residences were demolished in Kemp City. This is the second time in recent years that the little town of 800 inhabitants has been visited by a tornado. Merchants said that the town probably would not be rebuilt.

Eight were killed in the town while the other victim, a child was killed in the collapse of its father's home just across the Red River in Texas. Of the 88 persons injured, 86 are residents of Kemp City. Most of those injured were caught in the collapse of buildings while trying to reach storm cellars shortly after the storm broke at 9:28 p. m. Saturday.

The bodies of the dead in several instances were found hundreds of yards from where their houses had stood. The two-year-old daughter of Mr. and Mrs. William Brinson, who were killed, was hurled 500 feet with flying debris when the Brinson residence was destroyed but the child suffered only minor injuries.

Immediately after the storm passed emergency treatment was given the injured in darkness, with rain falling in torrents. A special train carrying 12 physicians from Denison did not reach Kemp until several hours after the tornado passed.

The Strong Withstand the Heat of Summer Better Than the Weak.

Old people who are feeble, and younger people who are weak, will be strengthened and enabled to go through the depressing heat of summer by taking regularly Grove's Tasteless Chill Tonic. It purifies and enriches the blood and builds up the whole system. 50c.

Avoid Spring Colds.

Sudden changes, high winds, shifting seasons cause colds and grippe, and these spring colds are annoying and dangerous and are likely to turn into a chronic summer cough. In such cases take a treatment of Dr. King's New Discovery a pleasant laxative Tar Syrup. It soothes the cough, checks the cold and helps break up an attack of grippe. Its already prepared, no mixing or fusing. Just ask your druggist for a bottle of Dr. King's New Discovery. Tested and tried for over 40 years.

700,000 Jews in Poland in Need.

Berlin, May 22.—Of normal total of about 2,450,000 Jews in Poland, Lithuania and Courland, some 1,770,000 still remain, and of this number, about 700,000 are in urgent and continuous want.

About 455,000 of these are in Poland and 50,000 of this number are persons who are without homes and in particularly distressing circumstances.

The number of the need, is increasing from month to month. Opportunities to earn money are few, and thousands who are still living on their savings will, sooner or later, find these exhausted and become dependent on charity.
