ROWAN DEMOCRATS AS USUAL.

Majority Somewhat Reduced But The Democrats Elect All Their Ticket.
 Owing to the lack of time THE WATCHMAN is unable to give a tabulated statement of the vote cast at the different precincts in the county yesterday, the polls not closing till dark. A hearty vote seems to have been cast and the usual Democratic majority was reduced, however, an average majority of 600 seem to have been attained. According to reports received by Chairman Woodson the averaged majorities at the different boxes are as given below. Of course complete returns may alter these figures somewhat.

For Winter Colds

You need a real tonic. Strength is required to overcome the trouble. Let that tonic be one that is specially valuable in catarrhal conditions, and you can conquer the cold, cold, acute catarrh; it may become chronic. Chronic catarrh frequently becomes systemic, involving the stomach and the intestinal tract as well as the nose or throat. It means stagnation.

PERUNA IS INVIGORATION
 It clears away the waste matter, dispels the inflammation and tones up the system. For forty-five years it has been used in catarrh by thousands of grateful sufferers, who willingly tell the world of their relief. Peruna's long history of helpfulness is the best evidence that it is what you should take.

Liquid or tablet form for your convenience.
 Mucilage is the ideal laxative and liver tonic. In tablet form it is delicious to take, mild and effective, without unpleasant effects, and will not form a habit. Liquid, 50c and \$1.00; tablets, 10c and 25c.
