Messrs. A P Hartline and J S Faysoux have purchased the harness business formerly conducted by Mr Hartline in the Hedrick building on East Innes street and will conduct the same, having opened for business Monday morning. Mr. Faysoux was with Mr. Hartline during his conduct of business, which has been suspended for some weeks.

Miss Carrie Murphy had the pleasure Monday of placing the first brick for the new \$50,000 church for the First Methodist congregation. Miss Murphy has been one of the most enthusiastic members for a new church and has for several years collected a building fund to be used on the new church.

In the county court Thursday morning a negro boy, apparently 16 to 18 years old, was arranged on a capital offense charge, it being alleged that he successfully criminally assaulted a little negro girl about 7 years old. The testimony was very damaging and the defendant was held for Superior court without bail.

Monday at the Tabernacle a mass meeting was addressed by T J Farmer and E C Mercer, two men who are here for a week's campaign for the saving of men, under the auspices of the local Y M C A movement. Both of the speakers are men who have been down and out. They have played the game and each told portions of his life's history in an interesting manner.

In another case for operating his machine by a street car while unloading passengers judgement was suspended on payment of costs.

Chas Sparks, manager of the Sparks' circus, spent Thursday afternoon in the city, coming over from Raeford, where the circus exhibited Thursday. He left last night to join the circus at Laurinburg today Saturday the shows are at Monroe, and will tour this section and drop over into South Carolina. The season will close either at Concord or the 26th or Gaston on the 27th and will then come to Salisbury for the winter. Last week a telegram received in this city from B W Jewell, who was arrested here some days ago and taken to Washington city to answer to a charge of abandonment of a daughter, stated that he had appeared before the United States court there and that the case had been settled in his favor not even going to a jury. Mr Jewell is now in Richmond and will return to Salisbury in a few days.

The fact that Kannapolis is not a finished town is shown in the fact that the companies that own the two large plants operating there are increasing their capital stock by many thousands. Just what is to come out of Kannapolis yet remains to be seen, for Mr Cannon has a habit of moving when he gets ready without any publicity whatever. The Cannon Mill Company is to increase its capital from \$1,600,000 to \$2,500,000, while the Cabarrus is increasing from a half million to two million. Verily the southern cotton mills are moving in millions as in thousands a few years ago.

Ed Crawford and Gaither Childs, a negro man and woman, are being held in \$100 bond each for appearance next Monday before the county court to answer to a charge of shipment liquor into the State in larger quantities than one quart. It will be remembered that some nights ago Policeman Hail and Mings took charge of a trunk coming in on a train from Lynchburg having been checked in, and which contained fifty or more pints of whiskey. These were wrapped in quilts but some how or other one rattle broke and this gave the thing away. The whiskey came from Lynchburg but no one appeared at the baggage room to claim it after it became known that the officers were Crawford is known to have been in Lynchburg about that time, the woman is also known to have been there the police assert, and they say they know the trunk.

Policeman Arthur Harrison has returned from Fountain Inn, S C, with Robert Fuller, a negro, who is charged with the murder of his wife in Salisbury ten years ago. Fuller had successfully eluded the agents of the law for the ten years and was recently located in the South Carolina town.

The idol of the sporting world of former years, John L Sullivan, for years holder of the belt as the champion heavy weight pugilist of the world, passed through the city Monday on N. 36 going from New Orleans to his home in the north where he will cast his vote for Woodrow Wilson. The former champion was dressed in khaki and wore a cap. His appearance on the train was known to only one or two railroad men about the station, these learning of the same through members of the train crew.

Mrs E M Patterson, wife of Capt. E M Patterson, of Spencer, was painfully injured Thursday evening when she fell while getting off a street car in Spencer. Mrs. Patterson suffered a badly sprained arm and her back was also hurt in the fall. She was returning home from Salisbury at the time, and was taken to her home and medical attention was given her at once. While her injuries are not believed to be of a serious nature she was experiencing more suffering than immediately after the accident.

BICKETT WINS FOR GOVERNOR BY 50,000.

Democrats Make Sweeping Gains in State For Entire Ticket.

Hon Thomas Walter Bickett, Democratic gubernatorial nominee, was voted into the governorship yesterday by a record-breaking plurality of at least 50,000. The entire State ticket of the Democratic party goes in with Governor Bickett and a complete Democratic Congressional delegation is returned to Congress by the redemption of the Tenth and election of Zebulon Weaver to succeed J J Britt.

With Bickett as Governor O Max Gardner will be Lieutenant Governor; J Bryan Grimes, secretary of state; B R Lacy state treasurer; W P Wood, state auditor; J S Manning, attorney general; Dr J Y Joyner, superintendent of public instruction; Major W A Graham, commissioner of agriculture; J R Young, insurance commissioner; M L Shipman, commissioner of labor and printing; W T Lee, corporation commissioner; John H Kerr, judge Superior court, third district; W P Stacy, judge Superior court, eighth district.

While the vote on the four amendments to the Constitution was everywhere light and while the returns are not complete enough to indicate certainty, it is thought in Raleigh that all of them have been carried.
