RELIEVE HEADACHES WITHOUT DOSING

By Applying Sloan's Liniment to Forehead You Can Stop the Severe Pains

Many headaches are of a neuralgic origin. The symptoms of such headaches are intense and lingering pains in the brow, temples or back of the head. There is one certain relief that has been known and recommended for years back, Sloan's Liniment. One application and the dull pain is practically gone. It is easily applied without rubbing. Rubbing is unnecessary, as Sloan's Liniment quickly penetrates to the seat of trouble.

Aching muscles, rheumatism, bruises, chilblains, sprains and stiff neck can also be most effectively treated with Sloan's Liniment. Cleaner than mussy plasters or ointments; it does not stain the skin or clog the pores. At all drug stores, 25c, 50c., \$1.00.

HELP FOR WORKING WOMEN

Some Have to Keep on Until They Almost Drop. How Mrs. Conley Got Help.

Here is a letter from a woman who had to work, but was too weak and suffered so much to continue. How she regained health.

Frankfort, Ky.—"I suffered so much with female weakness that I could not do my own work, had to hire it done. I heard so much about Lydia E. Pinkham's Vegetable Compound that I tried it. I took three bottles and I found it to be all you claim. Now I feel as well as ever I did and am able to do all my own work again. I recommend it to any woman suffering from female weakness. You may publish my letter if you wish."—Mrs. JAMES CONLEY, 516 St. Clair St., Frankfort, Ky.

No woman suffering from any form of female troubles should lose hope until she has given Lydia E. Pinkham's Vegetable Compound a fair trial.

This famous remedy, the medicinal ingredients of which are derived from native roots and herbs, has for forty years proved to be a most valuable tonic and invigorator of the female organism.

All women are invited to write to the Lydia E. Pinkham Medicine Co., Lynn, Mass., for special advice.—It will be confidential.

Control Of Congress Seemingly Retained.

New York, Nov. 7.—Returns were insufficient at 12 o'clock tonight to indicate what would be the complexion of Congress. At that hour however, the Republicans had gained two Senators, one in New York and one in Maine, elected last September, and the indications were that they would gain at least three more, two in Indiana and one in New Jersey. To gain control of the Senate the Republicans must gain nine seats.

Although Republicans party leaders predicted tonight that the Democratic majority of 23 in the present House would be wiped out, the early returns showed a net gain of one for the Republicans, though the defeat of Mc Gillicuddy in Maine last September. They gained two in New York, but this was offset by a Democratic gain of one in North Carolina and one in Pennsylvania.

says Mrs. Sylvania Woods, of Clifton Mills, Ky., in writing of her experience with Cardui, the woman's tonic. She says further: "Before I began to use Cardui, my back and head would hurt so bad, I thought the pain would kill me. I was hardly able to do any of my housework. After taking three bottles of Cardui, I began to feel like a new woman. I soon gained 35 pounds, and now, I do all my housework, as well as run a big water mill. I wish every suffering woman would give
