CHRISTIANA.

Mrs. Beaver, widow of Henry Monroe Beaver, died at Granite Quarry Sunday evening of old age and semi dementia. She has been a widow for many years and known as Annie Beaver living on the old home place near Immanuel Lutheran church with her son. When her daughter-in-law, Mrs. Martha Beaver, came to Granite Quarry a few years ago, she came with her. The funeral and burial was at Lowstone Reformed church on Monday.

The Lutheran Southern Conference met last week at Luther's church known as Piney Woods. The woman's confessional missionary association met at the same place on Sunday. A sermon was preached in the morning by Rev N D Bodie, and in the afternoon there was an address by Rev C R Pless with the other program and an interesting order of business. There was a fair representation from different congregations, but the largest from Christiana. The women seem to be awakened and active in this great work. We think it is well for all Protestant churches to be alive and join hands in the support of the Protestant religion for the time has already come when repentance is forbidden to be preached to some of the soldiers in the army.

Cotton seems to be well picked but some is very slow in opening. The dry weather has caused the loss of much crimson clover and that which was able to get up has been crippled by the late freeze.

Calvin Frick is moving to Granite Quarry and John Cauble has rented his farm. Charley Cauble is building a new house on part of the old homestead.

A REMARKABLE STATEMENT

Mrs. Sheldon Spent \$1900 for Treatment Without Benefit. Finally Made Well by Lydia E. Pinkham's Vegetable Compound.

Englewood, Ill. "While going through the Change of Life I suffered with headaches, nervousness, flashes of heat, and I suffered so much I did not know what I was doing at times. I spent \$1900 on doctors and not one did me any good. One day a lady called on my house and said she had been as sick as I was at one time, and Lydia E. Pinkham's Vegetable Compound made her well, so I took it and now I am just as well as I ever was. I cannot understand why women don't see how much pain and suffering they would escape by taking your medicine. I cannot praise it enough for it saved my life and kept me from the Insane Hospital." Mrs. E. SHELDON, 6687 S. Halsted St., Englewood, Ill.

Physicians undoubtedly did their best, battled with this case steadily and could do no more, but often the most scientific treatment is surpassed by the medicinal properties of the good old fashioned roots and herbs contained in Lydia E. Pinkham's Vegetable Compound.

If any complication exists it pays to write to Lydia E. Pinkham Medicine Co., Lynn, Mass., for special free advice.

It Always Helps

says Mrs. Sylvania Woods, of Clifton Mills, Ky., in writing of her experience with Cardui, the woman's tonic. She says further: "Before I began to use Cardui, my back and head would hurt so bad, I thought the pain would kill me. I was hardly able to do any of my housework. After taking three bottles of Cardui, I began to feel like a new woman. I soon gained 35 pounds, and now, I do all my housework, as well as run a big water mill. I wish every suffering woman would give

a trial. I still use Cardui when I feel a little bad, and it always does me good."
Headache, backache, side ache, nervousness, tired, worn-out feelings, etc., are sure signs of womanly trouble. Signs that you need Cardui, the woman's tonic. You cannot make a mistake in trying Cardui for your trouble. It has been helping weak, ailing women for more than fifty years.
