ROMANIANS GIVE BATTLE TO TEUTONS.

After Retroat Covering Many Days Stand Is Made in Northern Dobruja.

Dec. 21.—Aside from the Rumanian theatre little fighting of moment is taking place on any of the numerous fronts.

In the northern Dobruja the Russians and Rumanians have faced about and are giving battle to the Teutonic Allied forces which have been pursuing them. Just how strong the stand they are making is has not yet been made known, the German official communication announcing it merely saying that they have "again offered fighting resistance." Petrograd reports that attacks by the invaders near Parlita on the left bank of the Danube were repulsed, and says also that operations successful for the Russians and Rumanians are being carried out by scouting parties in the direction of Rimnik-Buzdu.

On the French front there has been artillery bombardments by both sides.

Berlin reports the repulse of attacks against the positions of the Teutonic Allies on the Cerna river bend region of Macedonia.

In Galicia southwest of Erod the Teutonic Allies after a heavy bombardment of Russian trenches essayed an infantry attack, but were forced by the fire of the Russian guns to seek their own trenches again. Petrograd reports the breaking through of barbed wire entanglements on the Bystritsa river sector by the Russians and compelling the Teutonic Allies there to flee.

The Austrians are again actively bombarding the Italian advanced positions on the Carso

The Carolina Watchman

Salisbury, N. C., Dec. 27, 1916

Owing to very strenuous activity during the past few months and in order to obtain a short breathing spell at a time when about every body else is enjoying the holidays, and as has been our custom, there will be no issue of **THE ROWAN RECORD** this week. **THE WATCHMAN** will be mailed to Record readers today.

Although our county has been run into debt about \$235,000 against the wishes and contrary to the knowledge of the tax payers, our people ought to be extremely happy because the book-keeping is said to have been done with the greatest care. Why, if a fellow's house was stolen and a real nice account was kept of the proceeds it ought to make him rejoice. Wouldn't that make you happy? Oh piffle!

We understand the county commissioners are considering the advisability of publishing a statement of the receipts and disbursements quarterly. This is not a bad idea and is often enough. This, we believe, however should be in detail, instead of being given in a "lump." With four quarterly statements and a final summary every one who cares to keep up with the county's finances would find it an easy matter to do so.

Last week the State prison board by the recommendation of Governor Craige appropriated \$6,150 to what is termed dependant families of convicts. The Governor admits that this may be a stretch of legal authority and he might question the wisdom of such a course. It is our belief that 90 per cent of the convicts either have no dependant families or are dependant upon their families when not in the pen. It is often a relief both to the family and community to have them in prison. But if there is any good to be accomplished thus let the good work proceed, the people get just about as much real benefit out of their money spent in this way as they do in paying the rest of the State's expenses. There seems to be nothing in sight for the masses but taxes and more taxes until they become infuriated and then "somebody" is going to get what is coming to them. It is rapidly becoming necessary for a man to be a convict or a millionaire to get any consideration in North Carolina.

Deafness Cannot Be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh which is nothing but an inflamed condition at the mucous surfaces. We will give One Hundred Dollars for any case of Deafness caused by Catarrh that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. Cheney & Co., Toledo, Ohio. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.
