Soon Over His Cold.

Everyone speaks well of Chamberlain's Cough Remedy after having used it. Mrs. George Lewis, Pittsfield, N. Y., has this to say regarding it: "Last winter my little boy five years old, was sick with a cold for two or three weeks. I doctored him and used various cough medicines but nothing did him much good until I began using Chamberlain's Cough Remedy. He then improved rapidly and in a few days was over his cold."

Attention is called to the statement in this paper of the bills audited and paid by the board of County Commissioners on Monday, December 4th. The commissioners have decided to make a report of this kind monthly so that all interested may keep thoroughly posted on the county's finances.

Whenever I notice that my kidneys are the least out of order or my back becomes weak and lame, I take a few doses of Doan's Kidney Pills and they bring relief."

CHRISTIANA.

Jan. 22.—No preaching at Christiana yesterday. Rev. N. D. Bodie, the pastor, being unable to be present. He has been and is still down with a severe attack of lagrippe bordering on pneumonia. He has our sympathies and prayers. While he was to a certain extent overlooked at the Christmas services, a number of the Christiana members joined in and raised him a purse of near \$20 with some other things in the way of provisions.

There are many colds in this section with whooping cough and measles near round. Otherwise health seems to be good.

Vaccination seems to be the order of the day in the free schools, and we think the parents make a mistake when they object to it. VIOLA.

Stomach Troubles.

If you have trouble with your stomach you should try Chamberlain's Tablets. So many have been restored to health by the use of the tablets and their cost is so little, 25 cents, that it is worth while to give them a trial.

TO MEET THE DEFICIT.

Plans Reread Upon in Programme to Be Submitted.

Washington, Jan. 16.—Administration plans for meeting the Treasury deficit at the end of the next fiscal year, took the form of a definite programme today, embracing increases in the inheritance tax, a new tax on excess profits of corporations and partnerships, and a bond issue of \$289,000,000. A bill including these proposals and bearing the endorsement of President Wilson and Secretary McAdoo will be framed at once and pressed in the House.

The increase in revenue under the plan is expected to be more than \$500,000,000 annually, and if it fails to take care of the deficit a \$100,000,000 issue of Treasury certificates of indebtedness may be decided on.

As agreed to informally today by Democrats of the ways and means committee and approved by the President and Secretary of the Treasury the excess profits tax would be at the rate of eight or ten per cent on such returns in excess of eight per cent on investment, and would yield something more than \$200,000,000, the inheritance tax would be raised to one and one-half per cent on one per cent on minimum estates and from ten to fifteen per cent on those of more than \$15,000,000, yielding an additional revenue of about \$22,000,000; and the bond issue of \$289,000,000 would be designated expressly for emergency expenses, such as the Mexican trouble, the Alaskan railway, the new armor and nitrate plants, purchase of the Danish Indies, and appropriations for the shipping board.

In this form the programme will be submitted by Democrats of the committee to their Republican colleagues, who will be asked to make any suggestions immediately so the measure may be brought into the House.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Sold by druggists, 75c. Take Hall's Family Pills for constipation. Address: F. J. Cheney & Co., Toledo, O.

Edward Starr, a young white man, and Joe Jones, a negro who were arrested in Concord on the charge of burgling into the house of Thomas Wilhelm here last week, were given a grilling Friday morning by Solicitor Clement. Mr. Wilhelm, on whom a pistol was drawn by the white robber, looking over them, could not make any positive identification but stated that the white man resembled the one entering her home and drawing gun on her. The parties claimed to be able to establish a trail and will be tried for burglary on an outgoing freight.

Profers Chamberlain's.

"In the course of a conversation with Chamberlain Medicine Co's representative today, we had occasion to discuss in a general way the merits of their different preparations. At his suggestion I take pleasure in expressing my estimation of Chamberlain's Cough Remedy. I have a family of six children and have used this remedy in my home for years. I consider it the only cough remedy on the market as I have tried nearly all kinds."—Earl G. Ross, Publisher Hamilton County Republican News, Syracuse, Kan.

Inactivity Causes Constipation.

Lack of exercise in the winter is a frequent cause of constipation. You feel heavy, dull and listless, your complexion is sallow and oily, and energy at low ebb. Clean up this condition at once with Dr. King's New Life Pills, a mild laxative that relieves the congested bowels without griping. A dose before retiring will secure you a full and easy movement in the morning. 25c. at your Druggist.

The condition of Lee Huneycutt, who shot and killed Linda Casper some time ago and then shot himself with suicidal intent, continues to improve and his chances for recovery are said to be bright.

MOTHERHOOD WOMAN'S JOY
Suggestions to Childless Women.
Among the virtues of Lydia E. Pinkham's Vegetable Compound is the ability to correct sterility in the cases of many women. This fact is well established as evidenced by the following letter and hundreds of others we have published in these columns.
Poplar Bluff, Mo.—"I want other women to know what a blessing Lydia E. Pinkham's Vegetable Compound has been to me. We had always wanted a baby in our home but I was in poor health and not able to do my work. My mother and husband both urged me to try Lydia E. Pinkham's Vegetable Compound. I did so, my health improved and I am now the mother of a fine baby girl and do all my own house work."—Mrs. ALICE B. THOMAS, 216 Almond St., Poplar Bluff, Mo.
In many other homes, once childless, there are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal, healthy and strong.
Write to the Lydia E. Pinkham Medicine Co., Lynn, Mass., for advice—it will be confidential and helpful.

Cold Sores and Fever Blisters
are only outward manifestations of the inflammation of the mucous surface that lines the lungs, the stomach and all the digestive tract, but they give you evidence of how sore a membrane may become as a result of inflammation, which is stagnation of the blood, rightfully called acute catarrh.

If you suffer from such conditions don't let them become chronic, don't run the risk of systemic catarrh.

Clear it Up With PERUNA
When your system is cleared of all its poisons, the membranes soothed and healed, the cold gone and your digestion restored, you will enjoy life, feel equal to all its tasks, and be at peace with the world. Let Peruna do for you what it did for this sufferer:

Mrs. L. A. Patterson, 238 Utah Avenue, Memphis, Tenn., says: "I have been a friend of Peruna for many years. I have used it off and on for catarrhal complaints and found it a very excellent remedy. I have a small family of children. Times are hard with us, but I can scarcely afford to do without Peruna, especially during the season of the year when coughs and colds are prevalent. We always recommend Peruna to our neighbors, for the benefit it has been to us."
You needn't suffer longer with such a remedy at hand.

Peruna can be obtained in tablet form. You can carry it with you and take it systematically and regularly for a remedy, or as needed for a preventive. Get a box today.

Poorly ventilated, drafty school rooms are a frequent source of colds. Contact with children who have colds is another cause. Damp clothing and wet feet are often responsible for that croupy cough, sore throat and tight chest.

Dr. King's New Discovery is the remedy for your children when they catch cold. Crown-ups like it too. For nearly 50 years it has been used in bronchial affections with satisfactory results. It quickly loosens the cough and checks the cold.

Your druggist has sold it for years. Try it.
