

CALOMEL MAKES YOU SICK, UGH! IT'S MERCURY AND SALIVATES

Straighten Up! Don't Lose a Day's Work! Clean Your Sluggish Liver and Bowels With "Dodson's Liver Tone."

Ugh! Calomel makes you sick. Take a dose of the vile, dangerous drug tonight and tomorrow you may lose a day's work.

Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with sour bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you feel sluggish and "all knocked out," if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tone.

Here's my guarantee—Go to any drug store or dealer and get a 50-cent bottle of Dodson's Liver Tone. Take a spoonful tonight and if it doesn't

straighten you right up and make you feel fine and vigorous by morning I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it cannot salivate or make you sick.

I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.—Adv.

W. L. DOUGLAS

"THE SHOE THAT HOLDS ITS SHAPE"
\$3 \$3.50 \$4 \$4.50 \$5 \$6 \$7 & \$8 FOR MEN AND WOMEN

Save Money by Wearing W. L. Douglas shoes. For sale by over 9000 shoe dealers. The Best Known Shoes in the World.

W. L. Douglas name and the retail price is stamped on the bottom of all shoes at the factory. The value is guaranteed and the wearer protected against high prices for inferior shoes. The retail prices are the same everywhere. They cost no more in San Francisco than they do in New York. They are always worth the price paid for them.

The quality of W. L. Douglas product is guaranteed by more than 40 years experience in making fine shoes. The smart styles are the leaders in the Fashion Centres of America. WHAT IS LAX-FOS

LAX-FOS IS AN IMPROVED CASCARA A DIGESTIVE LAXATIVE CATHARTIC AND LIVER TONIC

LAX-FOS is not a Secret or Patent Medicine but is composed of the following old-fashioned roots and herbs:

- CASCARA BARK
- BLUE FLAG ROOT
- RHUBARB ROOT
- BLACK ROOT
- MAY APPLE ROOT
- SENA LEAVES
- AND PEPsin

In LAX-FOS the CASCARA is improved by the addition of these digestive ingredients making it better than ordinary CASCARA, and thus the combination acts not only as a stimulating laxative and cathartic but also as a digestive and liver tonic. Syrup laxatives are weak, but LAX-FOS combines strength with palatable, aromatic taste and does not gripe or disturb the stomach. One bottle will prove LAX-FOS is invaluable for Constipation, Indigestion or Torpid Liver. Price 50c.

What Well Dressed Women Will Wear

New Features in Taffeta Frocks.

Just a glance at the chic two-piece frock of taffeta, shown in the picture above, might lead to the conclusion that there is nothing unusual about it. It conforms to the straight silhouette and the vaguely defined waistline that are characteristic of the smartest frocks. But the practiced eyes of the critic of clothes will never dismiss this dress with a glance. It abounds with well-executed new touches that arrest the attention and the design succeeds in placing itself as one of the most unusual and satisfactory of the season's showings.

It is made of chifton taffeta with sleeves of georgette which is a familiar enough combination, practical and cool. Added to these fabrics, satin furnishes the collar and cuffs and emplacements on the sash ends.

The skirt is plain, with the fullness about the waist gathered in at the sides and the back. It is belted with a broad girldle at the front and two narrow ones across the back. They button at the side. The belt is of the taffeta and the skirt is practical for wear with thin blouses in the warmest weather.

The jacket is designed to have the effect of smart slip-over coats and

blouses with a shallow split at the front of the neck. Here it is finished with three pearl buttons at each side and three loops of silk cord simulating a fastening. The real fastening is accomplished by buttons and buttonholes at the left side along the underarm seam. This mode of fastening makes it necessary to set the sleeves in a light underbodice. The sleeves are full and their fullness is gathered into deep, pointed cuffs of taffeta at the wrist. The turn-back cuffs of wash satin are detachable like the collar, and they are trimmed in points to correspond with the cuffs of taffeta. Corresponding points at the front of the collar improve its shape and make an adequate position for the button fastening which is placed there.

The girldle is a doubled strip of silk long enough to loop over and fall in sash ends at the front. The pointed ends of the sash are emphasized and brought into harmony with the jacket by a finish of the wash satin. Almost any of the season's fashionable shades might be chosen for this dress with the wash satin in white, sand or chamolis color. As pictured, it is in blue and white.

Collars of Various Sorts.

Our varied collars are of many sorts and inspirations, and we can trace them to widely separated places and times. If one has beauty, or the right style, oddities in collars may be worn, but they are not for everybody. The Chinese collar and the Medici fashion are only for the few who can carry them off. But the cape collar and the sailor collar seem to fit in with every style, and they have been presented in mending variety of designs. Along with round, turnover collars and jabots they keep the makers of neckwear busy.

Collars and collar-and-cuff sets of organdie find themselves important items in the make-up of midsummer frocks and blouses. Whether of silk or cotton, but more especially when made of silk, these dresses are hardly considered complete without the introduction of organdie at throat and waist. Blouses of other cotton fabrics rely upon the crispness of organdie to complete their daintiness and appropriate collars and cuffs of it.

Two of the new collars are shown in the accompanying picture. One of them is trimmed into points at the back and finished at the edge with a very narrow edge of cluny. Tatting or fine crochet edgings make the prettiest sort of trimming for collars of this kind. Each point is weighted with a pair of small prudent balls in crochet and a medallion of lace about the size of a half-dollar is set in the material above each point. Home-made medallions and edgings and handwork in

making the collars add much to their elegance.

A very deep cape collar with wide hemstitched hem is shown in the second picture. It is narrow at the front, but falls to the waistline at the back. In each corner, eyelet work is introduced in the three small circles grouped together.

The advantage of organdie in collars is its sheeriness and crispness and the success with which it stands laundering. It is better for jabots than cheap laces, but perhaps not quite so pretty as fine nets.

Julia Bottomley
Scalp Tonic.

When the scalp is hard and tight and the hair brittle and lusterless, one of the most valuable aids in restoring the healthy tone of the scalp is made by blending carefully beef marrow with a tablespoonful of good olive oil. This tonic will not be found any more greasy or objectionable than any similar preparation containing oils or grease. Small partings of the hair should be made all over the scalp, then anoint the finger tips and apply directly to the scalp, rubbing it in thoroughly.

Brazilian coconut palms are believed to live from 600 to 700 years, and the date from 20 to 300 years.

He's telling her that nothing he received from home brought more joy, longer-lasting pleasure, greater relief from thirst and fatigue, than

WRIGLEY'S THE FLAVOR LASTS

She slipped a stick in every letter and mailed him a box now and then. Naturally he loves her, she loves him, and they both love WRIGLEY'S.

CHEW IT AFTER EVERY MEAL

Three of a kind Keep them in mind

Sweet Innocence.
Mrs. Youngbride—Our cook says those eggs you sent yesterday were quite old.
Grocer—Very sorry, ma'am. They were the best we could get. You see, all the young chickens were killed off for the holiday trade, so the old hens are the only ones left to do the layin'.
Mrs. Youngbride—Oh, to be sure! I hadn't thought of that.

To Drive Out Malaria And Build Up The System
Take the Old Standard GROVE'S TASTELESS CHILL TONIC. You know what you are taking, as the formula is printed on every label, showing it is Quinine and Iron in a tasteless form. The Quinine drives out malaria, the Iron builds up the system. 50 cents.

A Difference.
"How much are potatoes worth now?"
"They're worth no more now than they ever were, but they're costing about six times as much."

The occasional use of Roman Eye Balsam at night upon retiring will prevent and relieve tired eyes, watery eyes, and eye strain. Adv.

Three crops a year may be grown in the Canal zone.

Died of Premature Old Age!

How many times we hear of comparatively young persons passing away when they should have lived to be 70 or 80 years of age. This fatal work is usually attributed to the kidneys, as, when the kidneys degenerate, it causes auto-intoxication. The more injurious the poisons passing thru the kidneys the quicker will those noble organs be degenerated, and the sooner they decay.

It is thus the wisest policy, to prevent premature old age and promote long life, to lighten the work of the kidneys. This can be done by drinking plenty of pure water all day long, and occasionally taking Anuric, double strength, before meals. This can be obtained at almost any drug store. You will find Anuric more potent than lithia for it dissolves uric acid as water does sugar.

Rheumacide
GETS AT THE JOINTS FROM THE INSIDE
Have you RHEUMATISM Lumbago or Gout?
Take RHEUMACIDE to remove the cause and drive the poison from the system.

VIRGINIA NEWS

Axton, Va.—"I wish that all who suffer with kidney and bladder trouble might know the value of Anuric and the great relief it gives those who suffer from such diseases.

"Last May I was taken with almost constant and painful desire, the effort attended by severe pain and sudden stoppage. I continued to grow worse and weaker each day. My friends begged me to have a doctor but I thought of Anuric, which I had seen advertised, and sent for a trial package. These few tablets stopped the pain, then I sent for a dollar package, half of which entirely relieved me, and I feel that my general health was much improved, too. The other half was given to a friend and gave her great relief also. I will freely answer any questions from those who suffer."—MRS. SALLIE B. HOLLAND. Send Dr. Pierce, Invalids' Hotel, Buffalo, N. Y., ten cents for trial package Anuric.
