## GET THE SCHOOL HOUSE IN ORDER.

### Make Repairs And See That Sanitation Is Not Neglected. A Timely Suggestion.

Occasionally the State Board of Health sends out an item or suggestion that is worth while and is full of sensible advice, and the following is one of them: The State Board of Health is urging that school houses be put in order now, that all repairs be made before school starts, and particularly that the sanitation of the schools and grounds be looked after. Some of the things necessary to be done are suggested in the following questions which every school board must answer:

Is the water supply for your school clean and safe? Does it contain surface drainage?

Have you sanitary means for the disposal of sewage? Would the State Board of Health approve of your method? Have you two closets, one for either sex?

Is the school yard well drained and a safe place for children to play?

Is the school building well lighted and ventilated so your children will not injure their eyes or suffer for fresh air?

Are the windows made so that they will raise from the bottom or lower from the top? Are panes in all the frames? Are there deflectors for the windows which admit fresh air without creating a draft?

Are their comfortable desks for all the children? Is there sufficient black-board space?

What are the arrangements for heating the school?

These questions should be answered satisfactorily by every member of the board before school starts. The health of school children is more important to day than it ever was. Too many boys are denied the honor of serving their country when it needs them most because of defects and diseases that were probably encountered in school. Anyway they were not remedied there.

Another timely suggestion is to the effect that children should be gotten ready for school especially in reference to their health. This also might be made to apply to the teacher.

## Weather Forecast for August, 1917.

From 3 to 9, fair, clear, rain southwest, pending dry east.

From 9 to 17 fair with slight changeable and mild threatnings, rain northwest. Still dry some east.

From 17 to 25, warm thunder rains with slight storms along.

From 25 to September 1st., rains slight storms, but heavy storms northwest. Some cool and hot.

August shows some wet from 17th to September 1st., and hot all along by scales of moon changes. As you note I give boundaries to expect rains in the above sections. August shows some dry.

Crops may suffer for 15 or 20 days, for rain, young corn especially. Rain is not shown to me until after the 17th, when freshets are expected.

HENRY REID, R. 3, Box 167, Salisbury, N. C.

## Ask Any One who Has Used It.

There are families who always aim to keep a bottle of Chamberlain's Colic and Diarrhoea Remedy in the house for use in case it is needed, and find that it is not only a good investment but saves them no end of suffering. As to its reliability, ask anyone who has used it.

## State Juniors Hold Big Meeting.

Last Wednesday morning the State Council of the Jr O U A M which was holding its annual session in Asheville got down to business when Judge N L Eure, of Greensboro presented Mr Britt, who delivered the address of welcome; Dr Charles E Brewer, president of Meredith college, Raleigh, presented W F Wilson, state council secretary of South Carolina, who made a short address which was well received by the Juniors.

At the close of the morning session the entire delegation went to the county court house lawn and was photographed.

The Salisbury delegation composed of J C Kesler, P S Carlton, Esq., A A McCormick, C M C Barger, J F Deadman, J F Butler and others, returned home Thursday. The Salisbury delegation report that the convention was to an end Wednesday night after selecting Wrightsville Beach as the next place of meeting and electing the following officers:

State Councilor, H O Sapp, of Winston-Salem.

State Vice-Councilor, Woodus Kellum, of Wilmington.

State Secretary, Sam F Vance, of Winston-Salem.

State Assistant Recording Secretary, J H Gilley, of Winston-Salem.

State Treasurer, George V Fulp, of Kernersville.

State Conductor, J E Spears, of Goldsboro.

State Warden, C M C Barger, of Salisbury.

State Inside Sentinel, Thomas C Moon, of Graham county.

State Outside Sentinel, W A Holshouser, of Statesville.

State Chaplain, Rev J A Koons of Rockwell.

## Chronic Constipation.

It is by no means an easy matter to cure this disease, but it can be done in most instances by taking Chamberlain's Tablets and complying with the plain printed directions that accompany each package.

## W. Thomas Bost Fills the Pulpit of Salisbury Church.

W Thomas Bost the Raleigh correspondent of the Daily News, preached to a large congregation at the First Methodist tabernacle here Sunday morning. Mr Bost is a native of Rowan and in his younger days studied for the ministry in Salisbury. He was heard today by many former neighbors and old friends.

Mr Bost spoke on "The Undenominated Followers of Christ" a term he used to designate the great number of people who are outside the church and yet who are in some cases unconscious followers of the Christ. His criticism of the creeds of the churches was that they are too little, the speaker claiming that we cannot know God as long as we confine our definition to philosophy.

## Another Romish Cardinal Banished.

Lisbon, Aug 25.—Cardinal Anthony Mendes Belo, the Patriarch of Lisbon, has been given five days by the Portuguese government in which to leave the capital. A decree due today forbids the cardinal residing in Lisbon or suburbs for one year.

## Whenever You Need a General Tonic Take Grove's.

The Old Standard Grove's Tasteless Chill Tonic is equally valuable as a General Tonic because it contains the well known tonic properties of QUININE and IRON. It acts on the Liver, Drives out Malaria, Enriches the Blood and Builds up the Whole System. 60 cents.

## Mortor Truck Company Goes Through Salisbury.

Greensboro, Aug. 24 - This morning at seven o'clock the North Carolina Motor Truck Company of Raleigh, one of the new units in Uncle Sam's service, left over the road to Charlotte, after spending the night here. They are en route from Raleigh where the company was organized, to the cantonment for North Carolina troops at Greenville, S. C. There are thirty big five-ton, forty-five-horse-power trucks in the company. All of the trucks have army wagon covers and present a thrilling spectacle traveling together. The company was in gloom last night because of the death near Durham yesterday of Sergeant Stevens of the company, who fell under one of the trucks and was almost instantly killed. Lieutenant Boylan will probably join the company at Charlotte tomorrow morning. He is the only commissioned officer of the company.

The company reached Salisbury Friday evening and parked on East Innes street, between Main and Lee, where they spent the night. They seemed to be in fine shape and the trucks were of the four-wheel drive variety. The company left Saturday morning for Charlotte via Concord.

## \$100 Reward. \$100

The readers of this paper will be pleased to learn that their is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts through the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F J CHENY & CO., Toledo, Ohio. Sold by all Druggists, 75c.

## A National Record.

The State must stand in admiration for the record of the Concord and Cabarrus soldiery. This town and county has long boasted the strongest company in North Carolina and they have not only contributed their full quota of troops to the Government, but have a good sized company to spare. Cabarrus County was called upon for 207 men Two hundred and ninety men responded, or 83 more than were called for. This is not only a State record, but we doubt if it can be equaled in the United States. It is but keeping up the military traditions of Cabarrus, its response to the call for the Civil War having been of the same ardor perhaps a little more so.—Charlotte Observer.

Piles Cured in 6 to 14 Days  
Your druggist will refund money if PAZO OINTMENT fails to cure any case of itching, Blind, Bleeding or protruding Piles in 6 to 14 days. The first application gives Ease and Rest. 50c.

## Turner Reunion.

The fourth reunion of the Turners was held at the home of H F Turner, near South River church, August 23, which was well attended. The people began arriving in buggies, wagons and automobiles early in the day and by 11 o'clock the beautiful shaded yard was full from the little tots to the grey headed sires. At half past 11 o'clock H C Turner, called the assembly to order and in a few well chosen words bade all welcome to the enjoyments of the day. After talking a while in his happy way Mr Turner introduced his oldest brother, Pinkney Turner of Davie county, who made a short but very interesting address. Mr Turner who is a Confederate Veteran and 81 years old, began by saying that while he would be glad to talk longer, as it was near the dinner hour, it was a hard matter to get an old soldier to say much until he had his dinner. Mr Turner, who was one of the old time school teachers, told many interesting things and advised the young men to be loyal, and if any of them had to go to the war to do their best for their country and to trust in God who doth all things well.

The invitation was given for dinner which was spread on a long table under the giant oak trees. After having a photograph made of the table and the people, and the blessing being asked by Pinkney Turner, the word was giving for all to help themselves and the crowd did full justice to the good things prepared for the occasion, as only the good house wives of old Scotch I sh know how to prepare them. After the crowd had eaten they gathered about the house and yard talking of old times and enjoying themselves in various ways. The immediate Turner family consists of seven living brothers and sisters, as follows: Pinkney, the oldest, of Davie county; Alexander, Henry, Catherine, Mrs Sarah Painter, and James of Rowan; and Wilson Turner, the youngest, of Rockingham, N. C. These all being present at this re-union.

A vote was taken, as to where the next reunion was to be held and it was decided in favor of Mrs Sarah Painter's. They all these good people live for many years and enjoy many more such reunions is the wish of the writer and their many friends.

## Stomach and Liver Troubles.

No end of misery and actual suffering is caused by disorders of the stomach and liver, and may be avoided by the use of Chamberlain's Tablets. Give them a trial. They only cost a quarter.

## North Carolina's Standing in the Textile Industry.

The following facts regarding the textile industry of North Carolina will no doubt interest our readers. This industry is one of the most important in the South, and has been a powerful factor in the South's development. Standing out prominently are the following facts:

First, More cotton mills in North Carolina than in any other State in the South.

Second, The largest towel manufacturing company in the world.

Third, One of the largest denim mills in the world.

Fourth, One of the largest Jacquard table cover mills in America.

Fifth, One of the best textile schools in America which is known as the Textile Department of the State College, Raleigh, North Carolina.

## Our Salisbury Merchants.

Mr Business Man, if you have not yet acquired the habit you should get it at once and advertise your goods in the Watchman if you want to reach a class of Rowan county's citizenship that is really worth while. Don't think for a minute that you reach all the people through any other advertising medium. There are lots and lots of people whom you can not reach through any other paper but this one. We happen to know whereof we speak. If you are prejudiced against the paper on account of its policy to such an extent that you will not use its advertising columns you are the greatest loser. Our readers will probably conclude that you are prejudiced against them also and do not want their trade and they are not likely to force it on you. The paper stands for what it conceives to be the right thing and there is absolutely no apology for its policy. If you do not believe in advertising may the Lord have mercy on your unprogressive spirit. You are neglecting the one essential thing that will boost your business. Get wise, advertise or the sheriff will do it by and by.—Ex.

## Summer Complaint.

During the hot weather of the summer months some member of almost every family is likely to be troubled with an unnatural looseness of the bowels, and it is of the greatest importance that this be treated promptly, which can only be done when the medicine is kept at hand. Mrs. F F Scott, Scottsville, N. Y., states, "I first used Chamberlain's Colic and Diarrhoea Remedy as much as five years ago. At that time I had a severe attack of summer complaint and was suffering intense pain. One dose relieved me. Other members of my family have since used it with like results."

## Doings of the Soldier Boys.

Last Wednesday afternoon the members of the 4th Co C A C marched out to the fair grounds where they engaged in a sham battle just for practice. Quite a number of spectators were on hand and were impressed with the good work of the men.

The armory, headquarters of the company, is now guarded with sentinels who have orders to shoot. This is the result of some misconduct on the part of some of the members and the pickets will be continued in the future.

## DON'T TAKE A CHANCE

### Salisbury People Should Act in Time.

If you suffer from backache; If you have headaches, dizzy spells;

If there are bladder ills; Don't delay—likely your kidneys are sick.

Salisbury people, recommend Doan's Kidney Pills

Here's a Salisbury woman's experience:

Mrs H Frost, 603 N. Main St., says: "I had backache and other kidney disorders. At times my limbs were so weak and lame, I could hardly get around, mornings, the trouble was worse. My kidneys acted irregularly and caused me a lot of annoyance. I had heard of so many who had found Doan's Kidney Pills good that I began taking them. They lived up to the claims made for them, relieving the misery in my back and regulating my kidneys.

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs Frost had. Foster Milburn Co., Mfgs., Buffalo, N. Y.

## PROVISIONS OF THE FOOD BILL.

A Democratic Government to do Some Undemocratic Things as War Measures.

Eleven million three hundred and forty-six thousand four hundred dollars to be used in stimulating the production, for protecting and conserving foods, and for a survey of the country's food resources.

Staff of county agents to be increased until at least one agent will be stationed in practically every agricultural county in the United States that will co-operate with the department and the State Agricultural College.

Women county agents for demonstration work in home economics to be increased in rural countries and similar agents to be placed in towns and cities for first time.

Farm help service to be extended in cooperation with the United States Department of Labor to assist in bringing farmers and farm laborers together.

Country wide survey to be made of food on farms, in storage, in shops and in homes. Estimates of family consumption of food to be made.

Extension of crop estimating to crops not hitherto reported and to include special inquiries to gather information on extraordinary farm conditions.

Hog and poultry production to be stimulated as far as practicable.

Increased production and conservation of dairy foods to be encouraged.

Animal diseases to be combated on a larger scale.

Increased efforts to be made to combat insect pests of plants and animals.

Further steps to be taken to destroy animal pest and predatory animals which injure crops and kill live stock.

Work for the control of plant diseases to be extended.

Survey of seed supplies and needs to be made and results published so that farmers will be assisted in obtaining a sufficient supply of good seed. Seed to be purchased and sold to farmers by the department if necessary in restricted areas.

Demonstrations to be carried out in the proper handling packing, shipping and marketing of perishable fruits and vegetables to decrease spoilage.

News service for various farm products to be extended so that producers and consumers can be better informed as to the supply and demand and can sell and buy with less expense, less spoilage and less motion.

## To Cure a Cold in One Day.

Take LAXATIVE BROMO Quinine. It stops the Cough and Headache and works off the Cold. Druggists refund money if it fails to cure. E. W. GROVE'S signature on each box. 50c.

## Vacant Scholarship.

Rowan county has a free agricultural scholarship vacant at the North Carolina State College of Agriculture and Engineering. The value of scholarship is \$45.00 per year and it continues as long as the holder remains in college. This is a valuable opportunity for some ambitious boy in Rowan county. Technical education makes a strong appeal to capable and ambitious young men, especially in these times when production of every kind falls short of demand and prices are higher than ever before.

E B OWEN,  
registrar, Raleigh, N. C.

Drives Out Malaria, Builds Up System  
The Old Standard general strengthening tonic, GROVE'S TASTELESS CHILL TONIC, drives out Malaria, enriches the blood, and builds up the system. A Tonic. For adults and children. 60c.
