Entered as second-class matter January 19th, 1905, at the postoffice at Salisbury, N. C., under the act of Congress of March 3rd, 1879.

Salisbury, N. C., Sept. 12 1917

The European powers seem to be inclined to ignore the pope's peace proposal, which is the proper thing to do. The Watchman admits Mr Wilson's answer was excellent, but since the pope has no standing as an official in this country, of all nations, he should have been ignored here.

We notice that "non catholics" are quite frequently invited to some function which of course are generally given to show off the imaginary virtues of Catholics and to hide their many sins. Since this church claims to be the same yesterday, today and tomorrow, why not let the invitation read "heretical dogs," as of old, and will be again should they become strong enough to use the old phrase. When our people understand what this catholic institution thinks of them, being unsaved and unmarried, such invitations will be useless.

## J. Montague Smith

familiarly known as "Monty boy," young, easy-going bank cashier, darling of society, interested in socks and neckties. Two hours later this same individual is plain John M. Smith, fugitive from justice, charged with murder, hiding in a freight car, beating his way to security.

Aswifter metamorphosis than that which transforms this character would be hard to imagine or a better story than that in which he appears hard to find.

## The Real Man

is interesting right from the beginning, ingenious, swift-moving and with plenty of exciting moments. It is one of the best pieces of fiction ever written by that popular writer.

## Too Sick To Work

Many Women in this Condition Regain Health by Taking Lydia E. Pinkham's Vegetable Compound.

## Convincing Proof of This Fact

Ridgway, Penn. — "I suffered from female trouble with backache and pain in my side for over seven months so I could not do any of my work. I was treated by three different doctors and was getting discouraged when my sister-in-law told me how Lydia E. Pinkham's Vegetable Compound had helped her. I decided to try it, and it restored my health, so I now do all of my housework which is not light as I have a little boy three years old."  
—Mrs. O. M. RHINES Ridgway, Penn.

## Mrs. Lindsey Now Keeps House For Seven.

Tennille, Ga. — "I want to tell you how much I have been benefited by Lydia E. Pinkham's Vegetable Compound. About eight years ago I got in such a low state of health I was unable to keep house for three in the family. I had dull, tired, dizzy feelings, cold feet and hands nearly all the time and could scarcely sleep at all. The doctor said I had a severe case of ulceration and without an operation I would always be an invalid, but I told him I wanted to wait awhile. Our druggist advised my husband to get Lydia E. Pinkham's Vegetable Compound and it has entirely cured me. Now I keep house for seven and work in the garden some, too. I am so thankful I got this medicine. I feel as though it saved my life and have recommended it to others and they have been benefited."  
—Mrs. W. E. LINDSEY, R. R. 3, Tennille, Ga.
