Such warning symptoms as sense of suffocation, hot flashes, headaches, back-aches, dread of impending evil, timidity, sounds in the ears, palpitation of the heart, sparks before the eyes, irregu-larities, constipation, variable appetite, weakness and dizziness should be heeded by middle-aged women. Lydia E. Pinkham's Vegetable Compound has carried many women safely through the crisis.

At the cost of a small jar of ordinary cold cream one can prepare a full quarter pint of the most wonderful lenion skin softener and complexion begutifier, by squeezing the juice of two fresh lemons into a bottle containing three ounces of orchard white. Care should be taken to strain the juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lengon juice is used to bleach and remove such blemishes as sallowness, freikles and tan and is the ideal skin softener, smoothener and beautifier.

Just try it! A Bungle.

"The kaiser tries hard to please, but his efforts are very bungling."

The speaker was Seward Prosser, head of the New York Red Cross.

"The kaiser," he went on, "kicked out Bethmann-Hollweg, who only wanted an honorable peace, and took on Doctor Michaelis, who demands a peace of victory. Yet the kaiser tries to please his people-he even tries to please the allies-but he bungled like the bachelor.
