**Austrian Foreign Minister Resigns.**

Amsterdam, April 15.—Count Czernin, the Austria Hungarian foreign minister, according to a dispatch from Vienna, has resigned.

Emperor Charles has accepted his resignation and entrusted Count Czernin with the conduct of the foreign affairs until a successor is appointed.

In a recent publication by the French government of the futile peace appeal sent out by Emperor Charles of Austria Hungary in March, 1917 and the efforts of the emperor and the Austria Hungary foreign office to explain this letter to the satisfaction of Germany and the German emperor probably were the most potent influences in bringing about the resignation of Count Czernin.

**Senator Stone Dead.**

Washington, April 14.—Senator Wm. J Stone, of Missouri, chairman of the senate foreign relations committee, and for many years prominent among democratic leaders died here today after a stroke of paralysis suffered last Wednesday.

Senator Stone suffered the stroke while on a street car on his way to the senate office building. A slight cerebral hemorrhage affected his left side, rendering him helpless but he did not lose consciousness and a few hours later rallied and began to talk about getting up. His family and friends were very hopeful until yesterday, when there was a decided turn for the worse.

Senator William J. Stone was in public life 45 years and during that long period probably engaged in as many political contests as any man of his time ranging all the way from controversies over county offices to the broadest national issues.

Rev W B Duttera Saturday received notice of his appointment as National Chaplain of the Junior Order United American Mechanics, having been appointed by National Councilor Noyes to fill out the unexpired term of Chaplain Lichtler, deceased.

**Would Defend the Flag at any Cost.**

To defend the Flag was the reason Mr. Burgin, of Old Fort, seventy years old and a Confederate veteran, gave for pledging one thousand dollars to the War Savings Campaign. In the company in which he fought in the Civil War, only two of his comrades were left living. He knows the price of war. To defend the flag at any cost is the kind of patriotism Mr. Burgin feels about the present situation.

**Marvelous Story of Woman's Change from Weakness to Strength by Taking Druggist's Advice.**

Peru, Ind.—"I suffered from a displacement with backache and dragging down pains so badly that at times I could not be on my feet and it did not seem as though I could stand it. I tried different medicines without any benefit and several doctors told me nothing would do me any good. My druggist told me of Lydia E. Pinkham's Vegetable Compound. I took it with the result that I am now well and strong. I got up in the morning at four o'clock, do my house work, then go to a factory and work all day, come home and get supper and feed my fowls. I don't know how many of my friends I have told what Lydia E. Pinkham's Vegetable Compound has done for me."—Mrs. ANNA METERIANO, 36 West 10th St., Peru, Ind.
